Elaine Allensworth

Metrics For Elementary Middle Schools:

Resources in Education ,1996 **10 Models of Teacher Evaluation** David Silverberg,Linda Jungwirth,2014-02-04
For the first time school districts around the country are being required to adopt formal accountability measures to assess teacher effectiveness In a radical shift teacher quality will be based on outputs student achievement teacher observations rather than inputs years of service degrees attained This change in school culture and practice is an attempt to improve everything from individual student learning to national economic competitiveness It also requires that administrators implement new and rigorous teacher evaluation programs that align with state and federal guidelines Busy administrators lack the training and experience necessary to quickly and efficiently craft a teacher evaluation system that successfully meets the needs of their district Questions like What is the best program for my district or How do I get the teachers on board are being asked by school leaders across the country This book provides real world answers by highlighting 10 diverse model programs from around the country *Using Data to Improve Schools* Elaine Allensworth,2025-10-22 Make data work for your school and for every student Far too often educators are inundated with data that feels overwhelming irrelevant or unhelpful In *Using Data to Improve Schools* nationally recognized expert on school transformation and student achievement Elaine Allensworth offers a framework for understanding the critical properties of data and the tools educators need to focus on the metrics that matter most for student achievement Rooted in two decades of research on educational policy and practice and real world success stories from Chicago Public Schools this groundbreaking guide bridges the gap between theory and practice helping educators build a culture of data driven collaboration and success Topics covered include Common myths and assumptions that divert attention from the data that matter most Guidance on using systems for continuous improvement such as Early Warning Indicator EWI and Multi Tiered Systems of Support MTSS Tools to align teachers families and staff around a shared vision and strategies that build trust and momentum for sustainable growth Allensworth clearly outlines how schools can improve key performance areas like attendance test scores and graduation rates by identifying high impact metrics and fostering a collaborative culture of improvement By simplifying complex concepts and offering tools for effective collaboration this guide inspires educators to turn numbers into positive change
