religions and backgrounds can live together in peace and harmony His visions words and life teach us how to reach inner peace and happiness The INNER PEACE AND HAPPINESS is the most essential thing Masnavi which is the source for this selection of work weaves fables scenes from everyday life Qur'anic revelations and exegesis anecdotes and stories full of secrets of liberation of the soul and enlightenment Among these selected stories you will find the basis of Sufism and the message it carries out into the world During the translation process no interpretation is added to the stories The stories are kept true to the originals but some foot notes are given to clear the meanings under the guidance of a Sufi master These stories seem to be written for children but they are written for the many adult spiritual seekers If you just read between the lines you will find messages that will help guide you to inner peace and divine love All readers will love wandering through Rumi's fables and tales of wisdom No matter what religion the truth and delight of Rumi's writings penetrates that wordless place of knowing within every great teaching and every longing heart Knowing God starts with knowing yourself and accepting who you are
