Love, Fear and Other Things That Cry out in the Night Marilyn R. Moody,2000-01-19

Love Fear and Other Things That Cry Out In The Night Moments Alone With Agoraphobia was written by Marilyn R Moody approximately 20 years ago At that time in her life she was diagnosed with this illness It was a difficult way to live Because she had young

children she managed to keep working feeling responsible for their financial needs even though she was married to a very supportive man Writing was one of the ways she coped with the fears brought on by agoraphobia Ms Moody saved the writing from that time Over the years as she has grown healthier and stronger she would often take out the book that originally was written for her eyes only to read again her thoughts from that time in her life She would then realize how far she had progressed Now she has included those writings into one book to share with others who might also be experiencing the devastating effects from agoraphobia She would like them to know that they are not alone **The 5 Love**

Godliness and Greed Skip Worden, 2010-12-16 Traditional scholarship often points to the Calvinists and Max Weber s writing on the Protestant ethic as the catalysts to changing Christian attitudes concerning profit seeking and wealth Author Skip Worden argues that the seeds of this change occurred centuries earlier From the beginning of the Commercial Revolution to the fifteenth century Renaissance he shows that the predominant Christian thought on economics went through a fundamental shift becoming favorable toward profit seeking and wealth holding Worden discusses this dramatic change and explains how the general antagonism toward the pursuit of wealth before the Commercial Revolution transformed into Protestant theologians fighting against the prevailing view of a pro wealth paradigm during the fifteenth century Worden contends that the shift away from the Patristic view of wealth occurred well before the addition of the Calvinist spirit of capitalism and the Puritan work ethic into Christian economic vernacular Drawing on Plato Cicero and Augustine early Protestant theologians unsuccessfully sought to check the rising dominance of the pro wealth Christian paradigm which they believed had been pushed too far These theologians of the sixteenth and seventeenth century felt it was too close to advocating love of gain itself something too close to the sin of greed How well the Reformation succeeded can be assessed by Worden s insightful concluding study of John D Rockefeller the ascetic steward of God s Gold in the form of monopoly
