Julian Anderson Julian Anderson, Christopher Dingle, 2020 Julian Anderson is renowned internationally as one of the leading composers of his generation This substantial book of conversations with the scholar and critic Christopher Dingle captures Anderson's thoughts and memories in depth for the first time not only providing biographical information and background material but also capturing the workings of a remarkable mind It is rare to find a composer prepared to speak extensively and honestly on as broad a range of topics as Anderson These extraordinarily diverse conversations range far beyond his own compositions and even beyond the sphere of music exploring issues of broad cultural interest Buying a Piece of Paris Ellie Nielsen, 2010-01-05 Buying a Piece of Paris is a charming and witty love song to the most beautiful city in the world Paris has seduced many admirers but for Ellie Nielsen it's true love So deep is her infatuation that she'll only be satisfied with a little place to call her own The object of her desire seems so simple the sort of apartment she's seen a thousand times in magazines and movies Something effortlessly charming and quirky and old and expertly decorated Something exuding character and Parisian chic Something quintessentially French Little does she realize that the French real estate scene is not quite the dreamscape she'd imagined With two weeks to find and secure an apartment and a cursory grasp of the language Ellie embarks on a mad dash through the streets of Paris negotiating the fraught world of snobby real estate agents xenophobic bankers and perplexed Parisian naysayers Thwarted at every turn in the end it only makes her more determined to succeed With her trusty French phrasebook in hand and plucked up reserves of savoir faire Ellie undertakes the adventure of a lifetime Beauty is everywhere even if like all true romances there are many obstacles to be overcome But then c'est toujours comme a Paris Written with great verve and a superb ear for language Buying a Piece of Paris is a joy to read and a pleasure to dream about
