Modest Mouse Alan Goldsher, 2006-11-14 THE BEST WAY TO BECOME A ROCK STAR IS SOMETIMES THE WORST WAY TO BECOME A ROCK STAR Unruly and antagonistic the Washington State rock trio Modest Mouse would seem like one of the least likely candidates for mainstream stardom Their often brilliant live performances sometimes collapsed into utter chaos Their highly original highly off center songs ran as long as eleven minutes And their leader managed to raise eyebrows among music writers law officials and sometimes even his fans But Modest Mouse persevered They didn't compromise their original compelling musical style nor did they lighten up on the attitude They just waited for the world at large to catch up In 2004 with the release of their smash single Float On it finally happened And it was worth the wait For everybody Journalist Alan Goldsher uncovers the strange little known details of Modest Mouse's rise from DIY indie heroes to platinum selling Grammy nominated international superstars Goldsher also reveals the troubled background and fractured history of frontman Isaac Brock a charismatic cantankerous singer songwriter who has spent as much time avoiding the media as he has attempting to control it Thoroughly researched sharply funny and filled with more than thirty rare photos this unauthorized biography shows how Modest Mouse trashed the Behind the Music mold and created their own unique version of the rock n roll rags to expensive rags success story

Experiencing Alice Cooper Ian Chapman, 2018-03-12 Experiencing Alice Cooper A Listener's Companion takes a long overdue look at the music and stage act of rock music's self styled arch villain A provocateur from the very start of his career in the mid 1960s Alice Cooper aka Vince Furnier son of a lay preacher in the Church of Jesus Christ carved a unique path through five decades of rock n roll Despite a longevity that only a handful of other artists and acts can match Alice Cooper remains a difficult act and artist to pin down and categorize During the last years of the 1960s and the heydays of commercial success in the 1970s Cooper's groundbreaking theatricality calculated offensiveness and evident disregard for the conventions of rock protocols sowed confusion among his critics and evoked outrage from the public Society's watchdogs demanded his head and Cooper willingly obliged at the end of each performance with his on stage self guillotining But as youth anthem after youth anthem I'm Eighteen School's Out Elected Department of Youth rang out in his arena concerts the world over and across airwaves fans flocked to experience Cooper's unique brand of rock Critics searched for proper descriptions pantomime vaudeville retch rock Grand Guignol In 1973 Cooper headlined in Time magazine as Schlock Rock's Godzilla In Experiencing Alice Cooper A Listener's Companion Ian Chapman surveys Cooper's career through his twenty seven studio albums 1969 2017 While those who have written about Cooper have traditionally kept

their focus on the stage spectacle too little attention has been paid to Cooper's recordings Throughout Chapman argues that while Cooper may have been rock's most accomplished showman he is first and foremost a musician with his share of gold and platinum albums to vouch for his qualifications as a musical artist

The Good, the Bad and the Ugly Richard Taylor, 2024-08-01 The book takes 45 chart toppers and writes their story The music the lyrics the artists producers and writers are all discussed as well as any side or back stories to do with the single For example when and how Release Me by Engelbert Humperdinck kept Penny Lane Strawberry Fields by The Beatles off the top spot in 1967 is discussed in Chapter 4 Another example of a you could not make it up back story might be the that the writer of Grandad by Clive Dunn from 1971 and a light novelty No 1 song was also the bass player on Lou Reed's hit single Walk On The Wildside a heavy weight dose of art rock with dubious lyrics which came out in November 1972 Perhaps you could not get too more contrasting songs for Herbie Flowers to be involved in I picked 45 singles as that was the rpm speed of a typical 7 inches vinyl single in the 1960s With regard to time span I took one No 1 single per year between 1964 and 2006 that would be 43 songs and I added in two bonus tracks to make 45 This was when Top Of The Pops was running on BBC TV and seemed an appropriated year span for the book I wanted to mix up the No 1 singles not just to get the best selling or most popular song of a particular year I chose pop songs novelty songs children's songs and all time classics to have a range of mixed up No 1s This is hopefully a particular unique selling point of the book where I compare and contrast the mixed up No 1s and try to explain just how for example Mr Blobby by Mr Blobby would be an unlikely No 1 in 1993 while an all time classic Love Is All Around from Wet Wet Wet could be an obvious No 1 in 1994 Just how is it that these two songs could both be chart toppers in the same chart It is certainly a bit weird and this is something I try to explain in the book I have taken as the book title the 1968 chart topper which I write about in Chapter 5 The Good The Bad and the Ugly is indicative of the mixed up good bad or ugly range of the 45 songs which I pick I never specifically say which song is in which category That is for the reader to decide I also do not want to be rude about any song If it got to No 1 it certainly deserves respect In the Book End Outro I do a Top of the Pops No 45 to No 1 countdown as a worst to best list of my chosen songs which should promote some debate and perhaps even disagreement With that in mind despite his best attempt at coercion and bribery towards me you will be pleased to know or perhaps saddened that Mr Blobby is not my overall No 1 But what is well Read on and enjoy the book
