**Robert R. Redfield**

## **Lord Hear My Cry Touching The Heart Of God:**

Lord, Hear My Cry Linda J. Harvey, 2004-08-01 There are times during our Christian Walk when we pray fast praise and worship only to feel abandon by God during our darkest moment our desperate need to hear from our Father Our tears unleashes the power of God to recognize the magnitude of our suffering and pain relationship with God *God Is a Strong Shelter* Johnny Turner, 2023-03-14 God Is a Strong Shelter Weathering the Storms through Reading Psalms brings faith to the center stage for believers It is a spiritual roadmap and guide that reflects the Bible for the ultimate answer and a practical biblical and theological resource for the church to take a deep dive into the Psalms The primary focus is to carefully examine the psalms for hope and protection in a world of persuasive tactics of scheming Believers are encouraged to trust God by reading what I call the Great Affirmation of faith in Ps 46 1 God is our refuge and strength an ever present help in trouble This book tells how the psalmists communicated to God amid personal encounters with enemies during turbulences of life

Prayers That Touch God's Heart Estella Holiday, 2018-04-24 The one thing we should strive for in life is to please God our heavenly Father It pleases God when we seek Him in prayer and brag about His love and affection for us God will give us Holy Ghost boldness and supernatural power to impact the world with his love when we pray Prayer can be difficult for people and this prayer book will help them to grow confidence in their personal prayer life The Promise of God as Above in Heavens so Below on Earth Joseph Sener, 2020-01-05 We are earthen vessels for the Creator God His light shines on us with the seven candlesticks of the menorah from above with star lights keeping the cross of Christ in our hearts so that what is as above is also with us below God wants us to live life in peace and to depart in fullest capacity rejecting evil He may appear slow in anger but He is rich in blessings and forgiveness We exist in creation with our souls and spirits wearing organic and inorganic matter We are most virtuous and worthy We live in matter but apart from matter with a yearning to know the Creator who does not dwell in matter With our devoted practices in religions we try to come close to adorn Him and with our rigor in science we try to discover Him His presence cannot be found upon by us from the lower three dimensions where we live on earth Our searching methodologies and equations have no meaning unless they express the thoughts of Almighty God who dwells in the higher nonmaterial seven dimensions above residing below on earth A designed predetermined time on earth is approaching steadily We will be transformed and we shall proclaim As below on earth so above in the heavens and as above in the heavens so below on earth All are one unified together integrated under the divine will of God as ONE His mysterious three dimensional universe is beyond extraordinary It is full of natural lights coming from His stars the seven bright stars of His constellations The supernatural lights of the higher seven dimensions are behind them to maintain their existence Together they make the tree of divine dimensions They all will manifest in the Millennium Age to deliver the new heavens with the new earth to initiate the New World for humanity The heavens and earth will be one under the Creator of all God in His holy triduum **Psalms, Hymns, and Spiritual Songs.
