101 Life Lessons According to Dad H. Thorp Minister III,2017-08-28 As most divorced couples know with kids in the mix it is very difficult to have a positive influence on a child particularly when dad lives out of state far removed from the rigors of the day to day challenges of raising a child My original plan was to write one life lesson each week and mail it to my daughter for her to read study and keep for future reference Sort of like homework with dad yet still be educational and fun in the process I wrote my first Life Lesson on June 28 2011 After many revisions the book was completed a year later At the time I would hand write the Life Lesson on a legal sized piece of paper and photocopy it at the local Post Net store and send the original to my daughter Kelsey in Seattle I kept the photocopy After dozens of trips the young woman working behind the counter Kate Krutilova says You know Thorp you need to write a book I thought about it for a moment and realized she was absolutely right I finally reached my goal of 100 Life Lessons Three weeks later another

one popped into my head at 3am in the morning So I ended up with 101 The funny thing about reading this book is that there is no rhyme or reason as to the order in which each Life Lesson is written It s just what came to me at the time That is the great thing about having ADD Special thanks to Dr Victoria Ibric at the Neurofeedback NeuroRehab Institute in Pasadena CA I hope you will find this book entertaining heart warming and full of really good tips Buy one for yourself Better yet buy two and give it to someone you care about Thanks for your support Enjoy The British National Bibliography Arthur James Wells,2006 **Life Lessons Learned** Machicote,2011-03-28 Selfish Ambitions The need to get ahead no matter what the cost Only thing is it never works out It is short lived Most times you try to get in where you don t fit in You sneak you lie you cheat you steal and in some cases you kill First let me say that there is nothing wrong with wanting to get ahead wanting to be ahead or wanting to go ahead But when you hold back on people or step on people to get ahead you are thinking only about self Most times it s only for a moment in time that you are able to obtain the status then it s gone But the Damage goes on the damage that you caused This is a wicked minded person They will blame you for their down fall and never thank you for your assistance because they were using you They feel you did nothing to help them but are in fact blocking their way The sad thing about these people is that they think they are really successful Sorry to say they believe a lie These people will turn against you turn their back on you or even help you fall remember they are selfish They will pretend they love you Pretend to be your friend You are only a means to an end to them The only way to reach them or defeat them if you must deal with them is with the Fruits of The Spirit **Easy Lessons, Or, Self-instruction in Irish** : Ulick Joseph Bourke,1860 Easy Lessons; or Self-instruction in Irish Ulick J.
