Nicole Treadwell,2009-03-16 Nicole Treadwell has a secret If she reveals it she will surely die Of course she knows it s true because certain death is what he promised her after the incident in the deep woods years ago Her fate ever in his hands keeping the secret guts her on the inside as she struggles to make ends meet serving as a law clerk to a dangerously ambitious judge in the Nation s Capitol with secrets of her own Nicole is tired exhausted toying with thoughts she s afraid to own of letting life go Her life is unraveling her sound mind frayed At the end of herself she knows she can t save herself but who can Worse does she want to

be saved A swift reply to both questions comes in the way of a still small voice at an unlikely time that ushers her onto a path few dare to tread or openly discuss In contrast Nicole s former law school chum and classmate Timothy Grue is a hotshot private attorney who blazes notorious trails in and out of the courtroom Both handsome and brash owing to his kinship with privilege and social standing of a fine Philadelphia family he seems to have the world on a string every creature comfort easily within his reach including an overabundance of company from the fairer sex Despite his privilege and pedigree Tim later learns that it came at a very high price By a stroke of legal fortune or misfortune their paths collide professionally as Tim is handpicked to represent an A List Hollywood client in a lawsuit over which Nicole s boss is the presiding judge Not so secretly the judge relishes the prospect of having her fifteen seconds of fame before the world press Her staff knows that the attention from the paparazzi may prove to be her professional undoing and theirs Her job potentially on the line Nicole contacts Tim Grue for a clandestine meeting of the minds but will Tim take the bait and sign on to Nicole s harmless solution Their former friendship on course to self ignite or implode sets in motion a chain of events that blast open the door to Nicole s secret past and their bitter sweet history and where crises of identity spirituality and morality intersect conflicting issues of race and class deepen already murky waters as Nicole is black and Timothy is white Yet as between the two they want to know why race is still an issue at all On the road from hell to higher ground both learn that anything worth having is always tried by fires of a faith that asks simply what do you really believe And more can redemption ever come too late **Fool the World** Josh Frank, Caryn Ganz, 2006-03-21 It s the 1980s and the rock landscape is littered with massive hair synthesizers and monster riffs but there is an alternative being born in the sleepy East of America we just don t know it yet Before the Internet MTV and iPods provided far off music fans with information and communities and before Nirvana kids across the world grew up in relative isolation dependent on mix tapes and self created art to slowly spread scenes and trends It was under these conditions that four young musicians found one another in Boston Massachusetts and started a band called Pixies During their initial seven year career Pixies would play some of Europe s most gigantic festivals keep the press guessing and cultivate a fervid international fan base hungry for more and more of their unique surf punk The band worked fast cranking out four albums at a breakneck pace but ultimately pressures and personality clashes took their toll Pixies broke up just as bands were singing their praises as the rock n roll innovators For twelve years a Pixies reunion seemed impossible but a sudden announcement in 2004 proclaimed the unthinkable Pixies were getting back together Their extremely successful reunion tour finally gave the group something they d always lacked in their homeland proof that their bone rattling music had left an indelible impact Fool the World tells Pixies story in the words of those who lived it from the band members to studio owners from A R executives producers and visual artists who worked with them to admirers of their music such as Bono PJ Harvey Beck and Perry Farrell With new cartoons by Trompe Le Monde illustrator Steven Appleby Fool the World is a complete journey through the life death and rebirth of one of the most influential bands of all time **My**

Vampire Mate Pixie Chica, 2021-02-24 Rylie I'm in love with my best friend. I know but hear me out. It's not one of those girls meets girl and is friend-zoned because she's too chickenshit to admit her feelings. It's a little okay, a lot more complicated than that. She's a vampire, they get one mate, and I'm not hers. Confessing my feelings will just make it awkward. Instead, I'll pine for the gorgeous Nic while doing absolutely nothing about it. Nicoletta. There are two sides to every story. You'll just have to read the book to know mine. I didn't keep it a secret for a whole year just to blurt it out on here now, did I? If it's any consolation, I promise it's a HEA.

Perfect Kind of Trouble Chelsea Fine, 2014-06-17 Sometimes when perfect falls apart, a little trouble fixes everything. Twenty-one-year-old Kayla Turner has lost everything. After spending most of her life taking care of her ailing mother, she just wants to spot a glimmer of light at the end of the tunnel. So when her late father, a man she barely knew, leaves her an inheritance, she finally breathes a sigh of relief until she learns the inheritance comes with strings. Strings in the form of handsome playboy Daren Ackwood, her father's protégé. To see any of her inheritance, she's forced to team up with him. From his expensive car to those sexy dimples, Kayla's seen his type before. But Daren isn't who he seems to be. Struggling to make amends for his family's mistakes, Daren has a life more *Oliver Twist* than *Richie Rich* these days. He's beyond grateful that James Turner included him in his will, but working with Turner's princess of a daughter to fulfill his cryptic last wish is making Daren wonder if being broke is really so bad. Still, she's just as beautiful as she is stubborn, and the more time he spends with Kayla, the less it feels right being without her. Soon Daren and Kayla begin to wonder if maybe the best gift Kayla's dad could have left them was each other.

Praise for Best Kind of Broken By turns humorous and heartbreaking, *Best Kind of Broken* has become one of my favorites. Cora Carmack, New York Times bestselling author. You'll fall for Pixie and Levi just like I did. Jennifer L. Armentrout, J. Lynn, 1. New York Times bestselling author. Tangled with friendship, history, and heartbreak, not to mention a huge dose of humor, Chelsea Fine's New Adult novel is not to be missed. Beyond an incredibly HOT read, Pixie and Levi's longing for each other will have you rooting for them till the very end. Jay Crownover, New York Times bestselling author. Chelsea Fine's style is witty, visceral, and fresh. All I wanted to do was crawl inside this book and live with the characters. Chelsea M. Cameron, New York Times bestselling author.
