Northeast Louisiana: A Community of Innovations Dr. J. Woods Watson,2023-08-30 Northeast Louisiana is the home of amazingly innovative people who have risen above the challenges that would cripple less capable people Despite whatever resource deficits the locals have faced they have repeatedly shown exceptional resiliency and inexhaustible creativity As you read the inspiring stories of innovators you will notice that many of the people seem ordinary but their adaptations have improved life in extraordinary ways

A Hundred Years of Texas Waterfowl Hunting R.K. Sawyer,2024-08-05 The days are gone when seemingly limitless numbers of canvasbacks mallards and Canada geese filled the skies above the Texas coast Gone too are the days when in a single morning hunters often harvested ducks shorebirds and other waterfowl by the hundreds The hundred year period from the mid nineteenth to the mid twentieth century brought momentous changes in attitudes and game laws changes initially prompted by sportsmen who witnessed the disappearance of both the birds and their spectacular habitat These changes forever affected the state s storied hunting culture Yet as R K Sawyer discovered the rich lore and reminiscences of the era s hunters and guides who plied the marshy haunts from Beaumont to Brownsville though fading remain a colorful and essential part of the Texas outdoor heritage Gleaned from interviews with sportsmen and guides of decades past as well as meticulous research in news archives Sawyer s vivid documentation of Texas deep rooted waterfowl hunting tradition is accompanied by a superb collection of historical and modern photographs By preserving this account of a way of life and a coastal environment that have both mostly vanished A Hundred Years of Texas Waterfowl Hunting also pays tribute to the efforts of all those who fought to ensure that Texas waterfowl legacy would endure This book will aid their efforts in championing the preservation of waterfowl and wetland resources for the benefit of future generations

Louisiana Coushatta Basket Makers Linda Langley,Denise E. Bates,2021-04-21 Louisiana Coushatta Basket Makers brings together oral histories tribal records archival materials and archaeological

evidence to explore the fascinating history of the Coushatta Tribe's famed basket weavers. After settling at their present location near the town of Elton, Louisiana, in the 1880s, the Coushatta Koasati tribe developed a basket industry that bolstered the local tribal economy and became the basis for generating tourism and political mobilization. The baskets represented a material culture that distinguished the Coushattas as Indigenous people within an ethnically and racially diverse region. Tribal leaders serving as diplomats also used baskets as strategic gifts as they built political and economic allegiances throughout the twentieth century, thereby securing the Coushattas' future. Behind all these efforts were the basket makers themselves. Although a few Coushatta men assisted in the production of baskets, it was mostly women who put in the long hours to gather and process the materials, then skillfully stitch them together to produce treasures of all shapes and sizes. The art of basket making exists within a broader framework of Coushatta traditional teachings and educational practices that have persisted to the present. As they tell the story of Coushatta basket makers, Linda P. Langley and Denise E. Bates provide a better understanding of the tribe's culture and values. The weavers' own language of baskets shapes this narrative, which depicts how the tribe survived repeated hardships as weavers responded on their own terms to market demands. The work of Coushatta basket makers represents the perseverance of traditional knowledge in the form of unique and carefully crafted fine art that continues to garner greater recognition and appreciation with every successive generation. **Louisiana**

History Florence M. Jumonville, 2002-08-30 From the accounts of 18th century travelers to the interpretations of 21st century historians, Jumonville lists more than 6,800 books, chapters, articles, theses, dissertations, and government documents that describe the rich history of America's 18th state. Here are references to sources on the Louisiana Purchase, the Battle of New Orleans, Carnival, and Cajuns. Less explored topics such as the rebellion of 1768, the changing roles of women, and civic development are also covered. It is a sweeping guide to the publications that best illuminate the land, the people, and the multifaceted history of the Pelican State. Arranged according to discipline and time period, chapters cover such topics as the environment, the Civil War, and Reconstruction, social and cultural history, the people of Louisiana, local, parish, and sectional histories, and New Orleans. It also lists major historical sites and repositories of primary materials. As the only comprehensive bibliography of the secondary sources about the state, *Louisiana History* is an invaluable resource for scholars and researchers.

The Rotarian, 1976-02 Established in 1911, *The Rotarian* is the official magazine of Rotary International and is circulated worldwide. Each issue contains feature articles, columns, and departments about or of interest to Rotarians. Seventeen Nobel Prize winners and 19 Pulitzer Prize winners, from Mahatma Gandhi to Kurt Vonnegut Jr., have written for the magazine.
