Longman Companion To Twentieth Century Literature:

Longman Companion to Twentieth Century Literature Alfred Charles Ward,1975-01-01 **Twentieth-Century Suspense** Clive Bloom,1990-05-01 This series aims to bring to academics students and general readers the best contemporary criticism on neglected literary and cultural areas This volume contains 17 critical essays on influential suspense writers of the 20th century **Domestic Modernism, the Interwar Novel, and E.H. Young** Chiara Briganti,Kathy Mezei,2016-12-05 Domestic Modernism the Interwar Novel and E H Young provides a valuable analytical model for reading a large body of modernist works by women who have suffered not only from a lack of critical attention but from the assumption that experimental modernist techniques are the only expression of the modern In the process of documenting the publication and reception history of E H Young s novels the authors suggest a paradigm for analyzing the situation of women writers during the interwar years Their discussion of Young in the context of both canonical and noncanonical writers challenges the generic label and literary status of the domestic novel as well as facile assumptions about popular and middlebrow fiction canon formation aesthetic value and modernity The authors also make a significant contribution to discussions of the everyday and to the burgeoning field of homeculture as they show that the fictional embodiment and inscription of home by writers such as Young Virginia Woolf Elizabeth Bowen Ivy Compton Burnett Lettice Cooper E M Delafield Stella Gibbons Storm Jameson and E Arnot Robertson epitomize the long standing symbiosis between architecture and literature or more specifically between the house and the novel *The Historical Jesus in the Twentieth Century* Walter P. Biles,Robert O. Evans,2021-09-15 In William Golding Some Critical Considerations fourteen scholars assess various aspects of the Nobel Prize winning author s writings Their essays include criticism of individual works discussion of major themes and technical considerations and bibliographical studies Separately the essays help us understand the intricacies and impact of Golding s art together they show the breadth of his purpose The Longman Companion to Victorian Fiction John Sutherland,2014-10-13 With over 900 biographical entries more than 600 novels synopsized and a wealth of background material on the publishers reviewers and readers of the age the Longman Companion to Victorian Fiction is the fullest

Muriel Spark: An Inclusive Study of her Illustrious Novels Dr. Mousumi Paul, 2023-07-13

From the Writer's Desk: I am very much grateful to the Almighty and everyone whose blessings and inspirations have motivated me to write this book. Muriel Spark was a Unique voice of the 20th Century. In this book, an attempt has been made to incorporate the feelings, emotions, disturbances, instabilities of the Man that was represented in Muriel Spark's works through her Characters. The moments, desires, fears that dwell in the mind of the character for which they are not responsible, I have tried to encompass the entire scenario by reflecting their situations in different chapters. It is seen that her novels are an experimental foray into the relationship between the author and her character through which she

is able to explore her own role as a novelist This book acknowledges the journey of the novelist who becomes more confident in writing her second novel Readers can see her journey who has accepted her life as full of meaning hall marked by design and purpose Muriel Spark a singular voice of 20th century literature a novelist poet and essayist she has style she has charm she has wit she s profound she s serious she s religious she s political and I went on my way rejoicing To have read all of Spark is an achievement in itself but also a spur to share that experience and to try to convey the impact and significance of her extensive portfolio The best way to lead a writers life is time tested and amply documented throughout history Guide to Reference Books for School Media Centers Christine Gehrt Wynar,1973 *Comparative Criticism: Volume 1, The Literary Canon* Elinor S.
