Love Politics And More:

Empathy in Politics and Leadership Claire Yorke, 2025-10-03 A timely account of empathy politics and leadership showing how greater understanding and connection can foster trust community and innovation Empathy has become a cliché of contemporary politics often espoused but rarely understood Yet the capacity to understand other worldviews is neither easy nor comfortable Seeing through others eyes requires strength courage integrity and an ability to reason across the harshest political divides and in a time of heightened marginalization disconnection and polarization empathy in our leaders and across society is vitally important Claire Yorke offers the first account of empathy in politics and leadership drawing on examples from across the world Including model leaders like Nelson Mandela and Jacinda Ardern as well as figures on the right such as Donald Trump who mobilize different forms of empathy Yorke asks what distinguishes empathetic leaders from the rest and examines why empathy is essential for a more human centred politics Demonstrating empathy's radical potential and disputing its connotations of weakness this book shows how we can build a political ecosystem that fosters belonging and engagement and cultivate the necessary dialogue to find common ground Activism in the Name of God Jami L. Carlacio, 2023-08-16 Contributions by Janet Allured Lisa Pertillar Brevard Jami L. Carlacio Cheryl J. Fish Angela Hornsby Gutting Jennifer McFarlane Harris Neely McLaughlin Darcy Metcalfe Phillip Luke Sinitiere P. Jane Splawn Laura L. Sullivan and Hettie V. Williams Activism in the Name of God Religion and Black Feminist Public Intellectuals from the Nineteenth Century to the Present recognizes and celebrates twelve Black feminists who have made an indelible mark not just on Black women's intellectual history but on American intellectual history in general The volume includes essays on Jarena Lee Theressa Hoover Pauli Murray and Alexis Pauline Gumbs to name a few These women's commitment to the social political and economic well being of oppressed people in the United States shaped their work in the public sphere which took the form of preaching writing singing marching presiding over religious institutions teaching assuming leadership roles in the civil rights movement and creating politically subversive print and digital art This anthology offers readers exemplars with whose minds and spirits we can engage from whose ideas we can learn and upon whose social justice work we can build The volume joins a burgeoning chorus of texts that calls attention to the creativity of Black women who galvanized their readers listeners and fellow activists to seek justice for the oppressed Pushing back on centuries of institutionalized injustices that have relegated Black women to the sidelines the work of these Black feminist public intellectuals reflects both Christian gospel ethics and non Christian religious traditions that celebrate the wholeness of Black people Political Activists in America Nathan Teske, 2009-01-01 Argues that active involvement in politics can be deeply fulfilling to the individual and that the construction of identity for all activists is both about morality and about what one wants for oneself Includes interviews with environmental social justice and pro life activists Provided by publisher The Priority of Injustice Clive Barnett, 2017-11-01 This original and ambitious work looks anew at a series of intellectual debates about the meaning of

democracy Clive Barnett engages with key thinkers in various traditions of democratic theory and demonstrates the importance of a geographical imagination in interpreting contemporary political change Debates about radical democracy Barnett argues have become trapped around a set of oppositions between deliberative and agonistic theories contrasting thinkers who promote the possibility of rational agreement and those who seek to unmask the role of power or violence or difference in shaping human affairs While these debates are often framed in terms of consensus versus contestation Barnett unpacks the assumptions about space and time that underlie different understandings of the sources of political conflict and shows how these differences reflect deeper philosophical commitments to theories of creative action or revived ontologies of the political Rather than developing ideal theories of democracy or models of proper politics he argues that attention should turn toward the practices of claims making through which political movements express experiences of injustice and make demands for recognition redress and re pair By rethinking the spatial grammar of discussions of public space democratic inclusion and globalization Barnett develops a conceptual framework for analyzing the crucial roles played by geographical processes in generating and processing contentious politics

Murriyang Stan Grant, 2024-12-04 Shortlisted for the 2025 ABIA Awards Social Impact Book of the Year Stan Grant is talking to his country in a new way In his most poetic and inspiring work yet he offers a means of moving beyond the binaries and embracing a path to peace and forgiveness rooted in the Wiradjuri spiritual practice of Yindymarra deep silence and respect Murriyang in part Grant s response to the Voice referendum eschews politics for love In this gorgeous grace filled book he zooms out to reflect on the biggest questions ranging across the history literature theology music and art that has shaped him Setting aside anger for kindness he reaches past the secular to the sacred and transcendent Informed by spiritual thinkers from around the world Murriyang is a Wiradjuri prayer in one long uninterrupted breath challenging Western notions of linear time in favour of a time beyond time the Dreaming Murriyang is also very personal each meditation interleaved with a memory of Grant s father a Wiradjuri cultural leader It asks how any of us can say goodbye to those we love This is a book for our current moment and something for the ages

Say More Jen Psaki, 2024-05-07
INSTANT NEW YORK TIMES BESTSELLER
Former White House Press Secretary and current MSNBC host Jen Psaki shares the surprising lessons she's learned on her path to success and offers unique yet universal advice about how to be a more effective communicator in any situation. Not many White House Press Secretaries capture the nation's interest the way Jen Psaki did. Refreshingly candid and clear, Psaki quickly became known for her ability to break through the noise and successfully deliver her message. In her highly anticipated book, Psaki shares her journey to the Briefing Room and beyond, taking you along the campaign trail to the State Department and inside the White House under two Presidents. With her signature wit, Psaki writes about reporting to bosses from the hot-tempered Rahm Emanuel to the coolly intellectual Barack Obama to the surprisingly tenderhearted John Kerry. She also talks about her time working closely with President Joe Biden from the start of his administration to set a new tone for the country, restoring a sense of calm and respect for the role of the media in our Democracy. Since leaving the White House, Psaki's star has continued to rise. She launched a highly rated show on MSNBC and was so successful that in just six months she was given an additional primetime Monday slot ahead of Rachel Maddow. And Psaki's work doesn't end at the office. She is the mother of two young children and shares her stories about the journey of communicating as a parent. During one bedtime briefing, her young daughter asked the question, "Why do wars start?" which Jen carefully explained, and then got a follow-up: "Have you ever seen a unicorn?" In **Say More**, Psaki explains her straightforward approach to communication, walking you through difficult conversations as well as moments where humor saves the day, whether it is with preschoolers, partners, or presidents. She addresses the best ways to give and receive feedback, how to connect with your audience, how to listen actively, and much more. **Say More** is the book Psaki wishes she had when she started her career and is a trove of entertaining, essential lessons from one of the most prominent voices in American politics today.

Earthly Encounters Stephanie D. Clare, 2019-08-23
Earthly Encounters develops a fuller account of the lived experience of racialized gender formation as it exists on this planet earth. It analyzes sensations: the chill of winter, the warm embrace of the wind, the feeling of being immersed in water, and a stifling sense of containment. Through this analysis in settler colonial and colonial contexts in twentieth-century North America and Africa, Stephanie D. Clare shows how sensation is unevenly distributed within social worlds and productive of racial, national, and gendered subjectivities. From revealing the relevance of phenomenology, especially in the writings of Maurice Merleau-Ponty and Frantz Fanon, to debates concerning new materialism and affect theory, Clare shows how the phenomenology of race and gender must consider both the production of the body-subject and the environment. She concludes by making a case for the continued significance of sensation in the context of the Anthropocene.

Fighting Love's Flame Dana Winston, 2025-10-14
Some walls are meant to burn down. Sharing a tent with Alaska's grumpiest smokejumper wasn't part of June Harrington's plan, but an overcrowded

fire camp left her bunking with the one man who wanted her gone Jake Morrison made it clear from day one her camera was a liability and his crew didn't need a documentarian filming their every move She made it equally clear she wasn't leaving Not when this assignment was her only shot at redemption for a past tragedy where she filmed instead of helping Every dangerous rescue revealed the devastatingly competent man beneath his stoic armor Every quiet conversation exposed wounds that matched her own He was drowning in guilt over losing someone under his command She understood that guilt better than anyone As they work together to save his program from budget cuts the heat between them burns hotter than any wildfire but when two people are convinced they don't deserve second chances can they risk trusting each other with their carefully guarded hearts *Fighting Love's Flame* is a medical romance set in Alaska It's the third book in the Alaska Rugged Hearts Series and can be read as a standalone If you love workplace romance with forced proximity grumpy smokejumper heroes finding redemption through love and competent heroines who can save lives with a camera and melt hearts on the fire line think *Only the Brave* meets *Northern Exposure* then *Fighting Love's Flame* is for you This story was produced using author directed AI tools Additional keywords Firefighter Romance Smokejumper Hero Alaskan Romance Forced Proximity Workplace Romance Grumpy Sunshine Hurt Comfort Slow Burn Romance Romantic Suspense Hero with a Tortured Past Competent Heroine Small Town Romance Medical Romance Found Family High Stakes Action Romance Wilderness Survival Redemption and Healing Man in Uniform [Politics for Hire](#) Stefan Svallfors,2020-12-25 This ground breaking book investigates the work of policy professionals They consist of political actors who although not elected to office are nonetheless employed to affect policy and politics on a partisan basis Through an analysis of the influence and power they wield this book sheds light on how the growth of this group represents a major transformation of the organization of politics and policy making in advanced democracies *Women and Politics* Julie Dolan,Melissa M. Deckman,Michele L. Swers,2017-06-01 *Women and Politics Paths to Power and Political Influence* examines the role of women in politics from the early women's movement to the female politicians in power today Following the historic 2016 presidential election this timely edition includes analysis of the challenges of navigating gender in seeking the presidency It examines how both Hillary Clinton and Carly Fiorina were forced to perform gender on the campaign trail and tasked to at once prove their masculine capability and feminine likability in order to be considered competent for the job **Becoming Canada** Ken Dryden,2010 In this passionate thought provoking vision for Canada Ken Dryden argues that we have paid a price for having the wrong sense of ourselves as a country The old definition of Canada genial but sometimes too self deprecating and ambition killing is no longer the real story Through recent global events such as Barack Obama's election and first year in office the climate conference in Copenhagen and even the 2010 Winter Olympics Dryden explores the clash between politics and story and the importance of a nation finding its true narrative in order to thrive By tracing the ups and downs in contemporary Canadian politics from the Liberal leadership race to Stephen Harper's Conservative minority governments Michael Ignatieff's

appointment as Opposition leader and prorogation Ken Dryden presciently identifies the obstacles facing Canada He observes a sea change taking place among Canadians who want something more for their country The ambition of Canada s policies and the nature of our politics will not change Dryden says until we conceive of a new story for the nation Becoming Canada is at once a celebration of Canada and a timely ardent rallying cry to all Canadians to build upon Canada s unique place in the world It is certain to inspire new conversations about our Canada s identity at home and abroad *The Future of Nostalgia* Svetlana Boym,2008-08-05 Can one be nostalgic for the home one never had Why is it that the age of globalization is accompanied by a no less global epidemic of nostalgia Can we know what we are nostalgic for In the seventeenth century Swiss doctors believed that opium leeches and a trek through the Alps would cure nostalgia In 1733 a Russian commander disgusted with the debilitating homesickness rampant among his troops buried a soldier alive as a deterrent to nostalgia In her new book Svetlana Boym develops a comprehensive approach to this elusive ailment Combining personal memoir philosophical essay and historical analysis Boym explores the spaces of collective nostalgia that connect national biography and personal self fashioning in the twenty first century She guides us through the ruins and construction sites of post communist cities St Petersburg Moscow Berlin and Prague and the imagined homelands of exiles Benjamin Nabokov Mandelstam and Brodsky From Jurassic Park to the Totalitarian Sculpture Garden from love letters on Kafka s grave to conversations with Hitler s impersonator Boym unravels the threads of this global epidemic of longing and its antidotes Lincoln and the Power of the Press Harold Holzer,2014 Examines Abraham Lincoln s relationship with the press arguing that he used such intimidation and manipulation techniques as closing down dissenting newspapers pampering favoring newspaper men and physically moving official telegraph lines Henry Clay James C.
