What went wrong with Britain? Steven Kettell, Peter Kerr, Daniela Tepe, 2025-07-22 A unflinching audit of the damage done by fourteen years of Conservative government *What went wrong with Britain* presents a comprehensive account of the devastating legacy left by the Conservative government Shining a light into every dark corner the book exposes the full extent of the damage inflicted on the country s economy social fabric and political integrity When the Conservatives were voted out of government in July 2024 they left behind a miserable record of rising poverty inequality and division This book reveals the forces that have driven the country to the point of crisis from austerity and economic mismanagement to sheer political dysfunction Each chapter offers new insights into the far reaching consequences of government policies that prioritised ideology personal ambition and party politics over the public good Examining the rise of populism the politics of Brexit the UK s response to the pandemic and the steady erosion of public trust this shocking account of the legacy of Conservative government from 2010 to 2024 is a must read for anyone who wants to understand exactly what went wrong with Britain

The Privatization of Care Pat Armstrong, Hugh Armstrong, 2019-09-25 Nursing homes are where some of the most vulnerable live and work In too many homes the conditions of work make it difficult to make care as good as it can be For the last eight years an international team from Germany Sweden Norway the UK the US and Canada have been searching for promising practices that treat residents families and staff with dignity and respect in ways that can also bring joy While we did find ideas worth sharing we also saw a disturbing trend toward privatization Privatization is the process of moving away not only from public delivery and public payment for health services but also from a commitment to shared

responsibility democratic decision making and the idea that the public sector operates according to a logic of service to all This book documents moves toward privatization in the six countries and their consequences for families staff residents and eventually us all None of the countries has escaped pressure from powerful forces in and outside government pushing for privatization in all its forms However the wide variations in the extent and nature of privatization indicate privatization is not inevitable and our research shows there are alternatives
