

Looking for the
Lost Gods of England

Kathleen Herbert

Looking For The Lost Gods Of England

Carole M. Cusack

Looking For The Lost Gods Of England:

Looking for the Lost Gods of England Kathleen Herbert, 1994 An examination of the royal genealogies charms verse and other sources in an attempt to find the names and attributes of the gods and goddesses of the early Anglo Saxons The text is a transcript of a talk given to a meeting of The English Campanions **The Lost Gods of England** Brian Branston, 1957

Mythologies , Handbook of Contemporary Paganism Murphy Pizza, James Lewis, 2008-09-30 Contemporary Paganism is a movement that is still young and establishing its identity and place on the global religious landscape The members of the movement are simultaneously growing unifying and maintaining its characteristic diversity of traditions identities and rituals The modern Pagan movement has had a restless formation period but has also been the catalyst for some of the most innovative religious expressions praxis theologies and communities As Contemporary Paganism continues to grow and mature new angles of inquiry about it have emerged and are explored in this collection This examination and study of contemporary Paganism contributes new ways to observe and examine other religions where innovations paradoxes and inconsistencies can be more accurately documented and explained *The Book of English Magic* Philip Carr-Gomm, Richard Heygate, 2010-10-14 A guide to England's rich history of magical lore and practice for readers of works like Harry Potter who have grown up a bit into wanting to know more The Hermetic Library Through experiments to try and places to visit as well as a historical exploration of magic and interviews with leading magicians The Book of English Magic will introduce you to the extraordinary world that lies beneath the surface Magic runs through the veins of English history part of daily life from the earliest Arthurian legends to Aleister Crowley to the novels of Tolkien and Philip Pullman and from the Druids to Freemasonry and beyond Richly illustrated and deeply knowledgeable this book is an invaluable source for anyone curious about magic and wizardry or for sophisticated practitioners seeking to expand their knowledge Playful and serious respectful and amused this will remain the standard work for years to come The Sunday Telegraph A magical mystery tour The Times Fabulous Daily Express Lucid and wonderfully easy to read While it is indeed a perfect book for the intelligent novice it's far more than that it's a serious in depth survey of a massive topic WitchVox An accessible and immensely readable book A fascinating insight into a hidden world Booksquawk *The Nerthus Claim* Gardenstone, 2012 Hardly any other scripture from the time of the Roman Empire of about two thousand years ago has stirred up so much excited attention as the Germania of Tacitus Only from this ethnographic essay do we know the name Nerthus a goddess who should have been venerated by seven smaller Germanic tribes Much of what the Germania tells us is meanwhile highly doubted The 1st century original no longer exists the intact copies were on their part copied from older Germania texts which were also just copies The existing copies are not identical to each other That causes many question marks which also concern this goddess Nerthus This book is an attempt to place some exclamation marks in front of that and is sometimes deliberately provocative **Pagan Portals - Odin** Morgan Daimler, 2018-03-30 Known by many names and with a wide array of

characteristics Odin is a God who many people believe is just as active in the world today as he was a thousand years ago and more A god of poetry he inspires us to create A god of magic he teaches us to find our own power A god of wisdom he challenges us to learn all we can In this book you will find some of Odin s stories and history as well as anecdotes of what it can be like to honor him in the modern world

A Companion to Beowulf Ruth A. Johnston,2005-07-30 Perhaps the most important work written in Old English Beowulf grew out of a culture very different from ours and yet its story of war violence and heroism remains relevant to modern readers Accessible to high school students general readers and undergraduates this companion overviews the poem and its legacy The initial chapters review the plot of Beowulf while later chapters discuss its style and language its cultural and historical contexts and its afterlife in contemporary popular culture The first part of the book provides information of interest to a wide range of readers while the second covers more specialized topics Thus the initial chapters review the merits of different translations and offer a detailed plot summary while later chapters discuss the poem s language and style its treatment of religion its relation to Anglo Saxon culture and its legacy in popular culture One of the greatest Beowulf scholars was J R R Tolkien and the book gives special attention to his use of the poem in his own fiction High school students undergraduates and general readers will find this book a valuable guide to one of the most challenging yet enduring works of English literature

Imagining the Pagan Past Marion Gibson,2013-02-11 Imagining the Pagan Past explores stories of Britain s pagan history These tales have been characterised by gods and fairies folklore and magic They have had an uncomfortable relationship with the scholarly world often being seen as historically dubious self indulgent romance and worse encouraging tribal and nationalistic feelings or challenging church and state This book shows how important these stories are to the history of British culture taking the reader on a lively tour from prehistory to the present From the Middle Ages to the twenty first century Marion Gibson explores the ways in which British pagan gods and goddesses have been represented in poetry novels plays chronicles scientific and scholarly writing From Geoffrey of Monmouth to Edmund Spenser William Shakespeare to Seamus Heaney and H G Wells to Naomi Mitchison it explores Romano British Celtic and Anglo Saxon deities and fictions The result is a comprehensive picture of the ways in which writers have peopled the British pagan pantheons throughout history Imagining the Pagan Past will be essential reading for all those interested in the history of paganism

The Sacred Tree Carole M. Cusack,2011-05-25 The fundamental nature of the tree as a symbol for many communities reflects the historical reality that human beings have always interacted with and depended upon trees for their survival Trees provided one of the earliest forms of shelter along with caves and the bounty of trees nuts fruits and berries gave sustenance to gatherer hunter populations This study has concentrated on the tree as sacred and significant for a particular group of societies living in the ancient and medieval eras in the geographical confines of Europe and sharing a common Indo European inheritance but sacred trees are found throughout the world in vastly different cultures and historical periods Sacred trees feature in the religious frameworks of the Ghanaian Akan Arctic Altaic

shamanic communities and in China and Japan The power of the sacred tree as a symbol is derived from the fact that trees function as homologues of both human beings and of the cosmos This study concentrates the tree as axis mundi hub or centre of the world and the tree as imago mundi picture of the world The Greeks and Romans in the ancient world and the Irish Anglo Saxons continental Germans and Scandinavians in the medieval world all understood the power of the tree and its derivative the pillar as markers of the centre Sacred trees and pillars dotted their landscapes and the territory around them derived its meaning from their presence Unfamiliar or even hostile lands could be tamed and made meaningful by the erection of a monument that replicated the sacred centre Such monuments also linked with boundaries and by extension with law and order custom and tradition The sacred tree and pillar as centre symbolized the stability of the cosmos and of society When the Pagan peoples of Europe adopted Christianity the sacred trees and pillars visible signs of the presence of the gods in the landscape were popular targets for axe wielding saints and missionaries who desired to force the conversion of the landscape as well as the people Yet Christianity had its own tree monument the cross on which Jesus Christ was crucified and which came to signify resurrected life and the conquest of eternal death for the devout As European Pagans were converted to Christianity their tree and pillar monuments were changed into Christian forms the great standing crosses of Anglo Saxon northern England played many of the same roles as Pagan sacred trees and pillars Irish and Anglo Saxons Christians often combined the image of the Tree of Life from the Garden of Eden with Christ on the cross to produce a Christian version of the tree as imago mundi

Tolkien and the Study of His Sources Jason Fisher,2011-09-07 Source criticism analysis of a writer s source material has emerged as one of the most popular approaches in exploring the work of J R R Tolkien Since Tolkien drew from many disparate sources an understanding of these sources as well as how and why he incorporated them can enhance readers appreciation This set of new essays by leading Tolkien scholars describes the theory and methodology for proper source criticism and provides practical demonstrations of the approach

Pagan Portals - Freya Morgan Daimler,2023-08-25 Morgan Daimler has gifted us with a well crafted and engaging introduction to the Goddess Freya Truly a must read for anyone interested in or already working with this powerful and intriguing Goddess Ceri Norman author of A Beginner s Guide to Ogham Divination and Faerie Stones The most popular of the Norse goddesses is the Vanic deity Freya found across the Norse myths and into modern mass media yet often obscured by contradictory tales and external moral coding Freya is an alluring deity of magic and fertility a being so important in the mythology that gods and giants fought over her yet she is never shown as a passive prize to be won only as a forceful being with agency and will of her own Who is this powerful goddess who has left such a profound mark across not only Norse culture but also wider Western culture Pagan Portals Freya is a basic introduction to the Norse Goddess Freya that covers her history mythology associations and modern appearances and offers readers suggestions for how to begin connecting to Freya in their own lives

Crispin: At the Edge of the World Avi,2025-05-01 In this riveting sequel to the Newbery Award winning Crispin The Cross of Lead the

second book in a planned trilogy Avi explores themes of war religion and family as he continues the adventures of Crispin and Bear The more I came to know of the world the more I knew I knew it not He was a nameless orphan marked for death by his masters for an unknown crime Discovering his name Crispin only intensified the mystery Then Crispin met Bear who helped him learn the secret of his full identity And in Bear the enormous red bearded juggler sometime spy and everyday philosopher Crispin also found a new father and a new world Now Crispin and Bear have set off to live their lives as free men But they don't get far before their past catches up with them Bear is being pursued by members of the secret brotherhood who believe he is an informer When Bear is badly wounded it is up to Crispin to make decisions about their future where to go whom to trust Along the way they become entangled with an extraordinary range of people each of whom affects Crispin and Bear's journey in unexpected ways To find freedom and safety they may have to travel to the edge of the world even if it means confronting death itself

Pagan Portals - Thor Morgan Daimler, 2020-03-27 Thor is an immensely popular God but also one of contradictions whose complexity is sometimes underrated Often depicted as oafish he was clever enough to outwit the dwarf Alvis All wise A god of storms and thunder he brought fertility and blessed brides at weddings and although a defender of civilization and order he usually travelled with a trickster deity Pagan Portals Thor is an introductory book that examines both history and mythology untangling older beliefs from modern pop culture *Illustrated Lexicon of Germanic Deities* Gunivortus Goos, 2022 [Runic Lore and Legend](#) Nigel Pennick, 2019-01-15 A practical guide to the Anglo Saxon Futhork and how runes were used in Old England Examines the 33 Northumbrian runes of the Anglo Saxon Futhork providing the meanings historical uses symbolism and related tree and plant spirits for each Explores geomancy divination practices the role of sacred numbers and the power of the eight airts or directions Provides a magical history of Northumbria as well as a look at the otherworldly beings who call these lands home including boggarts brownies and dragons Shows how traditional spirituality is intimately tied to the landscape and the cycle of the seasons In the early Anglo Saxon period the region of Great Britain known as Northumbria was a kingdom in its own right These lands in what is now northern England and southeast Scotland were the targets of the first Viking raids on Britain This violent influx followed by the establishment of trade routes with the Norse brought the runes to the region where they intermingled with local magical traditions and legends resulting in the development of a practical runic wisdom entirely unique to Northumbria In this guide to the Wyrdstaves or runic practices of Old Northumbria Nigel Pennick examines the thirty three runes of the Anglo Saxon Futhork and how they were used in Old England for weaving the web of Wyrd Sharing runic lore and legends from the area he explains how the Northumbrian runes are unique because they contain elements from all the cultures of the region including the Picts Britons Romans Angles Scots and Norse He illustrates how each rune in this tradition is a storehouse of ancient knowledge detailing the meanings historical uses symbolism and related tree and plant spirits for each of the thirty three runes The author describes the Northumbrian use of runes in magic and encryption and explores geomancy divination

practices the role of sacred numbers and the power of the eight airts or directions He also shows how the Northumbrian runes have a close relationship with Ogam the tree alphabet of the ancient Celts Providing a magical history of Northumbria as well as a look at the otherworldly beings who call these lands home including boggarts brownies and dragons Pennick explains how traditional spirituality is intimately tied to the landscape and the cycle of the seasons He reveals how the runic tradition is still vibrantly alive in this area and ready for us to reawaken to it *Storm Frost* P. M. Sabin Moore,2009-03-27

There exists an Anglo Saxon manuscript where we hear of an outcast wife a husband his messenger a lover and a baby Merge these tales with what we know of the royal family buried at Sutton Hoo in East Anglia including Raedwald and his brother Eni living at the end of the 6th century AD They believe in the old gods like Woden and have not yet encountered Christianity Their culture is vibrant exciting terrifying in its cruelty and uninhibited in its morality Travel from the East Anglian fenlands over northern moors to the remote Northumbrian river where the story reaches its climax Along the way discover life in a royal hall or a hovel cure wounds or inflict them share a feast or scrape a meal work fertility charms or protect your folk from evil Here is a tale of love and betrayal courage and fear Niartha the fictional heroine outcast from her people encounters hardship abuse and loss as she seeks her exiled lover her survival depends on her practical skills unexpected in a kings daughter In their desires and social lives Anglo Saxons although separated from us by fourteen hundred years are not so very alien after all **The Islands of the Blessed** Nancy Farmer,2015-08-25 Two years after their adventures in *The Land of the Silver Apples* the apprentice bard Jack and his Viking companion Thorgil confront the malevolent spirit of a vengeful mermaid and begin a quest that casts them among the fin folk of Notland **Pagan Portals - Frigg** Ryan McClain,2024-01-26 Great scholarship and personal style blend syncretic in Frigg a book which stands out as both a homage to the goddess and a guide for those seeking her Daniela Simina author of *Where Fairies Meet* Parallels between Irish and Romanian Fairy Traditions The Norse goddess Frigg is known to have influence over many roles She is a goddess of marriage and children but she is also a goddess of fate and cunning Frigg is a goddess of domestic activities and she is a goddess of healing She is a goddess of both love and peace As the Queen of Asgard Frigg tends to a court of 12 handmaidens each having their own distinct qualities This introductory book examines Frigg s history functions relationships and ways to honor her in our modern times **My Name Is Resolute** Nancy E. Turner,2014-02-18 The year is 1729 and Resolute Talbot and her siblings are captured by pirates taken from their family in Jamaica and brought to the New World Resolute and her sister are sold into slavery in New England and taught the trade of spinning and weaving When Resolute finds herself alone in Lexington Massachusetts she struggles to find her way in a society that is quick to judge a young woman without a family As the seeds of rebellion against England grow Resolute is torn between following the rules and breaking free Resolute s talent at the loom places her at the center of an incredible web of secrecy that helped drive the American Revolution

Ignite the flame of optimism with is motivational masterpiece, Fuel Your Spirit with **Looking For The Lost Gods Of England** . In a downloadable PDF format (*), this ebook is a beacon of encouragement. Download now and let the words propel you towards a brighter, more motivated tomorrow.
