Long Silence Civilian Life Under The German Occupation Of Northern France 19141918

**Manuel Bragança, Dominique
Jeannerod, Peter Tame**

Long Silence Civilian Life Under The German Occupation Of Northern France 1914-1918:

Long Silence Helen McPhail, 1999-12-31 This account based on original sources including diaries memoirs family records secret diaries written during the war vivid memories and official records shows how the rich agricultural and industrial areas of northern France were invaded occupied and exploited between the summer of 1914 and the Armistice in November 1918 Factories were stripped household furniture and fittings requisitioned food supplies taken the population maltreated and malnourished and even taken to forced labor camps until Herbert Hoover set up his scheme of aid which kept the population alive during the war This fascinating account describes how French civilians responded in familiar ways in the war The experience of occupation in the Nord, 1914-18 James E. Connolly, 2018-05-14 Much of the French department of the Nord was occupied during the First World War This book considers the ways in which occupied locals responded to and understood their situation focusing on key behaviours adopted by locals and the beliefs surrounding such conduct Key topics examined include forms of complicity disunity criminality resistance and the memory of the occupation This local case study calls into question overly patriotic readings of this experience and suggests a new conceptual vocabulary to help understand certain civilian behaviours under military occupation Drawing on extensive primary documentation this book proposes that a dominant occupied culture existed among locals a moral patriotic framework born of both pre war socio cultural norms and daily interaction with the enemy that guided conduct and was especially concerned with what was considered acceptable and unacceptable behaviour An electronic edition of this book is freely available under a Creative Commons CC BY NC licence

France in an Era of Global War, 1914-1945 A. Carroll, L. Broch, 2014-09-30 In France in an Era of Global War scholars re examine experiences of French politics occupation empire and entanglements with the Anglophone world between 1914 and 1945 In doing so they question the long standing myths and assumptions which continue to surround this period and offer new avenues of enquiry **Aerial Propaganda and the Wartime Occupation of France, 1914-18** Bernard Wilkin, 2016-09-13 Aerial Propaganda and the Wartime Occupation of France 1914-1918 explores the combined role played by the French and British Governments and Armies in creating and distributing millions of aerial newspapers and leaflets aimed at the French population trapped behind German lines Drawing on extensive research and French German and British primary sources the book highlights a previously unknown aspect of psychological warfare that challenges the established interpretation that the occupied populations lived in a state of total isolation and that the Allied governments had no desire to provide them with morale support Instead a very different picture emerges from this study which demonstrates that aerial propaganda not only played a fundamental role in raising morale in the occupied territories but also fuelled resistance and clandestine publications This book demonstrates that the existing historiographical portrayal of the occupied civilian as an uninformed victim must be replaced by a more nuanced interpretation **Imperial Germany and the Great War, 1914-1918** Roger Chickering, 2014-07-10 This book explores the impact of the First World War on Imperial Germany and

examines military aspects of the conflict as well as the diplomacy politics and industrial mobilization of wartime Germany Including maps tables and illustrations it also offers a rich portrait of life on the home front the war s pervasive effects on rich and poor men and women young and old farmers and city dwellers Protestants Catholics and Jews It analyzes the growing burdens of war and the translation of hardship into political opposition The new edition incorporates the latest scholarship and expands the coverage of military action outside Europe military occupation prisoners of war and the memory of war This survey represents the most comprehensive history of Germany during the First World War It will be of interest to all students of German and European history as well as the history of war and society German Anglophobia and the Great War, 1914-1918 Matthew Stibbe,2006-06-22 This volume focuses on the extremity of anti English feeling in Germany in the early years of the Great War and on the attempt by writers propagandists and cartoonists to redefine Britain as the chief enemy of the people and their cultural heritage **Women in the War Zone** Anne Powell,2001-08-26 In our collective memory the First World War is dominated by men The sailors soldiers airmen and politicians about whom histories are written were male and the first half of the twentieth century was still a time when a woman s place was thought to be in the home It was not until the Second World War that women would start to play a major role both in the armed forces and in the factories and the fields Yet there were some women who were able to contribute to the war effort between 1914 and 1918 mostly as doctors and nurses In **Women in the War Zone** Anne Powell has selected extracts from first hand accounts of the experiences of those female medical personnel who served abroad during the First World War Covering both the Western and the Eastern Fronts from Petrograd to Basra and from Antwerp to the Dardanelles they include nursing casualties from the Battle of Ypres a young doctor put in charge of a remote hospital in Serbia and a nurse who survived a torpedo attack albeit with serious injuries Filled with stories of bravery and kindness it is a book that honours the often unsung contribution made by the female doctors and nurses who helped to alleviate some of the suffering of the First World War

Dynamic of Destruction ,2008-11-06 On 26 August 1914 the world famous university library in the Belgian town of Louvain was looted and destroyed by German troops The international community reacted in horror Holocaust at Louvain proclaimed the Daily Mail and the behaviour of the Germans at Louvain came to be seen as the beginning of a different style of war without the rules that had governed military conflict up to that point a more total war in which enemy civilians and their entire culture were now legitimate targets Yet the destruction at Louvain was simply one symbolic moment in a wider wave of cultural destruction and mass killing that swept Europe in the era of the First World War Using a wide range of examples and eye witness accounts from across Europe at this time award winning historian Alan Kramer paints a picture of an entire continent plunging into a chilling new world of mass mobilization total warfare and the celebration of nationalist or ethnic violence often directed expressly at the enemy s civilian population **The Great War in History** Jay Winter,Antoine Prost,2020-12-03 This revised and updated edition of *The Great War in History* provides the first survey of historical

interpretations of the Great War from 1914 to 2020 It demonstrates how the history of the Great War has now gone global and how the internet revolution has affected the way we understand the conflict Jay Winter and Antoine Prost assess not only diplomatic and military studies but also the social and cultural interpretations of the war across academic and popular history family history and public history including at museums on the stage on screen in art and at sites of memory They provide a fascinating case study of the practice of history and the first survey of the ways in which the Centenary deepened and deflected both public and professional interpretations of the war This will be essential reading for scholars and students in history war studies European history and international relations **Women and the Great War** A. Belzer,2010-10-11

Drawing on both wartime discourse about women and the voices of individual women living at the Italian Front Allison Belzer analyzes how women participated in the Great War and how it affected them The Great War transformed women into purveyors and recipients of a new feminine ideal that emphasized their status as national citizens Although Italian women did not gain the vote they did encounter a less empowering form of female citizenship just after the war ended with Mussolini's Fascism Because of the Great War many women seized the opportunity to participate in a society that continued to recognize them as guardians of the nation Communities under Fire Alex Dowdall,2020-04-22 Between 1914 and 1918 the Western Front passed through some of Europe's most populated and industrialised regions Large towns including Nancy Reims Arras and Lens lay at the heart of the battlefield Their civilian inhabitants endured artillery bombardment military occupation and material hardship Many fled for the safety of the French interior but others lived under fire for much of the war ensuring the Western Front remained a joint civil military space Communities under Fire explores the wartime experiences of civilians on both sides of the Western Front and uncovers how urban communities responded to the dramatic impact of industrialized war It discusses how war shaped civilians' personal and collective identities and explores how the experiences of military violence occupation and forced displacement structured the attitudes of civilians at the front towards the rest of the nation Drawing on a vast array of archival sources letters diaries and newspapers in English French and German it reveals the history of the Western Front from the perspective of its civilian inhabitants From Leningrad to Warsaw Hamburg and more recently Sarajevo and Donetsk urban violence has remained a feature of warfare in Europe turning cities into battlefields On each occasion civilian populations were at the heart of military operations and forced to adapt to life in a warzone This was also the case between 1914 and 1918 despite the myth that the First World War was predominantly a soldiers' war The civilian inhabitants of the Western Front were among the first to suffer the full impact of modern industrialized war in an urban setting Communities under Fire explains the multiple ways by which these urban residents responded to were changed by succumbed to or survived the enormous pressures of life in a warzone Ring of Steel Alexander Watson,2014-10-07 A prize winning magisterial history of World War I from the perspective of the defeated Central Powers For the Central Powers the First World War started with high hopes for an easy victory But those hopes soon deteriorated as Germany's attack on

France failed Austria Hungary's armies suffered catastrophic losses and Britain's ruthless blockade brought both nations to the brink of starvation The Central powers were trapped in the Allies ever tightening Ring of Steel In this compelling history Alexander Watson retells the war from the perspective of its losers not just the leaders in Berlin and Vienna but the people of Central Europe The war shattered their societies destroyed their states and imparted a poisonous legacy of bitterness and violence A major reevaluation of the First World War Ring of Steel is essential for anyone seeking to understand the last century of European history

Mnemosyne and Mars Manuel Bragança, Dominique Jeannerod, Peter Tame, 2014-01-13 This volume will be of interest to everyone seeking to understand the relationship between war as an historical narrative and its representation in the arts and in culture notably in literature film theatre and music More specifically it will be of the greatest interest to undergraduates postgraduates researchers and academics in a wide range of disciplines including literary studies film and drama studies music and history The Introduction by Jay Winter sets the context particularly with reference to the First World War while the Conclusion summarises the significance of the research undertaken and its value for future research This book will also have an impact on writers publishers and organizers of exhibitions museums memorial sites and monuments whose influence in the field of war and memory has been increasing steadily in recent years The imminent celebrations and commemorations pertaining to the Great War beginning in 2014 together with the imminence of the seventieth anniversary of the end of the Second World War in 2015 will provide additional stimuli to public attention in this area over the next few years

Doughboys on the Great War Edward A. Gutiérrez, 2017-01-20 It is impossible to reproduce the state of mind of the men who waged war in 1917 and 1918 Edward Coffman wrote in *The War to End All Wars* In *Doughboys on the Great War* the voices of thousands of servicemen say otherwise The majority of soldiers from the American Expeditionary Forces returned from Europe in 1919 Where many were simply asked for basic data veterans from four states Utah Minnesota Connecticut and Virginia were given questionnaires soliciting additional information and remarks Drawing on these questionnaires completed while memories were still fresh this book presents a chorus of soldiers' voices speaking directly of the expectations motivations and experiences as infantrymen on the Western Front in World War I What was it like to kill or maim German soldiers To see friends killed or maimed by the enemy To return home after experiencing such violence Again and again soldiers wrestle with questions like these putting into words what only they can tell They also reflect on why they volunteered why they fought what their training was and how ill prepared they were for what they found overseas They describe how they interacted with the civilian populations in England and France how they saw the rewards and frustrations of occupation duty when they desperately wanted to go home and perhaps most significantly what it all added up to in the end Together their responses create a vivid and nuanced group portrait of the soldiers who fought with the American Expeditionary Forces on the battlefields of Aisne Marne Argonne Forest Belleau Wood Chateau Thierry the Marne Metz Meuse Argonne St Mihiel Sedan and Verdun during the First World War The picture that emerges is often at

odds with the popular notion of the disillusioned doughboy Though hardened and harrowed by combat the veteran heard here is for the most part proud of his service service undertaken for duty honor and country In short a hundred years later the doughboy once more speaks in his own true voice Out of Line, Out of Place Rotem Kowner,Iris

Rachamimov,2022-09-15 With expert scholars and great sensitivity Out of Line Out of Place illuminates and analyzes how the proliferation of internment camps emerged as a biopolitical tool of governance Although the internment camp developed as a technology of containment control and punishment in the latter part of the nineteenth century mainly in colonial settings it became universal and global during the Great War Mass internment has long been recognized as a defining experience of World War II but it was a fundamental experience of World War I as well More than eight million soldiers became prisoners of war more than a million civilians became internees and several millions more were displaced from their homes with many placed in securitized refugee camps For the first time Out of Line Out of Place brings these different camps together in conversation Rotem Kowner and Iris Rachamimov emphasize that although there were differences among camps and varied logic of internment in individual countries there were also striking similarities in how camps operated during the Great War

Women and the First World War Susan R. Grayzel,2013-11-04 The First World War was the first modern total war one requiring the mobilisation of both civilians and combatants Particularly in Europe the main theatre of the conflict this war demanded the active participation of both men and women Women and the First World War provides an introduction to the experiences and contributions of women during this important turning point in history In addition to exploring women s relationship to the war in each of the main protagonist states the book also looks at the wide ranging effects of the war on women in Africa Asia Australia New Zealand and North America Topical in its approach the book highlights the heated public debates about women s social cultural and political roles that the war inspired their varied experiences of war women s representation in propaganda their roles in peace movements and revolutionary activity that grew out of the war the consequences of the war for women in its immediate aftermath Containing a document section providing a wide range of sources from first hand accounts a Chronology and Glossary Women and the First World War is an ideal text for students studying the First World War or the role of women in the twentieth century Instrument of War Dennis

Showalter,2016-11-17 Drawing on more than a half century of research and teaching Dennis Showalter presents a fresh perspective on the German Army during World War I Showalter surveys an army at the heart of a national identity driven by yet also defeated by warfare in the modern age which struggled to capitalize on its victories and ultimately forgot the lessons of its defeat Exploring the internal dynamics of the German Army and detailing how the soldiers coped with the many new forms of warfare Showalter shows how the army s institutions responded to and how Germany itself was changed by war Detailing the major campaigns on the Western and Eastern fronts and the forgotten war fought in the Middle East and Africa this comprehensive volume examines the army s operational strategy the complexities of campaigns of movement versus

static trench warfare and the effects of changes in warfare *Resistance* Halik Kochanski, 2022-05-24 WINNER OF THE 2023 WOLFSON HISTORY PRIZE New Yorker Best Books of 2022 This is the most comprehensive and best account of resistance I have read It addresses the story with scholarly objectivity and an absolute lack of sentimentality So much romantic twaddle is still published it is marvelous to read a study of such breadth and depth which reaches balanced judgments Max Hastings The Sunday Times UK *Resistance* is the first book of its kind a monumental history that finally integrates the many resistance movements against Nazi hegemony in Europe into a single sweeping narrative of defiance To resist therefore But how when and where There were no laws no guidelines no precedents to show the way Dutch resister Herman Friedhoff In every country that fell to the Third Reich during the Second World War from France in the west to parts of the Soviet Union in the east a resistance movement against Nazi domination emerged And every country that endured occupation created its own fiercely nationalist account of the role of homegrown resistance in its eventual liberation Halik Kochanski's panoramic prodigiously researched work is a monumental achievement the first book to strip these disparate national histories of myth and nostalgia and to integrate them into a definitive chronicle of the underground war against the Nazis Bringing to light many powerful and often little known stories *Resistance* shows how small bands of individuals took actions that could lead not merely to their own deaths but to the liquidation of their families and their entire communities As Kochanski demonstrates most who joined up were not supermen and superwomen but ordinary people drawn from all walks of life who would not have been expected least of all by themselves to become heroes of any kind Kochanski also covers the sheer variety of resistance activities from the clandestine press assistance to Allied servicemen evading capture and the provision of intelligence to the Allies to the more violent manifestations of resistance through sabotage and armed insurrection For many people resistance was not an occupation or an identity but an activity a person would deliver a cache of stolen documents to armed partisans and then seamlessly return to their normal life For Jews under Nazi rule meanwhile the stakes at every point were life and death resistance was less about national restoration than about mere survival Why resist at all Who is the real enemy What kind of future are we risking our lives for These and other questions animated those who resisted With penetrating insight Kochanski reveals that the single quality that defined resistance across borders was resilience despite the constant arrests and executions resistance movements rebuilt themselves time and time again A landmark history that will endure for decades to come *Resistance* forces every reader to ask themselves yet another question this distinct to our own times What would I have done *The Englishman's Daughter* Ben Macintyre, 2025-09-23 Never before told Ben Macintyre's *The Englishman's Daughter* is a harrowing tale of love duplicity and their tragic consequences which haunt the people of Villeret eight decades after the Great War I have a rendezvous with death at some disputed barricade Alan Seeger 1916 In the first days of World War I four soldiers left behind as the British army retreated through northern France under the first German onslaught found themselves trapped on the wrong side of the Western Front in a tiny

village called Villeret Just a few miles from the Somme the village would be permanently inundated with German troops for the next four years yet the villagers conspired to feed clothe and protect the fugitives under the very noses of the invaders absorbing the Englishmen into their homes and lives until they could pass for Picardy peasants The leader of the band Robert Digby was a striking young man who fell in love with Claire Dessenne the prettiest maid in the village In November 1915 with the guns clearly audible from the battlefield Claire gave birth to Digby s child the jealous whispering began and the conspiracy that had protected the soldiers for half the war started to unravel

The Great War Hunt Tooley, 2015-11-29

We have often heard about the brutal world of the trenches the willingness of brave young soldiers and the apparent indifference of the generals but reevaluations of the Great War in previous decades have shown us much more complexity and in many cases some surprising reconstructions of very standard narratives of the war The traditional isolation of the battle front from the home front which historians have tended to observe has given us an incomplete understanding of both fronts In this study of Word War I Hunt Tooley crosses the boundaries of national histories to examine the various connections between the 400 mile long Western Front and the home fronts of the United Kingdom France Germany Canada Australia and the United States Tooley draws on recent research and the wealth of primary souce material available to provide a broad synthesis of a complex event and to create a more holistic view of the war as men stayed in touch with those at home as governments responded to events on the battlefield and as writers poets and artists brought the cultural impulses of Europe to the deadly world of the Western Front In his clearly written wide ranging study Tooley argues that the seeds of much of the 20th century may have been planted well before the First World War but as many social critics politicians soldiers women s movement leaders and others predicted the cultivation of these seeds in war would have a powerful and formative effect on the social political and cultural processes which shaped the 20th century

Long Silence Civilian Life Under The German Occupation Of Northern France 19141918 Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Long Silence Civilian Life Under The German Occupation Of Northern France 19141918 PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek.

The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Long Silence Civilian Life Under The German Occupation Of Northern France 19141918 PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Long Silence Civilian Life Under The German Occupation Of Northern France 19141918 free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Long Silence Civilian Life Under The German Occupation Of Northern France 19141918 Books

1. Where can I buy Long Silence Civilian Life Under The German Occupation Of Northern France 19141918 books?
Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers:

Long Silence Civilian Life Under The German Occupation Of Northern France 19141918

- Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
