Martha C. Nussbaum

Love Again:

Daring to Love Again Mary Anne Taylor, 2000 When tragedy robs Jessica Roberts of both the love of her life and her means of financial support she forms a single minded resolve to develop financial and emotional independence while never allowing herself to love so completely again She encounters a dangerous distraction from her goals however in handsome David Bennington and his three lively children Since his wife left him for a career in law David has struggled to raise his children while simultaneously running his fledgling company He has no interest in a romantic relationship especially with another high powered career woman even one as beguiling as Jessica Roberts But David s children crave both their father s strength and Jessica s gentle caring so lacking in their lives until now Can Jessica and David resolve their doubts find love and establish the nurturing environment these children so desperately need , **Love's Knowledge** Martha C. Nussbaum, 1990 This volume brings together Nussbaum s published papers on the relationship between literature and philosophy especially moral philosophy The papers many of them previously inaccessible to non specialist readers deal with such fundamental issues as the relationship between style and content in the exploration of ethical issues the nature of ethical attention and ethical knowledge and their relationship to written forms and styles and the role of the emotions in deliberation and self knowledge Nussbaum investigates and defends a conception of ethical understanding which involves emotional as well as intellectual activity and which gives a certain type of priority to the perception of particular people and situations rather than to abstract rules She argues that this ethical conception cannot be completely and appropriately stated without turning to forms of writing usually considered literary rather than philosophical It is consequently necessary to broaden our conception of moral philosophy in order to include these forms Featuring two new essays and revised versions of several previously published essays this collection attempts to articulate the relationship within such a broader ethical inquiry between literary and more abstractly theoretical elements [Catalog of Copyright Entries](#) Library of Congress. Shared Island Two Feathers,2013-09 It had been almost a year since Todd and I decided to go our separate ways It was a mutual decision to break up We had simply grown apart We still loved each other very much but we just couldn t seem to get past the differences that grew between us the last year that we were together It wasn t an easy decision for

either one of us We did however remain friends through the break up We still talked to each other all the time and in the first few months after the breakup I found it hard to talk to him and not ask if he wanted to try and work things out only because I didn't want to be alone I was learning firsthand what the word lonely really meant There were a couple of other boyfriends before Todd but I knew that they weren't going to last They had simply been someone to hang out with and have fun with someone to go out to dinner with or a movie I had no intentions of getting too serious with them like I had with Todd I had always thought that Todd was the one for me my true and everlasting soul mate He made me feel special and he didn't obsess over me or what I did I felt that I could be myself a free spirit with him He was soft and loving toward me he was protective but not overbearing He made me feel safe I knew that I didn't have to worry about anyone hurting me Todd would stand back and let things happen till he sees that I needed his help Then he would step in and take over No one messed with me while I was with Todd
