Love Lighted Path:

Love Lighted Path Elaine J. Clinger, 1990-01-01 **The Lighted Path** Risha Henrique, Risha Gotlieb, 1996 This is the story of one woman's quest for the purpose of her existence Risha Henrique a journalist quickly found herself entangled in a world of ancient tribal initiations with an order of enlightened beings The initiations take her to some of the most sacred lost earth temples as well as to other dimensions of being outside of time and space With the help of a gifted medicine woman she learns what the future holds for herself and for humankind Through her journal *The Lighted Path* she reveals the secrets that reconnect us to the internal intelligence and allow us to become masters of our own destiny BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved *The Lighted Trail* Doris Smith, 2007-10-30 Have you ever lived so remote that the biggest event of the day was when the mail came Have you longed for news from the outside world Have you experienced the joy and excitement of finding that a friend or loved one was coming soon to your village or town It is with great excitement that you count the days till the plane brings that special person Sometimes they bring you something so precious that eternity won't be long enough to thank them Now discover and experience all of these things as you read this book The excitement of grandfather's dream that had the whole village asking What can it mean and the amazement when Aunt Elsa shares the answers right from her Bible Mary Ratcliff Cross Reflections Ministry There's nothing more inspirational than real life experiences Lessons learned from the experiences of others are the most meaningful because they are so effective in helping us where we are actually at today We Native people are visual meaning we trust most in what we can actually see and touch This is why this small book by Doris Smith is so powerful especially to some of us who have actually lived or visited in the villages and know the people Doris writes about It's all real it's all so true Coupled with the fact that the teachings this true story experience brings out are so accurate makes this book very worthwhile reading If you're looking for helpful information presented in an interesting way on subjects that will bring answers to many of life's spiritual questions that most people are asking today you will find this book a real blessing to your heart Monte Church Native Ministries Northwest Canada Director **Bleeding Heart** Jody Kaye, 2022-10-13 From Jody Kaye bestselling author and the creator of the Kingsbrier Quintuplets comes *Bleeding Heart* a slow burn enemies to lovers opposites attract romance When a small town darling runs out on her wedding a chance encounter with a broody former musician leads to a fake relationship with some sizzling and not so fake chemistry Jake A runaway bride walks into a bar No kidding But I'm pretty sure my friends are trying to pull a fast one on me when Paisley Cooper bursts into Sweet Caroline's searching for a place to hide Now the local socialite whose boutique has been right under my nose is in my sights And I'm no bleeding heart So I con Paisley into posing as my girlfriend by threatening her business At first nobody believes our relationship is real I mean why would Paisley abandon her doctor groom at the altar for an irritable strip club owner However mismatched Paisley's infuriating ability to stand up to me somehow convinces everyone we're perfect for each other Whenever we kiss even I can

The Soul Alice A Bailey,1974 This compilation from the books of Alice Bailey seeks to increase understanding of the immortal soul addressing it s many aspects under sixty two headings The creative nature of the Soul On its own plane the soul knows no separation and the factor of synthesis governs all soul relations The soul is occupied not only with the form that the vision of its objective may take but with the quality or the meaning which that vision veils or hides The soul knows the Plan its form outline methods and objective are known Through the use of the creative imagination the soul creates it builds thought forms on the mental plane and objectifies desire on the astral plane It proceeds then to externalise its thought and its desire upon the physical plane through applied force creatively actuated by the imagination of the etheric or vital vehicle Yet because the soul intelligence motivated by love it can within the realised synthesis which governs its activities analyse discriminate and divide The soul likewise aspires to that which is greater than itself and reaches out to the world of divine ideas and thus itself occupies a midway position between the world of ideation and the world of forms This is its difficulty and its opportunity
