Coates's Herd Book Henry Strafford, 1896 Louis XIV Outside In Tony Claydon, Charles-Édouard Levillain, 2016-04-22 Louis XIV the

Sun King casts a long shadow over the history of seventeenth and eighteenth century Europe Yet while he has been the subject of numerous works much of the scholarship remains firmly rooted within national frameworks and traditions Thus in France Louis is still chiefly remembered for the splendid baroque culture his reign ushered in and his political achievements in wielding together a strong centralised French state whereas in England the Netherlands and other protestant states his memory is that of an aggressive military tyrant and persecutor of non Catholics In order to try to break free of such parochial strictures this volume builds upon the approach of scholars such as Ragnhild Hatton who have attempted to situate Louis legacy within broader pan European context But where Hatton focused primarily on geo political themes Louis XIV Outside In introduces current interests in cultural history integrating aspects of artistic literary and musical themes In particular it examines the formulation and use of images of Louis XIV abroad concentrating on Louis neighbours in north west Europe This broad geographical coverage demonstrates how images of Louis XIV were moulded by the polemical needs of people far from Versailles and distorted from any French originals by the particular political and cultural circumstances of diverse nations Because the French regime s ability to control the public image of its leader was very limited the collection highlights how at least in the sphere of public presentation his power was frequently denied subverted or appropriated to very different purposes questioning the limits of his absolutism which has also been such a feature of recent work *Herdbook Containing the Pedigree of Improved Short-horn Cattle* ,1896 Vols include the Shorthorn Society s Grading register for beef Shorthorn cattle v include the society s Herd book of poll shorthorns **Clowns and Pantomimes** Maurice Willson Disher,1925
