Amatoria Jason Potter, 2022-01-04 Amatoria is partly a disclosure partly a veil and partly a revelation incorporating the

poetic discovery of God as experienced by the living and the dying alike Man knows nothing of death and love until he is clothed in such yet God is always willing to facilitate the transport of life out of one and into the other Amatoria is sublime in its obscuration It has been well said that the devil led the author a little way farther up in the medulla of the brain But it is enough to know that in the self indulgent disorder of the 21st century God still kills the old way Who Needs Love? I Just Wanna Get Hitched! damdam,101-01-01 She doesn't know how it feels to be in love and her body can't bear children but that doesn't mean she doesn't want a perfect family like the ones you see on TV And who should appear before down on her luck marriage crazy Sachiko but Keiichi He's got looks and money to spare and most importantly he accepts all of Sachiko's conditions But Keiichi's got secrets of his own Can Sachiko overcome these hurdles to obtain the happy home she's dreamed of Thinking and learning to think Nathan C. Ryan,2010-12-14 This book lets the reader see into the personality of God and His love for all He is a very diversified God and allows us to laugh or cry in these poems We can move on from the spiritual to the very human comedy of errors that we are prone to make and we can laugh at ourselves Some poems also describe the beauty of the world that God made exclusively for us We can touch the face of nature and know that God is giving His approval These poems are not so deep that they cannot be enjoyed by anyone who reads them They were meant to be enjoyed with your favorite beverage of choice sitting in a comfortable chair or beside a loved one in a quiet setting Good poetry links heart to heart mind to mind and promotes an understanding that heightens spiritual love May these poems do that for you the reader **American Cultural Baggage** Stan Nussbaum,2015-02-19 **Abounding Love** M.
