Carter,2019-06-11 How to Read a Japanese Poem offers a comprehensive approach to making sense of traditional Japanese poetry of all genres and periods Steven D Carter explains to Anglophone students the methods of composition and literary interpretation used by Japanese poets scholars and critics from ancient times to the present and adds commentary that will assist the modern reader How to Read a Japanese Poem presents readings of poems by major figures such as Saigy and Bash as well as lesser known poets with nearly two hundred examples that encompass all genres of Japanese poetry The book gives attention to well known forms such as haikai or haiku as well as ancient songs comic poems and linked verse Each chapter provides examples of a genre in chronological order followed by notes about authorship and other contextual details including the time of composition physical setting and social occasion The commentaries focus on a central feature of Japanese poetic discourse that poems are often occasional written in specific situations and are best read in light of their milieu Carter elucidates key concepts useful in examining Japanese poetics as well as the technical vocabulary of Japanese poetic discourse familiarizing students with critical terms and concepts An appendix offers succinct definitions of technical terms and essays on aesthetic ideals and devices

Kindness Sarah Conover,2010 Kindness is packed with excellent tales that will surprise and delight readers while introducing them to the diversity of religious traditions John Green Booklist Following the Buddha through his various transformations these clarified often humorous narrative journeys open the ancient masters profound and gentle teachings to persons of all ages religions races and ideological persuasions Over and over this marvelous book tells us let go of your anger your fear your greedy desire Embrace gladness Follow the path And the stories themselves simply as stories form a wondrous pageant of elephants monkeys monks and men working through foolishness toward wisdom and delight This collection of traditional Buddhist tales leads us to the kind of implicit understanding of ourselves and others that only stories can provide

Daughters of Emptiness Beata Grant,2012-06-04 Women played major roles in the history of Buddhist China but given the paucity of the remaining records their voices have all but faded In Daughters of Emptiness Beata Grant renders a great service by recovering and translating the enchanting verse by turns assertive observant devout of forty eight nuns from sixteen centuries of imperial China This selection of poems along with the brief biographical accounts that accompany them affords readers a glimpse into the extraordinary diversity and sometimes startling richness of these women s lives A sample poem for this stunning collection The sequence of seasons naturally pushes forward Suddenly I am startled by the ending of the year Lifting my eyes I catch sight of the winter crows Calling mournfully as if wanting to complain The sunlight is cold rather than gentle Spreading over the four corners like a cloud A cold wind blows fitfully in from the north Its sad whistling filling courtyards and houses Head raised I gaze in the direction of Spring But Spring pays no attention to me at all Time a galloping colt glimpsed through a crack The tap of Death at the door has its predestined time How should I not know one who has left the world And for whom floating clouds are already familiar In the garden there grows a rosary plum tree Whose sworn friendship makes it possible to endure Chan

Master Jingnuo Transactions of the Asiatic Society of Japan Asiatic Society of Japan,2012 List of transactions v 1 41 in v 41 The Oxford Encyclopedia of Women in World History Bonnie G. Smith,2008 The Encyclopedia of Women in World History captures the experiences of women throughout world history in a comprehensive 4 volume work Although there has been extensive research on women in history by region no text or reference work has comprehensively covered the role women have played throughout world history The past thirty years have seen an explosion of research and effort to present the experiences and contributions of women not only in the Western world but across the globe Historians have investigated womens daily lives in virtually every region and have researched the leadership roles women have filled across time and region They have found and demonstrated that there is virtually no historical social or demographic change in which women have not been involved and by which their lives have not been affected The Oxford Encyclopedia of Women in World History benefits greatly from these efforts and experiences and illuminates how women worldwide have influenced and been influenced by these historical social and demographic changes The Encyclopedia contains over 1 250 signed articles arranged in an A Z format for ease of use The entries cover six main areas biographies geography and history comparative culture and society including adoption abortion performing arts organizations and movements such as the Egyptian Uprising and the Paris Commune womens and gender studies and topics in world history that include slave trade globalization and disease With its rich and insightful entries by leading scholars and experts this reference work is sure to be a valued go to resource for scholars college and high school students and general readers alike **The Modern Murasaki** Rebecca L. Copeland,Melek Ortabasi,2006 The first anthology of its kind The Modern Murasaki brings the vibrancy and rich imagination of women s writing from the Meiji period to English language readers Along with traditional prose the editors have chosen and carefully translated short stories plays poetry speeches essays and personal journal entries Selected readings include writings by the public speaker Kishida Toshiko the dramatist Hasegawa Shigure the short fiction writer Shimizu Shikin the political writer Tamura Toshiko and the novelists Miyake Kaho Higuchi Ichiyo Tazawa Inabune Kitada Usurai Nogami Yaeko and Mizuno Senko The volume also includes a thorough introduction to each reading an extensive index listing historical social and literary concepts and a comprehensive guide to further research The fierce tenor and bold content of these texts refute the popular belief that women of this era were passive and silent A vital addition to courses in women s studies and Japanese literature and history The Modern Murasaki is a singular resource for students and scholars *Embracing Vulnerability* Christa Anbeek,2024-11-12 I have long argued that we should not avoid life s all encompassing fragility but rather embrace it Fragility uncertainty unpredictability dependence and porousness however difficult they often can be are sources of deep insights Disruptive experiences bring us into borderlands They make our vulnerability manifest but also reveal new perspectives and creativity Disruptive experiences knock the ground out from under your feet Who are you when nothing is as it was before Who can you become and who can help you get there In the era of climate change refugee crises

growing inequality and war an era in which prior certainties cease to be and new certainties are yet to be discovered Christa Anbeek lays out the contours of communities with a heart Precisely from our vulnerability we can seek and discover new connections Grief and Bereavement in Contemporary Society Robert A. Neimeyer,Darcy L. Harris,Howard R.

Winokuer,Gordon Thornton,2021-09-08 Grief and Bereavement in Contemporary Society is the authoritative guide to the study of and work with major themes in bereavement The classic edition includes a new preface from the lead editors discussing advances in the field since the book s initial publication The book s chapters synthesize the best of research based conceptualization and clinical wisdom across 30 of the most important topics in the field The volume s contributors come from around the world and their work reflects a level of cultural awareness of the diversity and universality of bereavement and its challenges that has rarely been approximated by other volumes This is a readable engaging and comprehensive book that shares the most important scientific and applied work on the contemporary scene with a broad international audience It s an essential addition to anyone with a serious interest in death dying and bereavement **Music Of The Sky: An**

Anthology Of Spirit Patrick Laude,2010-08-01 A collection of spiritual poetry from antiquity to the present reflecting many styles and expressions of our experience of the sacred through the medium of poetry Organized into three universal dimensions of spiritual life the awareness of suffering and death the experience of the depth of compassion and love and the knowledge of the unity of the transcendent and immanent Real Music of the Sky collects short poems from Buddhist Christian Hindu Islamic and Native American traditions Meant neither as an historical survey of spiritual poetry nor as a definitive collection of essential poems the reader may open this book at any page at any time in virtually any situation traveling or at rest The truth and beauty of these poems are certain to provide a source of inspiration for countless generations Tree Wisdom Alice Peck,2023-09-12 Discover how all trees can mirror us teach us and heal us As author

Alice Peck reflected on the maple tree in her backyard she began to notice and then study its intricacies and changes This became her regular meditation and inspiration In Tree Wisdom Alice shares what she has learnt from that maple tree and from the trees all around us Every tree tells a complete and ongoing story from its powerful taproots to the birds that alight on its fragile high branches Like us trees feel and react to their environment and communicate with us in subtle but distinct ways They evolve along a much more protracted timetable than humans Alice explores trees from four perspectives their roots wisdom and understanding their branches symbols and rituals their leaves healing and science and their seeds transformation and spirituality All of these elements show us how although they live outside us trees offer a path to our inner selves Filled with insights from botany to poetry ecology to mythology and herbalism to sacraments Tree Wisdom explores the ways these grounded yet soaring entities can steady and move us teach and transform us inspire and comfort us
