Ruhaniyat Swati Masurkar, 2018-02-20 Ruhaniyat Swati's debut collection of poems is an attempt to reach out to readers across the world This contemporary approach to writing is straight from the heart and aims at freeing the soul for the journey ahead It is a tribute to all those who consider their life as a blessing from the Almighty and who look within and not outward for answers whenever they are faced with challenges It is a caravan that embraces every traveler and ensures they reach their destination whilst enjoying their journey

Sharing Michael Braham Gerstein, 2019-07-29 This volume is a broad mixture of subjects in lyrical thoughtful and humorous moods From a feeling not from the news like a surf wave powerful or gentle I flow through the work If it's a strong feeling writing is fast Most times it's slow laborious editing I sometimes make notes I don't appreciate modern poetry This is my own work I copy no one I love writing Several poems are short stories They contain a variety of windows into the imagination and fantasy The thoughtful ones may arouse talking points

The Lure of Greatness Anthony Barnett, 2017-08-24 One of the most important political books of 2017 Guardian The best book about Brexit so far brilliantly caustic Irish Times In 2016 two surprising explosions of popular contempt for the existing order drove Britain into Brexit and paved the way for Trump's presidency of the United States On both sides of the Atlantic proud regimes with global pretensions were levelled by justifiable revolts But in the name of self government Brexit and Trump will intensify the authoritarian traditions of their outdated political systems The Lure of Greatness is a blistering account of how and why this happened The shadow of Iraq the great financial crash campaigns of poison and intrigue the filleting of David Cameron with the cold fury of a Remain voter these are just the start At the book's heart is the story of the institutional and constitutional implosion of the United Kingdom the farce of the sovereignty of parliament a passionate account of English nationalism and the absurdity of the ever increasing and insidious influence of the Daily Mail What emerges is a compelling summary of an EU in crisis the fateful absence of a viable left alternative the normality of immigration all of which frame the reasons for the triumph of Leave Anthony Barnett co-founder of openDemocracy applies a lifetime of observing reporting and sedition in this searing analysis of the two great democratic disasters of our time

Voice of Eternity Salomon Lane, Luiz Santos, 2025-01-03 Voice of Eternity The Apocalypse of the Apostle Peter For centuries the Apocalypse attributed to John has been accepted as the definitive vision of the end times However a hidden revelation written by one of Christ's twelve apostles offers a unique testimony the Apocalypse of Peter Discovered in 1886 in Egypt this extraordinary manuscript carries

undeniable authority coming from someone who walked alongside Jesus heard His deepest teachings and witnessed His miraculous works This invaluable text transcends historical records Written by the apostle who was the cornerstone of the Church it presents a vivid and direct account of humanity's destiny It is not filled with distant allegories or metaphors but offers an intense and detailed vision where heaven and hell are unveiled with the clarity of one who witnessed such realities Divine judgment is portrayed as inevitable and just yet abundant with mercy for those who choose the light The discovery of this gospel challenged theological interpretations and reignited profound discussions among scholars and believers Peter's text provides an unprecedented portrayal of the Final Judgment describing the eternal triumph of the righteous and the irreparable torment of the wicked His words echo with the urgency of a call to reflection and choice leading the reader to an unavoidable confrontation with divine truth Unlike John's text Peter delivers a profoundly human narrative filled with emotions and unshakable convictions He recounts not only the unfolding of the final events but also the spiritual impact of a world where the heavens open angels descend to execute the divine plan and Christ reigns as judge and savior It is a message of hope and warning an appeal for humanity to recognize the magnitude of what is to come and prepare to face its eternal destiny **The Publishers Weekly**, 1980

D.
