Men Who Beat the Men Who Love Them Patrick Letellier,David Island,2013-12-02 Domestic violence in gay male relationships is the third largest health problem for gay men in America today *Men Who Beat the Men Who Love Them* breaks the silence surrounding gay male domestic violence and exposes this hidden yet prevalent and destructive problem The authors paint a vivid picture of gay men s domestic violence bringing its brutality to life by including personal narratives written by one of the authors by clearly defining what it is and what it is not through lists of violent acts and criminal code categories and by thoroughly examining and analyzing the criminal mental health medical political and interpersonal issues involved The authors boldly depart from the battered women s literature by asserting that batterers have a diagnosable mental disorder that battering is not gender based and that much further criminalization of domestic violence is necessary Striving for victim advocacy the book underscores the idea that gay men s domestic violence is totally unacceptable and is caused solely by individual abusive gay men who choose to batter The book builds on and departs from what is known about domestic violence with the authors challenging several fundamental premises in the literature unabashedly identifying battering as a mental disorder The authors explain that victims cannot stop their battering partners from battering and virtually all batterers choose to harm their partners in a premeditated fashion The authors provide practical steps and suggestions for victims who want to leave and stay away from their violent partners and for friends who want to help battered gay men Chapters describe the scope of the problem and refute myths and misconceptions There are several detailed theory chapters in which the authors explain why gay men s domestic violence occurs who the batterers are who the victims are at different stages of victimization and how domestic violence can be stopped A visionary wide ranging governmental and private plan of action is introduced including lists of necessary laws and policies as well as outlines of strong education training and advertising problems needed in various sectors of society As a self help book *Men Who Beat the Men Who Love Them* provides practical information on a never before discussed topic As a trainer s manual or teaching guide it includes specific criteria for understanding the problem and for providing treatment *In Love's Place* Etienne van Heerden,2013-08-01 After his heart bypass operation former champion athlete Christian Lemmer needs to take stock When a Cape Flats gang begins to target him this becomes vitally important Christian commutes between Johannesburg and Stellenbosch where he returns at weekends to his amnesiac wife Christine and his confrontational son Siebert But he also has a hideaway that no one knows about a flat in Sea Point where his drug dealer meets him and a Swazi prostitute becomes his confidante And in Matjiesfontein the staff of the Lord Milner Hotel and the local pigeon breeders are in a state of excitement with the approach of the Southern Cross Derby the most important event in the Karoo s pigeon racing calendar

His Love Endures Forever Melanie D.,2024-07-17 His Love Endures Forever is an easy to read autobiography Starting at birth it s a compelling sometimes heart wrenching true story about a young girl s journey as she grows into her adolescent years and into womanhood Because she came from a broken home she was trying to find love and validation in all the wrong worldly places Before becoming a Christian she continually jumped into situations without thinking things through or taking into consideration the consequences of her actions She repeatedly made the same mistakes while she was caught up in recurring vicious cycles While becoming a Christian she had

so many overwhelming problems in her life that she called a prayer line one day The prayer line partner suggested that she start reading Psalms 91 every day for protection She recommended that Melanie write down a list of her problems and turn it all over to Jesus Melanie took her advice and made the list She surrendered all of her problems over to Jesus She laid her list down at Jesus feet and turned everything over to him The Lord heard her prayers and removed every problem off of the list one by one His Love Endures Forever includes amazing victories testimonies quoted scriptures authors thoughts and comments His Love Endures Forever consists of real life adventures trials and errors answered prayers her spiritual experiences and visitations The book also includes the challenges of her life s struggles Her story reveals her weaknesses hardships soul ties broken relationships and failed marriages It was a humbling learning process before she learned how to acquire patience and wisdom from the Lord The book includes the process that it took before during and after becoming a born again Christian It covers the events and situations in her life that only the Lord could have removed and pulled her out of God was on the move closing doors and opening new doors As she turns her life over to the Lord she realizes that He was with her throughout her entire journey of life As she reflects back on her life she discovers how many times there were proven signs wonders and even miracles along the way If it wasn t for the grace of God his protective covering and his anointing upon her life she s not sure that she could have survived Jesus filled the void within her heart while becoming a born again Christian and developing her relationship with Jesus Christ It was because of her love faith and putting her trust in God along the way that she finally discovers who she truly is and whose she truly is in Christ Jesus
