crazy we dare you to read this book It will revolutionize your marriage Visions of Agapé Craig A. Boyd, 2017-03-02 This book brings together philosophical and theological perspectives on agapistic love The aim of the text is to illuminate the nature of unlimited love by distinct and integrative approaches to the intersection of the divine and the human Various scientific approaches to human forms of love seem to shed light on our nature as social beings But to what extent are the natural desires for affection sexual love and friendship augmented revised perfected or replaced by the gift of grace In other words we can ask how is it that agap modifies or shapes the natural loves Diverse theological and moral traditions address the question in quite startling contrast Thomists follow the dictum that Grace does not destroy nature but perfects it Lutherans draw a sharp contrast between law and Gospel while Wesleyans see charity as the sanctifying power of the Holy Spirit Some feminist theorists see the idea of self giving love as contrary to genuine self fulfilment while the neo Kantians see love as a duty to others and some Kierkegaardians see the command to love as an unusual manifestation of divine command ethics These diverse approaches in light of contemporary research in the natural and social sciences can provide fertile ground for the exploration of the intersection of human and divine love To date there is no text available that brings scholars from various theological and philosophical backgrounds together to engage in interdisciplinary dialogue on this important and much neglected aspect of research into the human and divine loves This book offers a significant attempt to remedy the situation **Common Grace (Volume 2)** Abraham Kuyper, 2019-04-17 Common Grace is often considered Abraham Kuyper s crowning work an exploration of how God expresses grace even to the unsaved Kuyper firmly believed that though many people in the world will remain unconverted God s grace is still shown to the world as a whole The second volume of Common Grace contains Kuyper s doctrinal exploration of the impact and implications of this aspect of Reformed theology Never before published in English this translation of Common Grace is now available as part of a 12 volume series of Kuyper s most important writings on public theology Created in partnership with the Kuyper Translation Society and the Acton Institute the Abraham Kuyper Collected Works in Public Theology will deepen and enrich the church s understanding of public theology in today s world *Whom the Manger Holds* Shelly Hess, 2012-05 King of kings Redeemer Restorer Messiah Savior I believe that is how the shepherds and the magi would have described Jesus How do you see the One the manger held The Messiah was a Gift that they had waited for that only God could give them Do you have gifts on your list this Christmas that only God can give you This bible study was written based on the experiences of the author and teaches about the gifts of God s Son This is a study for both men and women old and young It can be done individually or in a small group setting No matter where you are in your walk with God today this study will provide opportunities for growth It is a study for anyone who desires greater understanding stronger belief in the Truth no matter the circumstances increased depth in a relationship with Jesus and the joy of finding hope in Christ This Christmas unwrap the gifts of God s Son with this study SHELLY HESS is a Kindergarten Teacher and is the President and Owner of Learning Tower LLC A part of the Aglow International ministry

Almighty Matters Nicholas Berry,2016-01-01 Almighty Matters God s Politics in the Bible explores the underlying politics of the Hebrew and Christian Bibles by uncovering their political theological connection in a single story line The politics of the New Testament completes the politics of the Old Although it has long been recognized that the Hebrew Bible prominently portrays the political development of God s Chosen People the role of Jesus as a politician the founder of a movement aimed from its beginning at subverting and capturing the Roman Empire has not been recognized Putting the Hebrew and Christian Bibles political approach foremost shows why so much of it is hidden and why until recently Jewish Christian relations have been contrary to God s design

The Grace of Christ, Third Edition Eric Roessing,2023-09-28 The purpose of this book is to communicate as clearly as possible Paul s gospel of God in its depth from what I have learned over five decades of studying Paul s letters and theology But regardless of how much I have gained from teachers past and present the bottom line is that the things freely given us by God in Paul s gospel can only be known by the Spirit of God through comparing Paul s Spirit taught words with Spirit taught words 1 Cor 2 12 13 Luther s grasp of how justification in Christ and thus faith in Christ is central is verified by what Paul says in Rom 1 16 17 that in the gospel God s saving righteousness is revealed from Christ s faith to our faith The message of this book can be summed up as follows The life of the person in Christ is to be one of trust in Christ for righteousness before God and through that faith obedience to Christ as Lord This life is possible because Christ believers have died with Christ to the lordship of the Sin and the law and are alive to God in Christ Jesus owned by him as Lord being one spirit with him

Agents of Grace Daniel Darling, 2023-05-09 Political division Racial tension Vaccine wars In Agents of Grace award winning writer journalist and podcast host Daniel Darling equips us to discern what's worth fighting for how to move beyond our profound disagreements and how to live as agents of Jesus's love When Daniel Darling was fired as spokesperson for the National Religious Broadcasters Association it wasn't his exit that made national news it was the way he handled it Daniel's charitable response to those he had worked with was so radical that it made headlines But why has kindness among Christians become so startling In Agents of Grace Daniel explores practical ways we can follow the Bible's command to strive actively for peace even in a painfully divided church country and world On a very personal level he helps us climb out of cynicism about how the people of God treat each other especially when we are trying to heal from such pain in our own lives Beautifully written Agents of Grace draws on modern day examples and biblical truths to address Divisions that keep us from obeying Jesus's command to love one another Virtues that will lead us to a peace filled life The theological differences that are worth fighting for and those that are not How to avoid apathy and heal from past hurt even amid hypocrisy and corruption The difference between forgiveness reconciliation and trust In this hope filled book Daniel issues a clarion call to live as bridgebuilders in a divided country healers in a hurting church and countercultural Jesus followers in a world that needs to know God's love

An Exposition of the New Testament, etc John GILL (D.D., Baptist Minister, at Horsley Down.), 1809 Songs in the Night Michael A. Milton, 2024-10-18 Always preach to broken hearts and you will never lack for a congregation an old saying

goes And for that reason this book is for everyone because there are many many things that break our hearts Sicknesses spiritual depression disabilities painful memories strained relationships all of these weigh on Christians hearts at one time or another And even when our hearts feel light there is a longing that runs through us a crying of the soul for eternity for a new heavens and a new earth Yet even in the midst of our heartache we know there is a faith that comes from Jesus Christ that not only encourages us through our pain but can even transform our pain as long as we let it And here is a collection of warm pastoral messages filled with personal illustration that does just that helps the brokenhearted Christian to locate the God of all comfort in the center of all pain We are not left there either Mike Milton takes us a step further to see how the gospel actually transforms our private pain into personal praise So read and discover how God uses the things that seek to destroy us to become the very things that bring us salvation bring us hope bring us to prayer bring us together and ultimately bring us to heaven
