insight of affective neuroscience that informs Benvenuti's perceptions of human-animal relationships. She effortlessly drops clues to understanding human motivation and behavior into her narratives and points to ways in which we all, other animals and humans alike, must come up with creative responses to problems such as climate change. As we travel with her to both backyard and far-flung locations, we experience again and again the surprising fact that other animals reach back to us with curiosity, interest, even care. Benvenuti writes for the animal-loving public but also for anyone who loves a good story or is interested in ecology, animal welfare, psychology, or philosophy.

A Part, Yet Apart Lavina Dhingra Shankar, Rajini Srikanth, As people from the cultures of the Indian subcontinent increasingly participate in the complex and often heated debates about race and ethnicity in the United States, they confront questions about naming and claiming an identity that designates their group in this country. To be sure, claiming any single identity omits, perhaps threatens to obliterate the significant political, historical, economic, and religious differences between their countries of origin. However, the term South Asian is growing in acceptance among people in this country who trace their heritage to India, Pakistan, Sri Lanka, Bhutan, Bangladesh, Nepal, and Maldives because it acknowledges common interests while it allows for difference. This construction process parallels the gradual acceptance of the term Asian American by peoples primarily of East and Southeast Asian ancestry who found abundant reason to claim a shared identity in dealing with officialdom and an apparently intractable racism in this country. In time, Asian American has become a designation of collective pride for a wide range of peoples. In academic institutions and society generally, there are vexed questions about the term's inclusiveness and the dominance of established groups over more recent ones. *A Part Yet Apart: South Asians in Asian America* concerns itself with the extent to which South Asian Americans are and ought to be included within Asian America as that term is applied to academic programs and admission policies, grassroots community organizing, and politics more broadly, and critical analyses of cultural products. Taken together, these essays form a spirited

dialogue on the dilemmas of identity politics coalition building and diasporics Author note Lavina Dhingra Shankaris Assistant Professor of English at Bates College Maine Rajini Srikanthis Adjunct Professor of American Studies at Tufts University Massachusetts **Love-life in Nature** Wilhelm Bölsche,1926 **Under the cedars and the stars** Patrick Augustine Sheehan,1910 *Dancers Amongst The Stars* Janny Juddly The Therapist n my Pocket,2015-01-09 This is a very particular kind of self help book It is a book of remembering Our journey is a spiritual one even if we do not always realise it We humans spend a lot of time trying to work out who we are looking for meaning searching for the big picture Through a series of beautifully evocative and moving stories uplifting poems and insightful observational pieces you are invited to rediscover the truth of who you really are As a lecturer in Dynamic Therapy the author s particular area of research and expertise has been the mind body soul connection as underpinned by the latest research in neuroscience and quantum physics As a therapist mindfulness coach and energy worker in private practice her work has involved integrating this knowledge with leading edge thinking on spirituality the workings of the human psyche the impact of our developmental history and the power of intention and the unconscious mind upon our experienced reality Her goal is to incorporate this into her own understanding of the spiritual journey as an awakening woman The stories poems and real life vignettes in this book are an invitation to you as a fellow traveler and spiritual seeker to see through compassionate eyes where you have come from the amazing path you are embarked upon and to view your experience of living this life which is unique to you alone from the perspective of who you really are a magnificent spiritual being of light and love and power living a purposeful human experience Leaping to the Stars David Gerrold,2019-07-16 No longer able to return to his home on Earth Charles Dingillian and his two brothers must choose a new planet to call home But which one Charles has come into possession of a prototype HARLIE unit so revolutionary and state of the art that corporations will stop at nothing including murder to control it Earth is in a state of social and economic meltdown The battle for domination between rival corporations has gone interplanetary Charles has been at war before only that was a personal civil war waged between him and his parents In an effort to end the strife once and for all thirteen year old Charles took the drastic step of divorcing his parents He and his brothers are now free to do what they choose Freedom for Charles and his brothers means passage on a starship to a colony Outbeyond There they will use HARLIE to help build a better world But freedom also means exile From his home From his friends From everything he has ever known And even his chance for a new life on a remote planet is put in jeopardy when a critical malfunction with the HARLIE unit seemingly threatens the integrity of the voyage However a faction of passengers on board the Brightliner Cascade may pose an even greater risk A risk not even an intelligence as powerful as a HARLIE unit can avert
