**The Gentleman's Magazine**, 1904 **Song of Songs** Adele Berlin, 2025-01-07 There is no other book in the Bible like the Song of Songs It is a highly literate collection of love poems at times intense with erotic desire and at times playful or flirtatious This commentary draws out the tone of each poem along with its language and literary qualities including its metaphors allusions and clever use of words While there are correspondences between the Song and the literatures of Egypt and Mesopotamia and they are cited in the commentary the greatest foreign influence on the book comes from Greece The commentary approaches the Song as a Jewish Hellenistic work in the full sense of that hyphenated term It notes Greek ideas and tropes that appear throughout the book and shows how they have been adjusted and incorporated into Jewish thought
