Louis Icart: The Complete Etchings, Revised and Expanded 5th Edition William R. Holland, Clifford P.

Catania, Nathan D. Isen, 2015-09-28 This newly expanded book on Louis Icart one of France's most well known art deco artists now includes a section on his oil paintings as well as over 512 different etchings painstakingly acquired and photographed Particular attention has been given to the early years 1911-1924 when Icart was a relatively unknown artist and his edition sizes were small With few exceptions the book contains large full color illustrations that give the reader a true representation of the full size etchings The authors clarify some of the existing confusion surrounding Icart's work explaining the variations in his signature the use of the Windmill seal and other seals and the myriad copyright notations found on his artwork The illustrations have been carefully measured and dated This is a great addition to the Icart legacy *The Etchings of Louis*

Icart S. Michael Schnessel, Mel Karmel, 1997-01-09 Artist Louis Icart's famous etchings of beautiful women are pictured here in 456 photos with critical appraisals of his techniques A family background includes personal photos of Icart's wife scenes from his home and studio and a chronological catalog of many of his etchings *The Etchings of Louis Icart* S. Modern Figurative Paintings Martin Wolpert,Jeffrey Winter,2004 The first half of the 19th Century spawned one of the most exciting concentrations of artists and artistic innovation in history The French impressionists opened the door to creative freedoms never before experienced and a community rich in artistic and intellectual talent coalesced to forever change the direction of art This book documents more than 150 artists who worked studied and exhibited in Paris between 1890 and 1950 Many of them have been completely overlooked by scholars and art historians Their work encompasses the La Belle Epoque Postimpressionist Cubist and School of Paris movements More than 375 color images of their paintings document this fabulous cultural explosion and also present a visual time capsule showing the populace at work and at play in

bars cabarets and jazz clubs even scenes of the artists own studios This book has been a labor of love many years in the making Collectors curators and historians will find it an invaluable tool for understanding the art of this period By documenting artists who have not been written about for many years the authors offer insight to their paintings which can still be acquired at equitable prices **Sotheby's Arcade Auctions** ,1993
