Love, Mortality and the Moving Image E. Wilson, 2012-02-21 In their use of home movies collages of photographs and live footage moving image artists explore the wish to see dead loved ones living This study closely explores emotions and sensations surrounding mortality and longing with new readings of works by Agnès Varda Pedro Almodóvar Ingmar Bergman Sophie Calle and many others *Love* Zia Oboodiyat, 2020-09-02 Book Delisted *For Consideration Of Parental Love And Good Will*, *Biblical Poetics Before Humanism and Reformation* Christopher Ocker, 2002-04-04 A comparative study of the interpretation of the Bible in the Middle Ages *Engaging the Doctrine of Creation* Matthew Levering, 2017-07-18 Distinguished scholar Matthew Levering examines the doctrine of creation and its contemporary theological implications critically engaging with classical and modern views in dialogue with Orthodox and Reformed interlocutors among others Moving from the Trinity to Christology Levering takes up a number of themes pertaining to the doctrine of creation and focuses on how creation impacts our understandings of both the immanent and the economic Trinity He also engages newer trends such as ecological theology *The Essential Guide to Overcoming Obsessive Love* Eileen Bailey, Monique Belton Ph.D., 2011-06-07 When love consumes here's the solution When does love become an obsession What are the warning signs What does it take to guard against it and prevent it from taking over one's life A psychotherapist who specializes in this condition and a survivor of obsessive love team up to answer these questions and many others in the most current and important book on this phenomenon With fascinating and helpful advice drawn from real life case studies and personal experience this expert team discusses The difference between healthy love and obsessive love The psychological and societal causes of obsessive love Obsessive love from both the obsessor's and the addressee's points of view Proven techniques to avoid falling into the obsessive love cycle Concrete steps to break the cycle *The End of Divine Truthiness: Love, Power, and God* Paul Joseph Greene, 2017-08-01 In *The End of Divine Truthiness* Paul Joseph Greene confronts stark realities of terrifying theologies that make a mockery out of divine love With urgent resolve Greene answers Martin Luther King Jr's pointed challenge to overcome reckless and abusive power without love and sentimental and anemic love without power Too many theologies cast God either as the tyrant whose loveless power lifts up the mighty or the victim whose powerless love sends the poor away empty Wielding Stephen Colbert's word truthiness as a scalpel Greene slices out one perilous theology after another to restore the wholesome truth that God is love Supported by three world religions Buddhism Christianity and Taoism he discovers a remarkably harmonious and revolutionary divine power that is fully aligned with divine love To reunify love and power here in the world as King challenges it is time to abandon ideologies of divine power that devastate divine love and promote atrocities Greene's call for the end of divine truthiness heralds a new day for the God whose love is power and whose power is love **A Love Worth Waiting For** Brandon Rowell, 2025-03-15 After over fifteen years of loneliness and heartbreak Brandon and Ronald had all but given up on love Betrayed by past partners they built walls around their

hearts unwilling to risk the pain of disappointment again But fate had other plans A chance encounter at a quiet caf sparks an instant connection one filled with understanding shared wounds and the possibility of something real As they navigate their journey together Brandon and Ronald learn to trust again Through laughter heartfelt confessions and unforgettable moments from candlelit dinners to starlit getaways they discover a love that heals and strengthens Despite lingering fears and doubts they take the leap proving that even the most wounded hearts can find happiness again Their love story culminates in a wedding that neither of them thought possible a celebration of healing hope and a future built on the love they waited a lifetime to find

Translated from the Original, by J. Mendham** ,1849 **Enemy Images in American History** Ragnhild Fiebig-von Hase,Ursula Lehmkuhl,1998-01-01 It seems to be a tenet of the human condition to perceive others as different and potentially hostile In nearly all societies stereotypes are developed to stigmatize suspected enemies within and without The American case is particularly interesting in this respect because American society consists of nothing but others to be open to others and welcome those who are different is one of the basic tenets of the country However this principle often conflicts with the need to integrate all these strangers into a homogeneous governable society which causes the formation of hostile stereotypes of certain ethnic groups that do not fit in The authors in this volume look at the development of these enemy images which form a fairly consistent pattern from the period of the American Revolution to the post World War II era In doing so they focus on the question of to what extent these enemy images influence the formulation and outcome of foreign domestic and immigration policies *Borrowed Love Poems* John Yau,2002-03-26 More information to be announced soon on this forthcoming title from Penguin USA *Preserving Flowers* Diane Flowers,2008 Full color illustrated instructions for creating over forty dried and pressed floral designs and projects
