Love And Blessings The Autobiography Of Guru Nitya Chaitanya Yati By Nitya:

Love & Blessings Nitya Chaitanya (Yati) (Guru, Yati),2003 Autobiography of Hindu spiritual leader and social reformer from Kerala

The Path to the Guru Scott Teitsworth,2014-06-09 A verse by verse examination of the guide to self transformation presented in the Bhagavad Gita Reveals the scientific approach to personal development and spiritual enlightenment laid out in Krishna s advice to Arjuna Shows how the Gita prepares you to work with a guru advocating authenticity and skepticism rather than blind devotion and obedience Explores Krishna s advice on which societal limitations to reject to overcome your fears and reconnect with the suppressed parts of your inner being Drawing on his more than 40 years of in depth study of Indian Philosophy under the tutelage of his guru Nitya Chaitanya Yati author Scott Teitsworth explores the scientific approach to self transformation and spiritual enlightenment encoded in Krishna s advice to Arjuna in the Bhagavad Gita Providing a verse by verse examination of the first two chapters he reveals the Gita s lessons to prepare the seeker to meet and successfully work with a guru whether an outside teacher or the intuitive knowledge that arises from overcoming the psyche s learned limitations The author shows that the Gita does not advocate blind devotion to a guru or god but rather personal development victory over your fears and liberation of the psyche He demonstrates how Krishna s advice provides tools to guide us out of our fear based experiences to reconnect with the suppressed parts of our inner being He explains how Arjuna s doubts and confusions represent the plight of every person we are born free but gradually become bogged down by the demands of our society continuously dependent on outside authority for answers and disconnected from our true inner nature He reveals how Krishna s advice offers guidance for dealing with life s conflicts which societal limitations to reject and how to see through the polarizing notion of good versus evil to form a balanced state of mind superior to both Restoring the fearless vision of the ancient rishis who like today s scientists prized skepticism as an important technique for accessing truth Teitsworth reveals the Gita as a guide to an authentic guru disciple relationship as well as to constructing a life of significance freedom and true sovereign adulthood

Imagining Childhood, Improving

Children Catriona Ellis,2023-08-24 From as early as the 1920s state policy towards children in South India was framed through the lens of a universal ideal of modern childhood This reflected the participation of policy makers and civil society activists in global discourses of child saving and the new opportunities of governance under the constitutional reforms of 1919 Children became viewed as both objects to be saved and investments as future citizens The book considers how adults used this concept of universal childhood to conceptualise themselves as both modern and avuncular gaining authority through an appropriation of familial terms as well as the claim to modern scientific expertise Through a detailed study of education health and juvenile justice the book reveals that the implementation of policy was still informed by other markers of difference and contrasts adult intentions with the autobiographical memories of school family and peer relationships

Krishna in the Sky with Diamonds Scott Teitsworth,2012-01-25 A verse by verse examination of Arjuna s soma

experience and Krishna's psychedelic guidance in the Bhagavad Gita Explains how the Bhagavad Gita provides complete guidelines for the spiritual use of entheogens from prior mental preparations to the integration of profound visionary insights into everyday consciousness Examines Chapter XI of the Gita in detail to illuminate Arjuna's hallucinogenic experience and expose Krishna as the ultimate psychedelic guide Shows psychedelic experience to be an essential and ancient part of the path to spiritual transformation Known as a text of liberation and enlightenment and praised not only by Indians but also by prominent modern thinkers such as Aldous Huxley and Albert Einstein the Bhagavad Gita is one of the most commented upon books of all time yet one aspect has never before been examined Arjuna's psychedelic soma experience with his guru Krishna Drawing upon his many years as a student of Nitya Chaitanya Yati whose teacher was Gita scholar Nataraja Guru preeminent disciple of Narayana Guru Scott Teitsworth explains how the Bhagavad Gita through the story of the hero Arjuna and his guru Krishna provides complete guidelines for the spiritual use of entheogens from prior mental preparations to the integration of profound visionary insights into everyday consciousness Examining Chapter XI of the Bhagavad Gita verse by verse he illuminates Arjuna's complex revelatory experience and exposes Krishna's role as the ultimate spiritual guide facets of the Gita evident to anyone with psychedelic experience yet long suppressed in favor of paths to enlightenment through service or meditation He shows that psychedelics are indeed gateway drugs in that they stimulate open exploration of the mind and the meaning of life Uncovering new depths to this revered manual of spiritual instruction Teitsworth reveals psychedelic experience to be an essential and ancient path to ignite realization in the prepared student turn theory into direct experience and bring the written teachings to life

Narayana Guru Nancy Yeilding, 2019-01-21 Here is a biography of Narayana Guru which introduces him faithful to his true form as an embodiment of Wisdom Indeed it has been written by someone who has dedicated her life to the learning and teaching of this very Wisdom especially as we humans may actualize it in our lives of the here and now Although most extant biographies of the Guru were written by persons belonging to his own geographical and cultural background this one stands an exception in this respect The author of this work Nancy Yeilding belongs to and lives in a region and culture at the opposite side of the globe Yet this can be no obstacle because the Wisdom taught by the Guru is one

in essence which is life's highest aim, guide and joy irrespective of all geographical and cultural differences. I wasn't raised to become a devotee or follower. I was a black single mother who was raised by a black single mother. Education had been my path to enlightenment, pulling me up out of a chaotic childhood. With a psychology degree from UC Berkeley and a Ph D in Education from UCLA, I spent 20 years in the ashram of higher education. Although I had studied God, I was completely unprepared for contacting God the way I did through this famous and powerful spiritual leader and world figure who has over twenty million followers. Intellectual pursuits became irrelevant as I was consumed by an extraordinary relationship with a man who could read my mind and make his thoughts my own. Unbelievable spiritual powers opened within me. I became able to see, hear and connect to the Divine at will. The unveiling of these powers was a continual source of surprise to me as they expanded my consciousness of this world. But all of this transcendence occurred against a backdrop of heartache. Although he and I were living out this ancient love inside one of the largest spiritual organizations in the world, we were also just a man and a woman. **Phênhil**, 2017
