hunt is that of a pair of Iraqi Jewish brothers who traveled to London two hundred years earlier with fortunes made from an unearthed jar of priceless stones Spanning two continents and six centuries The Love of Stones follows three very different people each consumed by the same desire possession of the legendary jewel which binds their stories together in an irresistible quest *A Digit of the Moon / A Hindoo Love Story* F. W. Bain,2017-10-24 Another magical tale from literary fraudster F W Bain supposedly translated from an ancient Sanscrit text but most probably written by the author The god Maheshwara and his consort Parvati are flying over the desert when they see a mirage which the Hindus call the thirst of the antelope and the skeleton of a camel Maheshwara tells the story of how those bones came to be there a sad story of love the human mirage During Bain's life argument raged about whether his stories were truly a translation from Sanskrit as he claimed them to be or whether Bain had written it himself While some early reviewers took his statements at face value many did not A contemporary review said in part Though palpably a pretence they are graceful fancies and might as well have appeared for what they really are instead of masquerading as translations No Hindu unless of this generation and under foreign influence ever conceived these stories Moreover they are of a strict propriety whereas original Hindu love stories would put Rabelais's ghost to the blush The book contains numerous footnotes referring to Sanskrit puns and wordplay that the author claimed to have been unable to render in English Excerpt from Wikipedia **Sorcerer's Apprentice** Tahir Shah,2001 As a child Tahir Shah learned the secrets of illusion from an Indian magician This is the story of his apprenticeship to one of India's master conjurors and his initiation into the brotherhood of godmen Learning to unmask and practice illusion he seeks out the subcontinent's sadhus sages sorcerers hypnotists and humbugs His quest exposes a side of India that most writers never imagine exists Photos **The Greatest Love of All** Rock Peters,2016-11-01 The Greatest Love of All is a powerful deeply contemplative book about a journey with God A compilation of intense Christian poetry and Catholic apologetics Moving inspiring love sonnets to God Christmas poems that will put you in the manger with the Holy Family and Passion poems that will make you feel like you were standing at the foot of the Cross on the first Good Friday There are also great unanswerable questions for God Atheists don't believe in God's existence at all but there must be a God because matter cannot cause itself and complex life cannot come from unintelligent matter As Albert Einstein ingeniously said The perfect order of the Universe is proof of the existence of God The author always sarcastically tells atheists that he will contemplate their extremely unscientific Big Bang theory when they can blow up a pile of lumber and a house comes down No there absolutely must be a God The enormous questions this book asks are How did a perfect and all powerful God create such an incredibly imperfect world with foreknowledge and omnipotence How does a kind and merciful holy all good and loving Heavenly Father sit on a throne in Paradise while He is safe and sound and watch the Nazi Holocaust and all the rest of human pain and suffering The Greatest Love of All is universal in its appeal and will be a part of the curriculum for college theology classes around the world stirring vigorous intellectual debate everywhere This book is a compelling must
