beautiful so is love beautiful even more so for the Creator is more beautiful than the thing He has created All things that we make are the work of our hands We are their creator and we are greater than our hands So it is with love Love is greater than beauty because love is the creator of the beauty that love loves in its life No doubt by loving love becomes limited limited as beauty but then that is the purpose of love If there were no beauty His love could not have realized the latent joy of its own nature The joy of its existence would die out As soon as we can think in this way we come to see that the lover is vaster incomparably vaster than the object he loves The real love the real beauty is in the lover The object that he loves is much smaller although for the moment the lover is not aware of the difference The lover thinks You are the object before which I bow You are the object of which I think day and night before which I am helpless You are the object that I admire that I adore Yet he does not realize the vastness of his love and indeed strictly speaking love is vaster than the lover The Whole Works of the Rev. Nicholas Love's Mirror and Late Medieval Devotio-Literary Culture David J. Falls,2016-03-31 Surviving in 59 complete manuscript versions few English texts of the late medieval period seem to have achieved the popularity of Nicholas Love s fifteenth century translation and adaptation of the Latin *Meditationes Vitae Christi* The Mirror of the Blessed Life of Jesus Christ The Mirror has received surprisingly little scholarly attention and is often contextualized in terms of its role in the theological conflict between English ecclesiastical orthodoxy and the teachings of heresiarch John Wycliff David Falls presents a new account of the text s history which de centralises but does not disregard the influence of the Wycliffite controversy Falls interrogates preconceptions and investigates new possibilities for understanding the composition circulation function and use of Love s Mirror by examining both the textual modifications and additions made by Love in his adaptation of the Latin and places these alterations in context by examining individual copies of the Mirror The manuscript copies are read as both sites of literary consumption and nexuses of textual transition demonstrating that it was Love s ability to inscribe his work with functional diversity which explains the Mirror s popularity This book presents a nuanced picture not only of the Mirror s production circulation and function but also the dynamic and flourishing devotio literary culture of late medieval England in which Love s text operated Seasons of the Christian Life Robert Cummings Neville,2016-07-04 Once liberal Christianity was preached in ways that defined it in the public eye Now Christianity is identified almost exclusively with its conservative expressions Seasons of the Christian Life presents a series of sermons articulating a liberal Christianity over against its conservative neighbors They were preached at the University Church Marsh Chapel at Boston University save for one preached in Memorial Church at Harvard during the 2004 2005 academic year when President George W Bush was reelected and the country was at war in Iraq and Afghanistan and at war with terrorists wherever they could be imagined The sermons follow the Revised Common Lectionary and focus on biblical interpretation as it is applied to the then current spiritual cultural social and political situation The author is a professor of theology and at the time was Dean of

faith Luther's prefaces to his own writings contain personal reflections on his reforming work Also in this volume are his commentary on The Magnificat selected letters and shorter pieces that display his pastoral responses to particular situations Sermon on Preparing to Die Whether One May Flee from a Deadly Plague and Comfort for Women Who Have Had a Miscarriage Each volume in The Annotated Luther series contains new introductions annotations illustrations and notes to help shed light on Luther's context and interpret his writings for today The translations of Luther's writings include updates of Luther's Works American Edition or entirely new translations of Luther's German or Latin writings Inspirations Michael LaMagna,2018-04-10 Have you ever found yourself wondering if there was any more to this life Have you ever questioned God's plan for you your purpose or destiny Of course you have When I asked those questions the answer that I was given threw me for a loop The answer was so unexpected and out of my comfort zone that I spent many years wondering if I had heard the correct answer Our main purpose is to worship and glorify God God inspired me to glorify Him in this manner Inspirations is a book that started as a simple exercise in expressing thoughts not necessarily meant to be shared but as a vehicle to let new emotions and new ideals flow from my heart When I began this journey I was both new to poetry and a brand new Christian I had never had the desire to write nor had any idea how far the process of writing would take me It was several years of expression through writing and sharing with others before I realized I had the beginnings of a book Even then I had no concept of the height depth and width of this project or how far God could take me in such an uncomfortable and untenable position All forms of art are born out of some manner of inspiration This collection of poetry has had its share of unusual types of inspiration from cartoons and movies to other authors and people in my everyday life even situations in which I found myself that would show the glory and majesty of our Lord The subject matter of all these poems while most are individually inspired can be separated into two categories either confession or revelation There is truth within these pages truth about my life and I would be willing to guess at least some truth about your life as well My prayer is that the words within these pages would first serve to glorify God and second serve to inspire you to do something perhaps outside of your comfort zone so that you will rely on God's strength and knowledge Let us remain humble by getting out of our own way and letting Jesus shine through us **English Couplets** M.R.
