Life'S Trail D. Russell Walker,2015-02-21 For more years than most of todays population could possibly recall I had been writing poems about my family my own true adventure stories and just about anything of interest to me which has been just about anything I had catalogued shelved boxed and stored material throughout the years all the while that I had been experiencing the many facets of my more varied than some life From the time that I was a little farm kid the workings of nature and its wild faces had held intrigue to my mind Consequently by the time that I became old and bold enough to begin my own quest of adventure I just plainly let it happen Any opportunity to explore life and of things not yet known to me became open season for my whims In those early years I had managed to scribble down numerous discoveries that evolved as I waded through lifes happenings Eventually I had accumulated many written utterances and at first kept them in piles and eventually files Through the urgings of family and friends it has come to the point of sharing my writings of adventurous ramblings with others But where should I start The grab bag of writings that I have dealt from for this first widely published volume of mine which I had decided to name Down Lifes Trail for in many ways it does reflect selections written by myself along the bumpy road of life At the age of twenty two I had started out on my own after schooling for the profession as a photographer This required traveling many miles first within Maine then to other locations across the country and involving aerial photos along with all others I had recorded and kept records of many of the special locations that I had flown over or photographed both in writings and photos Now has come the time for me to pursue the publishing of some of my collections I had promised to my local audience that had been reading my work over the years that I would indeed take a shot at

publishing a book of poetry My decision right or wrong is now to begin my offerings with this aptly named volume of Down

 2018 through March 2020 This book not only details my journey to a place of peace and faith in God but chronicles some of
 the hardships I had victory over in the process This book shows how I am a living testimony and not tested and moaning I did
 not run and tell what my children and I endured to social media sites and you still may not capture the wrongs of others in
 this book That is not the purpose There are books movies and television shows showing how womenaEURwho have been
 rejected and left to carry the family after infidelity rocks their worldaEURreact This book gives another option It is not
 popular and not easy however with determination and being fully reliant on God all things are possible And oh yeah it all
