Love Birds:

The Lovebird Pamela Leis Higdon, 2007-08-27 This is our seventh set of Happy Healthy Pet titles Like the others they are books pet owners can turn to for the essential information they need to raise a healthy happy pet All books contain information on feeding grooming housing health care what to expect from the pet basic training As our series expands and focuses on different kinds of pets the emphasis remains on making the pet a companion Owners of more unusual pets will particularly appreciate the expert advice in these books because professional care for exotic animals can be hard to come by As always the instruction on the books is from experts people who know their pets intimately but always remember what it was like to have one the first time Happy Healthy Pet guides are rich with professional quality color photos and are designed to be enjoyable and easy to learn from

Lovebirds. Lovebirds As Pets. Lovebird Keeping, Pros and Cons, Care, Housing, Diet and Health Roger Rodendale, 2016-03-31 Lovebirds make the most wonderful pets It can be great fun to have a lovely pair of birds at home chirping and playing The reason why lovebirds are so popular is the fact that they are extremely active and entertaining creatures They are also the smallest parrots in the world originating from Africa But don't let their tiny exterior fool you These birds are a lot of work and it takes a very patient person to own and raise lovebirds If you are considering bringing lovebirds home then this is the perfect book for you The book contains all the information that you need on Choosing lovebirds Preparing your family for a new pet Preparing your home for a bird Dealing with your bird and other pets Feeding your birds Grooming your lovebirds Finding a good vet for your lovebird Ensuring proper healthcare Bonding and training your lovebird Costs of raising a lovebird After reading this book you will be able to decide if you can really afford to spend that much time and money on your birds You see lovebirds are extremely intelligent creatures that require a lot of mental stimulation and play On your part it means that you have to make time for the bird These birds are extremely attached to their owners and find it very hard to cope with their absences Sometimes they may even go into severe depression if they feel neglected and unloved The ideas presented in this book are derived from personal experiences and the experiences of other lovebird owners Therefore the ideas are all practical and easy to follow for even a novice in the world of bird care For beginners this book is almost like a step by step guide to learning about your lovebird The purpose of this book is to ensure that you are not caught off guard in any situation There is also a list of popular websites that you can refer to in the future if you are faced with any unique situation If you have decided to bring home a lovebird then you are in for a whole world of joy excitement
