Notre Dame H.S.

Mark Mathabane, author of the bestseller *Kaffir Boy* in America, grew up fearing and hating whites in a South African ghetto. Gail spent the first ten years of her life in lily-white communities in Ohio, and feared the people her Texas girlfriends casually called "niggers."

The two never dreamed of marrying outside their races. As many Americans gave up on the racial ideal of an integrated society, and two segregated, opposed, and hostile camps emerged — one black, one white — Mark and Gail fell in love.

Love in Black and White is the dramatic, revealing, and riveting story of how they overcame their own prejudices, society's disapproval, family opposition, and personal self-doubts to be together. Woven into their intimate account of falling in love, getting married, and raising children in the fishbowl of an interracial relationship are the beautiful, complex, and heartrending stories of other interracial couples in America and South Africa.

"A personal and candid account of what it means to break an intransigent taboo — and a heartwarming affirmation of love and commitment." — *Kirkus Reviews*

"Intriguingly structured with alternate accounts by husband and wife, *Love in Black and White* is a hymn of praise to the power of love in the face of deeply felt societal prejudices.... Highly recommended." — *Library Journal*

"The Mathabanes write well of the sweet, nervous first days of their love, and they don't flinch from the bad stuff.... As [they] show, all it takes is love, and defending yourself at nearly every turn." — *front page, Washington Post Book World*

"The honesty that is deeply rooted in every paragraph makes this book a moving one." — *Newsweek*

MARK AND GAIL MATHABANE live in Kennerlyville, North Carolina, with their two children, Bianca and Nathan. Mark is a much-sought-after lecturer on race relations and South Africa, where his family remains.

Navigating Interracial Borders Erica Chito Childs, 2005-05-24 One of the best books written about interracial relationships to date Childs offers a sophisticated and insightful analysis of the social and ideological context of black white interracial relationships Heather Dalmage author Tripping on the Color Line A pioneering project that thoroughly analyzes interracial marriage in contemporary America Eduardo Bonilla Silva author of Racism without Racists Color Blind Racism and the Persistence of Racial Inequality in the United States Is love color blind or at least becoming increasingly so Today s popular rhetoric and evidence of more interracial couples than ever might suggest that it is But is it the idea of racially mixed relationships that we are growing to accept or is it the reality What is the actual experience of individuals in these partnerships as they navigate their way through public spheres and intermingle in small close knit communities In Navigating Interracial Borders Erica Chito Childs explores the social worlds of black white interracial couples and examines the ways that collective attitudes shape private relationships Drawing on personal accounts in depth interviews focus group responses and cultural analysis of media sources she provides compelling evidence that sizable opposition still exists toward black white unions Disapproval is merely being expressed in more subtle color blind terms Childs reveals that frequently the same individuals who attest in surveys that they approve of interracial dating will also list various reasons why they and their families wouldn t shouldn t and couldn t marry someone of another race Even college students who are heralded as racially tolerant and open minded do not view interracial

couples as acceptable when those partnerships move beyond the point of casual dating Popular films Internet images and pornography also continue to reinforce the idea that sexual relations between blacks and whites are deviant Well researched candidly written and enriched with personal narratives *Navigating Interracial Borders* offers important new insights into the still fraught racial hierarchies of contemporary society in the United States *Women's Studies Index* ,1996

Conjugality H. Brook,2016-01-18 *Conjugal Rites* explores the legal shape of marriage as it has been determined by countless decisions concerning entry and exit into the ancient rite Heather Brook examines the countless rules and protocols governing marriage that make it valid in the eyes of the law She argues that the various sexual performatives associated with marriage can establish reinforce or rupture conjugal unity while exploring the historical and political regulations and prohibitions marriage has faced Brook unites past and present public and private to investigate the changing meanings and effects of conjugality and challenge the way we think about sex gender and relationships *In the Name of Hate* Barbara Perry,2002-05-03 *In The Name of Hate* is the first book to offer a comprehensive theory of hate crimes arguing for an expansion of the legal definitions that most states in the U S hold Barbara Perry provides an historical understanding of hate crimes and provocatively argues that hate crimes are not an aberration of current society but rather a by product of a society still grappling with inequality difference fear and hate
