Love Is A Feast:

The Love-Feast: a Poem. By the Author of The Saints, Etc, 1778 *Love is a Feast* Sylvia Bourdon, 1977 **The Great Love-feast in Heaven** Love-Feast, Methodist Minister, Henry Harris, 1867 American Methodist Worship Karen B. Westerfield Tucker, 2011-04-27 This book offers a comprehensive examination of Methodist practice tracing its evolution from the earliest days up to the present Using liturgical texts as well as written accounts in popular and private sources Karen Westerfield Tucker investigates the various rites and seasons of worship in Methodism and examines them in relation to American society **Recovering the Love Feast** Paul Fike Stutzman, 2011-01-01 What is a Love Feast How did the early church celebrate the Love Feast How might Christians today celebrate the Love Feast In *Recovering the Love Feast* Paul Stutzman addresses these questions offering a unique blend of liturgical history and practical theology Part I outlines the history of the Love Feast noting its prevalence in early church worship its gradual decline and its reemergence in the practices of several Pietist groups e g the Moravians Methodists and Brethren Particular focus is given to five elements of the celebration that is eucharistic preparation footwashing the fellowship meal the holy kiss and the Eucharist proper In Part II Stutzman argues that the Love Feast is a valuable Christian practice and a celebration worth recovering in those traditions that may have forgotten the feast Rather than prescribing a specific method for celebrating the Love Feast Stutzman proposes that there are five key disciplines that today's Love Feasts should embody submission love confession reconciliation and thanksgiving This book encourages Christians from a range of traditions to experiment with reclaiming the Love Feast with the hope that each celebration serves as an act of worship to God and an authentic expression of Christian discipleship

Plain Women Margaret C. Reynolds, Simon J. Bronner, 2001 Despite the great interest in plain groups in recent years comparatively little has been written about women and the particular role they play in preserving traditional religious and cultural values in the modern world In *Plain Women* Margaret C Reynolds portrays the women of the Old Order River Brethren a significant branch of the Brethren in Christ located mainly in Pennsylvania The members of this conservative offshoot of the Brethren are often confused with the Amish because of their plain attire but unlike the Amish they have made some notable concessions to the modern world including the use of automobiles computers and home appliances Noting these accommodations to modern American life Reynolds examines the ceremonies and traditions that allow the Old Order River Brethren to remain separate from other plain groups and from contemporary mass culture She describes for example the love feast communion a service that involves footwashing and a breadmaking ritual one unique to the Old Order River Brethren and solely performed by women Reynolds focuses in particular on the gendered customs of dress hair and domesticity that shape women's lives and in so doing preserve the minority faith itself *Plain Women* is the first volume in the new Pennsylvania German History and Culture Series published in cooperation with the Pennsylvania German Society This

series is a continuation of the Society's annual volumes on Pennsylvania German scholarship in disciplines such as history religion folklore literature and arts **The Philosophy of the Living Fire (Love, God)** R. Swinburne Clymer, 1996-09 1906 Rosicrucian 32 Mason the aim of all true Initiation no matter what the name of the fraternity may be is to know the nature of the Secret Fire that regenerates the world and which renders him who comes into its possession immortal Al philos

William Wordsworth and the Hermeneutics of Incarnation David P. Haney, 2010-11-01 **The Theory and Practice of Extended Communion** Phillip Tovey, 2016-02-24 Three churches have recently produced liturgies for extended communion This is the distribution of previously consecrated elements at a public service by lay people or a deacon in the absence of a priest This development began in the Roman Catholic Church with the Vatican Directory on Sunday Worship in the absence of a priest in 1988 The Methodist Church produced a service of Extended Communion in 1999 and the Church of England authorized Public Worship with Communion by Extension in 2001 In this book Phillip Tovey examines these churches to discover the reasons for the production of these services and their theological rationale An in depth examination of case studies draws conclusions highly relevant to the wider church Indebted Love Monya A. Stubbs, 2013-10-09 For Paul the gospel message is simple yet profound Be subject to God But subjection for Paul means recognizing that the gift of God to one is the capacity to acknowledge and appreciate the gift of God in another Paul argues that God's reconciling work in the world is manifest through the process of all people Jews and Gentiles understanding themselves in a mutually indebted relationship with each other The power of the gospel according to Paul empowers these groups to function out of a mutually indebted mindset and enables them to discern and demonstrate the good perfect and acceptable will of God In establishing his argument Paul gives considerable attention to hypotass subjection dokimaz discern phron ma phrone mindset way of thinking and metamorphomai transform as key theological concepts In this light Monya Stubbs analyzes the ways in which Paul speaks about subjection engages in reflection and exhorts his readers to transformation a type of transformation necessary for those to whom he exhorts to walk in the nearness of God's salvation power Focusing on these categories Stubbs helps us recognize the ways in which the text explores ideological systems of convictions and their implications for human relationships **Urban Legends of Church History** John Adair, Michael J. Svigel, 2020-10-01 Urban Legends Church History surveys forty of the most commonly misunderstood events of church history from the period of the early church through the modern age **Holy Fire Fell** Dirk R. Ellis, 2017-01-18 Why do we worship as we do What are the forgotten practices once central to many early Nazarene congregations Because historical events and other factors have shaped and molded the various worship patterns found in local congregations the way in which contemporary Nazarenes worship is no accident Like other descendants of the American holiness movement Nazarene worship is influenced by events predating our denominational forebears This text explores the history behind current worship trends for a crucial reason the very act of worship shapes and forms worshipers Beliefs and attitudes are forged not merely by what is heard from the pulpit

but also by what is done bodily in the pew Ellis examines the liturgical concerns and practice of John Wesley as well as those of early Nazarene pioneers in an attempt to address these issues In so doing the book provides a historical resource for denominational leaders pastors and congregations At the same time it aims to help congregations both to appreciate our rich ecclesial history and to critically evaluate current worship practices in order that they may truly be transformational

Evangelical Hospitality Tory K. Baucum, 2008 Christian faith is always a leap When the leap takes particularly long in a society the Church has characteristically shortened that leap through a process approach to winning seekers known as catechetical evangelism Author Tory Baucum explores catechumenal evangelism in the early Church and its recovery in the early modern period in Methodism and late modernity or postmodernity in the Alpha course Baucum seeks to describe the salient features of catechetical evangelism and why it is effective at creating an environment that shortens the leap from unbelief to belief Evangelical Hospitality describes a church that has lost touch with its deep memory of evangelization the recovery of that memory in catechetical ministry and the kinds of practices this recovery spawns in the Church After describing the social construction of faith communities the bulk of the book examines four core practices which are entailed in creating cultures of faith places where believing in Christ becomes plausible and possible The book concludes with some perennial principles from Christian communities who learn to construct faith cultures Holy Habits: Eating Together
