She's always been different. Amaryllis Gibson is an unlikely debutante. She favors fact over fashion, cares not for proper conversation, and is haunted by ghostly visions which could land her in the madhouse. Marriage is definitely the last thing on Rilla's mind. But when she's caught in a compromising position with Viscount Wyburn, suddenly she finds herself betrothed. And worse, his powerful presence only increases her visions. By shedding light on the viscount's past, can Rilla gain his trust and win him round to her more unconventional traits? **Love &**
