Lotteries Alan J. Karcher,2021-09-28 Economic pressure on states in the 1980s have led a number in this country to market lotteries in an unprecedentedly aggressive manner This book was inspired by the author s experience with the New Jersey state lottery during a period of major growth Karcher examines lotteries from a historical psychological and philosophical perspective offering a reflective and cogent explanation of their popularity He looks at the fluctuating popularity of state sponsored gambling and the consequent peaking and fattening of revenues exposing the measures lottery

commissions sometimes take in order to increase revenues Self policed lottery commissions he predicts will resort to marketing abuses and increasingly prey upon the poor if they are given unbridled power to act Karcher suggests thoughtful easily implemented and constructive reforms As more state governments inevitably turn to lotteries as a way out of tax dilemmas this book will contribute to the public discourse on this important policy issue *Lottery Blues* , **Folk Music in Overdrive** Ivan Tribe,2024-01-12 Folk Music in Overdrive is a reader of music scholar Ivan Tribe s more significant published articles revised and updated from their original publication in magazines such as Bluegrass Unlimited Precious Memories Journal of Gospel Music Old Time Music and Goldenseal West Virginia Traditional Life as well as two never before published essays Tribe delivers essays on well known solo artists such as Charlie Monroe and Mac Odell country music duos like husband and wife team Joe and Stacy Isaacs or the brotherly duos of The Bailes Callahan and Goins brothers famous and lesser known sidemen such as fiddlers Tater Tate and Natchee the Indian or dobro player Speedy Krise and musical groups such as the enigmatic Coon Creek Girls This collection represents an important contribution to music studies and spans bluegrass as a genre from its beginnings to the present Originally built around interviews with these figures and their close associates these thirty nine revised articles yield new information from a variety of sources much from Bear Family boxed sets as well as counsel advice and knowledge shared by other music scholars Tribe s profiles cover musicians and bands that were bluegrass pickers and singers themselves as well as some musicians who are often characterized as traditional country musicians Some led bands for all or part of their careers while others ranked as noted sidemen or band members Others composed songs that have become popular indeed often standard fare in the bluegrass field As part of the Charles K Wolfe Music Series formed in honor of the late music scholar Folk Music in Overdrive succinctly advances traditional music scholarship and Wolfe s own love of early country and bluegrass *Modern Day Knight* Shawn Dotson,2013-05-14 In the beginning Steven Stanford had started off like any other normal kid the desire to have a place he could call his own In his back yard had grown a massive cottonwood tree larger than any other tree in the neighborhood There had been the initial complaints that allowing him to build a tree house would not only be an eyesore but would also lower property values After all kids would use anything for building materials Steven was not the average twelve year old His father Michael Stanford was the foreman for Diamond Estate Homes At age seven during the summer vacations Steven was more interested in spending his days with his father and the workers than playing ball with his friends He had been fascinated to see bare ground transformed into a beautiful house The love for the craft could be seen now as he and three friends painstakingly coated every finished piece of lumber with a durable water sealer over stained finish The work completed was nearly all conception of the idea Steven had shoveled snow and mowed lawns throughout the neighborhood so that he could purchase the materials on his own from his father and the men on the construction sites He learned the finer points of framing fishing and furnishing it without the technical details the multiple levels and handmade arched windows would not have been

possible As the boys stepped back to admire the final result Steven took notice of the crowd gathering for the last hour on the street just to the side of his yard There were parents with kids and cameras A man and woman from a news van and Vanessa the most beautiful girl in his homeroom class this year Steven couldnt believe she was actually looking at him Summoning his courage he raised his hand and smiled Expecting her to ignore him as she had done all through school but instead she smiled and waved back Unbelievably he quickly glanced over his shoulder at his buddies They were still admiring the tree house and its decks It had really been him she had waved to Guys Check it out Its Vanessa Steven said trying not to sound too excited Embarrassing him they ran to the railing and pointed right at her Holy shit Brian said Her boobs are even bigger Like youd know what to do with them Carl said giving Brian a shove More than you At least Ive seen boobs real boobs Forcing himself to look away Steven looked annoyingly at Brian Your sisters dont count Bite me dill weed Boobs are boobs Steven dismissed his claim with a wave of his hand as he turned toward the lowered gangway stairs It wasnt worth fighting over Besides Loris boobs were nothing new but Steven would never admit to having taken her for a ride in his goat cart for the chance to feel them On the ground he lost his sight of Vanessa and feared shed be gone by the time he opened the fate through the tall picket fence but immediately spotted her again just as the reporter and her cameraman intercepted on the sidewalk When he tried to skirt them The woman blocked his path Hi Im Linda Gray from channel four news Is that your tree house Yeah he answered relieved at seeing Vanessa walking toward him Its very impressive Did you build it all by yourself or did your dad help you My dad helped me with the electricity Its the law And y my friends helped too Your parents must be very proud If its all right with your folks wed like to do a story on it Would mind giving us a tour Filing his thought was the question why Jessica stood smiling broadly just a foot away from him She was so close that he could smell an intoxicating fragrance coming from her hair Could a girl smell any better than she did right now A hand in the middle of his back sent him stumbling forward causing him to bump into Vanessa Geez are you going to kiss her or stand here all day Brian asked The realization that the chest had pressed toget
