Metrical Visions Renaissance English Text Society Ser Vol 9:

Metrical Visions George Cavendish, Newberry Library, Renaissance English Text Society, 1980 **John Lydgate's Fall of Princes** Nigel Mortimer, 2005 Publisher description *Books in Print* , 1982 *Forthcoming Books* Rose Army, 1997

Killing Hercules Richard Rowland, 2016-12-08 This book offers an entirely new reception history of the myth of Hercules and his wife killer Deianira The book poses and attempts to answer two important and related questions First why have artists across two millennia felt compelled to revisit this particular myth to express anxieties about violence at both a global and domestic level Secondly from the moment that Sophocles disrupted a myth about the definitive exemplar of masculinity and martial prowess and turned it into a story about domestic abuse through to a 2014 production of Handel's Hercules that was set in the context of the war on terror the reception history of this myth has been one of discontinuity and conflict how and why does each culture reinvent this narrative to address its own concerns and discontents and how does each generation speak to qualify or annihilate the certainties of its predecessors in order to understand contain or exonerate the aggression with which their governors of state and of the household so often enforce their authority and the violence to which their nations and their homes are perennially vulnerable *The Publishers' Trade List Annual* , 1992 **Fiction, 1876-1983:**
