*An Evolutionist Looks at Religion* Charles Augustus Collin, 1928      **Masculinity and the Making of American Judaism** Sarah Imhoff, 2017-03-13 An examination of how early twentieth century American Jewish men experienced manhood and presented their masculinity to others How did American Jewish men experience manhood and how did they present their masculinity to others In this distinctive book Sarah Imhoff shows that the project of shaping American Jewish manhood was not just one of assimilation or exclusion Jewish manhood was neither a mirror of normative American manhood nor its negative effeminate opposite Imhoff demonstrates how early twentieth century Jews constructed a gentler less aggressive manhood drawn partly from the American pioneer spirit and immigration experience but also from Hollywood and the YMCA which required intense cultivation of a muscled male physique She contends that these models helped Jews articulate the value of an acculturated American Judaism Tapping into a rich historical literature to reveal how Jews looked at masculinity differently than Protestants or other religious groups Imhoff illuminates the particular experience of American Jewish men There is so much literature and very good scholarship on Judaism and gender but the majority of that literature reflects an interest in women A hearty thank you to Sarah Imhoff for writing the other half of the story and for doing it so elegantly Claire Elise Katz author of *Levinas and the Crisis of Humanism* Invariably lucid and engaging Sarah Imhoff provides a secure foundation for how religion shaped American masculinity and how masculinity shaped American Judaism in the early twentieth century Judith Gerson author of *By Thanksgiving We Were Americans* German Jewish Refugees and Holocaust Memory      **Jews, Myth and History** Alan Silver, 2008 *Jews Myth and History* takes a fresh wide ranging and critical look at the origins beliefs and practices of Judaism      **Religions Around the World** Encyclopaedia Britannica, Inc., 2012-04-01 Updated for 2012 and part of the Britannica Learning Library Series in Religions Around the World you will learn about the people traditions and diverse ideas that make up the many religions of the world      [How to Woo a Jew](#) Tamar Caspi, 2014-01-28 Have you been single longer than the Jews wandered the desert Or are you newly single and hoping to hook up with a hot MOT Member of the Tribe Either way Tamar Caspi is on a mission to help you find your Chosen One and who better to do that than the advice columnist from the massively popular dating site JDate com In *How to Woo a Jew* your very own Jewish Carrie Bradshaw takes you through each facet of the dating world from traditional Jewish matchmaking and mixers to modern online dating portals from honing your Jewdar to kosher sex Whatever mishegas you've made of your love life Caspi has words of wisdom and a few enlightening quizzes charts and illustrations to help you find your Jewish soul mate      **A Prophetic Look at Ethiopian Jews from a Nubian Perspective:** Queen of Sheba, 2014-10-03 This book is intriguing and will incite curiosity in the reader to explore the myths and facts as they pertain to this Holy relic Where is the Ark of the Covenant and why has it been such a controversial icon for generations Who was in possession of the Ark of the Covenant and what impact has it had on nations This Ark for so many represented the presence purpose and power of God

Jesus Paul and Aaron are having a serious talk a heated debate is taking place here on earth among Bible lovers and objective scholars Community leaders organize conferences in several towns around the country and invite spiritual leaders scientists and anthropologists to discuss the concept of creation versus evolution In the fictive world of our biblical icons more and more historic figures appear and join the circle of discussion and debate about the original biblical laws and how some laws have been changed throughout history It is being exciting Back on earth a friendly but frank dialogue on the Judeo Christian relations takes place Rabbis men of church and scientists vent their opinions about the sour and happy moments which took place during the last 2 000 years between Jews and Christians Efforts are made between both parties to clear several myths which separated the two camps throughout history While the above is taking place Moses Jesus and the others are invisible to the audience The readers of this project are led to realize that after a painful and historic confrontation between our biblical icons a somewhat positive and constructive bridge has been formed Their mutual understanding is based on the biblical commandments which are accepted by both religions Several doubts have been cleared The multiple conferences between humans ended up establishing a long list of findings thus enabling a constructive rapprochement between both religions It was concluded that despite some differences both religions could live comfortably with each other within mutual respect and mutual tolerance

**Contemporary American Judaism** Dana Evan Kaplan, 2011 No longer controlled by a handful of institutional leaders based in remote headquarters and rabbinical seminaries American Judaism is being transformed by the spiritual decisions of tens of thousands of Jews living all over the United States A pulpit rabbi and himself an American Jew Dana Evan Kaplan follows this religious individualism from its postwar suburban roots to the hippie revolution of the 1960s and the multiple postmodern identities of today From Hebrew tattooing to Jewish Buddhist meditation Kaplan describes the remaking of historical tradition in ways that channel multiple ethnic and national identities While pessimists worry about the vanishing American Jew Kaplan focuses on creative responses to contemporary spiritual trends that have made a Jewish religious renaissance possible He believes that the reorientation of American Judaism has been a bottom up process resisted by elites who have reluctantly responded to the demands of the spiritual marketplace The American Jewish denominational structure is therefore weakening at the same time that religious experimentation is rising leading to the innovative approaches supplanting existing institutions The result is an exciting transformation of what it means to be a religious American Jew in the twenty first century
