

A promotional image for the TV show 'Love Crisis'. It features three main characters against a dark red, smoky background. On the left, a man in a white shirt looks off to the side. In the center, a woman in a black lace dress stands with her back to the camera, holding a cigarette. In the foreground, another woman looks directly at the camera with a concerned expression. The title 'LOVE CRISIS' is written in a large, white, distressed font on the right side.

Taking an approach in which state formation and vicissitude of power are explicitly taken into account in the discussion of intimacy and love, the author demonstrates that love as idealization and love as sexuality must be kept analytically separate. Chapters include discussions on sexualized rituals and fertility festivals, the murder case of Abe Sada, pure love in Miko and Mako's tragedy and the 1990s phenomenon of enjokosai or aid date. Combining ethnographic, theoretical and archival research, this text will appeal to scholars of Japanese anthropology, feminist anthropology and gender studies alike. **Joy** Ana Tkalc Verčič, Ralph Tench, Sabine Einwiller, 2020-11-26 Successful relationships with publics are based on how people are treated so public relations should help foster happiness and joy and by that improve organisational success and the well being of people. This book explores how public relations contributes to the well being of its publics and presents findings from current research in the field. **The Whitman Revolution** Betsy Erkkila, 2020-12-15 The Whitman Revolution brings together a rich collection of Betsy Erkkila's phenomenally influential essays that have been published over the years along with two powerful new essays. Erkkila offers a moving account of the inseparable mix of the spiritual, sexual, political in Whitman and the absolute centrality of male-male connection to his work and thinking. Her work has been at the forefront of scholarship positing that Whitman's songs are songs not only of workers and occupations but of sex and the body, homoeroticism and liberation. What is more, Erkkila's writing demonstrates that this sexuality and communal impulse is central to Whitman's revolutionary poetry and his conception of democracy itself, an insight that was all but suppressed during the mid-twentieth century emergence of American literature as a field of study. Highlights of this collection include Erkkila's essays on pairings such as Marx and Whitman, Dickinson and Whitman, and Melville and Whitman. Across the volume, she demonstrates an international vision that highlights the place of *Leaves of Grass* within a global struggle for democracy. The Whitman Revolution is evidence of Erkkila's remarkable ability to lead critical discussions and marks an exciting event in Whitman studies. *Whitman & Dickinson* Éric Athenot, Cristanne Miller, 2018-01-15 Whitman Dickinson is the first collection to bring together original essays by European and North American scholars directly linking the poetry and ideas of Walt Whitman and Emily Dickinson. The essays present intersections between these great figures across several fields of study, rehearsing well-established topics from new perspectives, opening entirely new areas of investigation and providing new information about Whitman's and Dickinson's lives, work and reception. Essays included in this book cover the topics of mentoring, influence on each poet, religion, the Civil War, phenomenology, the environment, humor, poetic structures of

language and Whitman's and Dickinson's twentieth and twenty first century reception including prolonged engagement with Adrienne Rich's response to this strange uncoupled couple of poets who stand at the beginning of an American national poetic. Contributors include Marina Camboni, Andrew Dorkin, Vincent Dussol, Betsy Erkkil, Ed Folsom, Christine Gerhardt, Jay Grossman, Jennifer Leader, Marianne Noble, Cécile Roudeau, Shira Wolosky. *Love's Strategy* John K. Downey, 1999-10-01 Brings together the best and most popular papers and lectures of one of the most stimulating voices in contemporary theological conversation. **Loyalty** Bob Sorge, 2004 This book sounds a bold call for loyalty to God and to God's Davids. God's Davids are leaders, male and female, who are safest to follow because of their unwavering passion to be intimate with Christ. God is turning the hearts of fathers to the children and giving the children a heart of loyalty to the fathers. Knowing the power of loyalty to produce Kingdom blessing at every level, Satan has done everything in his power to give this subject a bad reputation. But today's generation isn't buying it anymore. Now more than ever the bride of Christ is giving her heart with intense loyalty to her Beloved and preparing eagerly for His return. Get ready, this book could rock your world.

Entertainment Management Stuart Moss, Ben Walmsley, 2014-06-16 Following on from *The Entertainment Industry*, an Introduction to Entertainment Management takes the next step in the development of entertainment as a practice and as an academic subject. Aimed at higher level undergraduates, the book discusses best practices in the entertainment industry, profiling a different discipline per chapter, each one a branch of entertainment that offers employment opportunities within the sector. Fields include marketing, P.R., the media, live events, artist management, arts and culture consultancy, and visitor attractions. The book aims to reflect the knowledge students will need for the real world of entertainment management, such as technical standards, business management, people management, economic aspects, and legal issues. Each chapter discusses the background of the discipline, best practice, management principles, issues in the wider environment, case studies of real organisations, and future trends. *The Nice Lover* Dr. Badal W. Kariye, 2012-02-21 This novel is based on true history of love, jealousy, of polygamy, betrayal, and how you can survive it in a foreign country where you've arrived in as a refugee or immigrant in love who needs constant assistance from the government and local charity organizations. It's very hard to fall in love with somebody or forget your lover easily when the lover immigrates to a foreign nation where you can't communicate with your lover even if she or he doesn't communicate with you frequently. Let me tell you love needs special medication and the true medication is the reunification of the beloved lovers who went apart for sometime regardless any issues and whatsoever separated them. This novel will also help you if you're a refugee or an immigrant in the United States of America because it'll teach you whatever you may need as new a refugee or an immigrant until you fully become a true citizen of the United States of America while you'll be overcoming the obstacles in your love and the lifestyle in America. I wrote this novel for you to simply enjoy and learn how you can survive in love and your life in the United States of America and it's truly based on lovers whom I missed them to marry and how they really survived in their new American lifestyle. Following the

right footsteps of your honesty love can mislead you sometimes and you ll be in the middle of nowhere Hopefully this novel can help you to master love find solution for its obstacles and adjust your new lifestyle peacefully in America This is also intended for every lover who likes to experiment the meaning of a true love that ends in endless lies and a disastrous jealousy of separation forever between two beloved lovers Enjoy with me as you re reading something valuable to your new life adjustment in love and America Good Luck

Anthropological Perspectives on Care Erdmute Alber,2015-09-01 In the course of last two decades the notion of care has become prominent in the social and cultural sciences As a result of this proliferation of care in several disciplinary fields we are observing not only the expansion of its conceptual meaning but also an increasing imprecision in its usage A growing amount of literature focuses on the intersection between work gender ethnicity affect and mobility regimes In view of this growing field of literature Anthropological Perspectives on Care looks at the notion of care from an anthropological perspective Complementing earlier approaches Alber and Drotbohm argue that an interpretation of care in relation to three different concepts namely work kinship and the life course will facilitate empirical and conceptual distinctions between the different activities that are labeled as care

Shame and Desire Tarja Laine,2007 Shame and Desire defines the contemporary cinematic experience in terms that go beyond the visual Adopting an intersubjective perspective on film studies the author maintains that the dialectical poles of subject and object seeing and being seen no longer seem to be valid We are now surrounded by images that look back at us provocatively seductively indifferently and not only in movies but also in art television the city in chance encounters and in our private relationships Taking her cue from Jean Paul Sartre the author shows how emotions exemplify the way in which we are forced to see ourselves through the eyes of others unable to escape an identity that is imposed upon us from the outside but nevertheless resides in the flesh in the affective operations of the body and the senses To illustrate her account of the intersubjective dynamics and affective bonds of cinema the author explores the contemporary aesthetic investment in the emotional in the work of filmmakers such as Lars von Trier Michael Haneke and Eija Liisa Ahtila This book proposes an insight into the ways in which we are engaged with visual displays and the look with which they respond to our looking
