Walker,2011-06-17 If there s anyone who could say I didn t sign up for this it s Texas A a true dual threat quarterback Enjoy the flavor of Southwest Louisiana and the adopted Texas swagger in his unique voice as he takes you down a one of a kind path you could never imagine possible in the modern era of college football In so doing you will uncover what may be the best amateur sports story of all time how David Walker met the greatest challenge in NCAA history **Mules And Wildcat Heads** Dean Bowling,2009-06-10 This story is about those Eastern Kentucky hills in which I grew up a story of the love and admiration for those who influenced me the most This book is a compilation of those events in my life that I either lived or was passed on to me by those around me They are told from the perspective of having experienced them or from the point of view of those who were telling them They tell of the lives of those closest to me or those who genetically passed on to me all those things that make up my character and my being I realize that it is a very much over used clich and has been written time and again but this account of life in the hills truly was The best of times and the worst of times These anecdotes cover the life of one hill boy who grew up in the head of a holler who lived life and enjoyed the ride In this story I attempt to outline the life of this particular blessed young boy who grew from a small kid who worked for his Grandfather for twenty five cents an hour attended a one room school second through seventh grade and on to a small rural high school worked his way through college by everything from sawmills to construction to pumping gas and many things in between finally finishing his career as an educator Teacher principal and assistant to the superintendent Extensive use of humor is used in relating the story and gives the reader a glimpse of the boy in many of us Even when the subject is sometimes sad or serious the author attempts to relate the point in a humorous manner The story is real the people are real the humor is real and the sadness is real It is the hope of the author that the reader will get a bird s eye view of the life of a hill boy growing up in the 50 s 60 s I believe this book will invoke memories and nostalgia of those earlier years for the reader whether you are from the city or a true Appalachian child REVIEWS Alice Welty I thoroughly enjoyed it I could not put it down Very funny I could relate to a lot of the stories Joanne Lawson I really enjoyed it A lot of people I know could definitely relate to it I laughed a lot Nonda Alexander I don t know how you are alive You did so many crazy things I thought it was very good and awfully funny Barry Welty I wish I could have read this while I was in your class I believe I could have used it to get a better grade in physics Funny Bro Tom Starks Very funny but I had one problem Having known you for only a little over a year all I could do was to picture your big adult head on that little boy s body hot rodding around in all those stories Eldon Bowling Phone message Great book I would read awhile and cry awhile then cry awhile and read awhile Russell Young I would read awhile and cry awhile It was so close to the way I grew up I loved it Jim Cantrel It was a great read I have passed it around to my friends and they really like it It has been passed around so much I hope to get it back sometime **Sacrifice** Gary Weaver,2008-03 In the year 2015 everything was difficult for everyone in The United States of America This story takes you through some scenes with a Grandfather and Grandson trying to survive in the world There is also a lot more interesting characters in this

book I think one of my favorite parts of the book is the way the old Veterans step up to bat for their country once again This book is both heartwarming and suspenseful It is meant to honor all veterans that are serving who have served and will serve in the future for the United States of American Armed Forces Could the state of America be because America has turned its back against God However because of the Americans wisdom and knowledge given to them by God America will return to its greatness This book is so interesting you will not want to put it down until you have finished reading it **Of the Earth** Kim
