According to Jesus, God Will Save Biblical Jews, But Not

Christians Donald Werner,2018-09-19 Jesus gave specific and succinct instructions on how to inherit eternal life yet the Church sets those teachings aside Amazing right I will show you exactly how Christian Church doctrine leads people away from Jesus teachings and God s instructions for receiving salvation and what to do about it You will also read here about the great apostasy the mark of the beast the seal of God what laws does God expect us to keep the means of saving grace true repentance the Church of Laodicea Jesus style of evangelism Jesus atonement the nature of God and much more If you are a Christian or Jew you salvation weights in the balance of knowing what is in this book

Johnny's Journey John

Alutto,2025-04-17 This is a story of an Italian American boy s journey to manhood From growing up in the Italian section of Harlem s 111th Street and 2nd Avenue as part of the Greatest Generation you can see the trials and tribulations of a youth of that era Nothing is even remotely the same as growing up in today s world This is a great adventure that begins with enlistment at eighteen into World War II A tremendous look inside a journey that covers youth to adulthood with both humor and passion

Restoring Lost Truths Donald Werner,2016-02-29 The Book of the Revelation tells us that Satan deceives the whole world and causes them to wonder after the Beast follow his teachings and that s happening today What are those teachings that have deceived the whole world Surprising enough those false teachings are coming from within the church which left its Apostolic Hebrew Roots This Book will shock amaze and bless you It will reveal to you critical Biblical truths that were lost or perverted over the centuries These lost truths have caused some of the churches core doctrines to no longer be in harmony with the Scriptures Those that are deceived by the false teachings revealed in this book are unknowingly on the Broad Way leading to destruction they have accepted a false God and a false Gospel What is revealed in the book is staggering you will wonder how could this happen Then you will ask yourself Could I be deceived This book will challenge your beliefs and your understanding of God

Strange Phenomenons in Homeopathy Isuret Polos,2018-10-11 A small

work from Isuret Polos on the frequently experienced strange and extraordinary phenomenons in Homeopathy Modern materialistic science has it s limits for providing a plausible explanation regarding this kind of phenomenons like nonlocal

effects and synchronistic events The author describes different types of phenomena their common patterns and alternative explanation deriving from idealism the branch of science where consciousness is the base of physical reality Books in Series ,1985 Vols for 1980 issued in three parts Series Authors and Titles **The Third Covenant of Jesus Christ** ,

The Memoirs of an Immigrant Joseph Molitorisz,2001-10 Seventy years A lifetime beginning in a tranquil Hungarian village growing in a tragic time of political and ideological turmoil the horrors of the Second World War the humiliation of imprisonment in an American POW camp the tyranny of Bolshevism the crushing defeat of the 1956 Hungarian Revolution This is a captivating account of the nightmarish side of the 20th Century Then joining the tens of thousands of other refugees the author s search for a better life begins Destination America the land of freedom But life in the adopted homeland is marked by struggle and dogged determination to make good on a dream The author unflinchingly chronicles the immigrant experience This book is for readers who have the strong urge to look beyond the surface of what has been purported to be the 20th Century This is not a writing of history It is rather the writing of a life through which history reveals itself to those who have a receptive critical mind and an open compassionate heart *Let There Be Light* Dr. H. Lawrence

Zillmer,2016-07-18 Thanks to research by Albright Jung May and others we now know why God chose to begin his revelations in the Bible with ten great teaching stories Every ancient culture used this art form to teach new generations the truths they needed for living We have it in those first eleven chapters of Genesis which are Gods answers to the ten great questions in life such as Who made it all and why and What is the role of humans in his vast plan A better understanding of this art form will fill our souls with the beauty and order of Gods revelations **Cultivating Emotional Intelligence** Michael G.

Hylen,2021-10-29 One of the most influential variables in human development is social relationships Cultivating Emotional Intelligence The 5 Habits of the Emotion Coach centers on how educators may build and use positive relationships with their students to help them grow in emotional intelligence Additionally this book seeks to answer the question What is the end goal of growing emotionally intelligent students Is it a matter of understanding oneself and other s emotions Or is the goal simply to produce good citizens As humans we desire connection with others And while most connections remain surface level this book investigates how teachers can make a deeper connection with students for the purpose of growing emotional intelligence and teaching positive social skills If educators are going to do so it will be necessary to reframe traditional school practices that focus on promoting positive behaviors through a discipline system based upon consequences that fail to address the behavior in a redemptive manner **Christianity's Source** Harry L. Tabony,2007-12 Christianity s Source is

the result of a quest that started almost eighty years ago After reading the Catholic recommended writers like Augustine and Aquinas the author went through the Greeks and many other well respected philosophers coupled with a great deal of painful thinking As each topic is developed questions are posed that ask the readers to make logical personal appraisals It is proposed that any individual given the facts and information on each topic can use his her own intellect to reach logical

conclusions The initial area of inquiry is where did Judeo Christianity come from This book is based on the works of highly respected Egyptologists Anthropologists Historians and Biblical scholars A few that were included are Cheikh Anta Diop 1923 1986 Godfrey Higgins 1771 1834 Gerald Massey 1828 1907 Alvin Boyd Kuhn 1880 1963 Elaine Pagels Bart Ehrman Karen L King Paul Johnson and Tom Harpur You will see a list of over fifty specific basic beliefs that were copied and are backed up with irrefutable proof going back to at least 3000 BC and perhaps to 10 000 BC The proof is in the Egyptian Book of the Dead the Pyramid Texts Amduat and the Book of Troth The Stonecutter Delores Haltom,2011-07-08 Celibeth Jones wore a mans heavy denim jacket coveralls and a pair of scuffed brogans Thick gray hair straggled from beneath a tattered stocking cap She walked briskly resolutely looking neither to the right nor to the left her bushy black eyebrows were knitted together in a permanent scowl Is she angry about something Henon asked Oh yeah Otis answered I was hoping to have friendly neighbors Henon stared unabashedly as the elderly woman passed the barbershop window Celibeth glared back at him Wow If looks could kill Id be dead Shes positively intimidating You better be intimidated Otis said grimly She killed her husband Otis Hezekiah threw the newspaper down on the floor And got away with it Parker chimed in Hezekiah slammed the door on his way out of the shop Seeing the Forest Despite the Tree Rick Schramm,2014-02 Imagine you are a young person seeking an education career a loving family a dream home and all the good things this world has to offer Having gone to college married your soul mate conceived a miraculous son and built your dream home you are well on your way when you are diagnosed with a brain tumor and told by a neurosurgeon that you are going to go blind and die But God saves your life in an eight hour brain surgery He gives you an incredible near death experience in a second brain surgery in which you are shown amazing knowledge that is so far above what this world knows that you are filled with the unspeakable joy of being able to understand this knowledge Then God removes all this understanding from you except for two words and calls you to recreate this knowledge from the Bible and share it with others Come with me as we recreate this knowledge by piecing together amazing truths and hidden wisdom found in the Word of God and we will learn things we never knew that we never knew The word mystery is found in the Bible some twenty one times along with many parables signs metaphors and symbolic language Someone once described the Bible as a ten thousand piece puzzle to be solved without the benefit of a picture on the box to guide you We will piece together these truths going into the ancient Hebrew and Greek definitions when necessary to understand what the writers of the Bible understood to create a picture of reality that goes far beyond this world we know This understanding will challenge what we believe to be true and change what we desire in our hearts And that is exactly what the Bible was meant to do Spark Story Bible Devotions for Kids Jill C.
