Secret Witness:

Secret Witness Madison C. Brightwell, 2014-11-06 Gabriel Thatcher has never forgotten the love of his life Helen who traveled around India with him on one memorable vacation and then abandoned him 25 years ago while pregnant with their child Maddie Cambay is a successful young actress currently starring in a musical at the Bristol Old Vic Theatre These two seemingly very different people are brought together by a strange set of circumstances that involve a horrific murder trial and a secret that Gabriel must have the strength to reveal so that true justice is done **Ormond; or, the Secret Witness**

Charles Brockden Brown, 2009-09-15 As it tells the story of Constantia Dudley from her family's financial collapse to her encounters with a series of cosmopolitan revolutionaries and reactionaries Charles Brockden Brown's *Ormond* or *The Secret Witness* 1799 develops a sustained meditation on late Enlightenment debates concerning political liberty women's rights conventions of sex gender and their relation to the reshaping of an Atlantic world in the throes of transformation This edition of *Ormond* includes Brown's *Alcuin* 1798 an important dialogue on women's rights and marriage as well as his key essays on history and literature along with selections from contemporary writings on women's education and revolution debates that figure in the novel's background and in the charged atmosphere of the late 1790s **Ormond, Or, The Secret Witness**

Charles Brockden Brown, 1839 **The Rotarian**, 1971-11 Established in 1911 *The Rotarian* is the official magazine of Rotary International and is circulated worldwide Each issue contains feature articles columns and departments about or of interest to Rotarians Seventeen Nobel Prize winners and 19 Pulitzer Prize winners from Mahatma Gandhi to Kurt Vonnegut Jr have written for the magazine Conspiracy and Romance Robert S. Levine, Robert Steven Levine, 1989-09-29 Robert Levine examines the American romance in a new historical context His book offers a fresh reading of the genre establishing its importance to American culture between the founding of the Republic and the Civil War With convincing historical and literary detail Levine shows that anxieties about foreign elements French revolutionaries secret societies Catholic immigrants African slaves are central to the fictional worlds of Brockden Brown Cooper Hawthorne and Melville *Ormond* *The Bravo* *The Blithedale Romance* and *Benito Cereno* are persuasively explicated by Levine to demonstrate that the romance dramatized the same conflicts and ideals that gave rise to the American Republic Americans conceived America as a historical romance and their romances dramatize the historical conditions of the culture The fear that reputed conspiracies would subvert the order and integrity of the new nation were recurrent and widespread Levine illuminates the influence of such fears on the works of major romance writers during this period **California.
