Rosen, Roberto Zepeda, 2016-07-19 Organized Crime Drug Trafficking and Violence in Mexico The Transition from Felipe Calderón to Enrique Peña Nieto examines the major trends in organized crime and drug trafficking in Mexico The book provides an exhaustive analysis of drug related violence in the country This work highlights the transition from the Felipe Calderón administration to the Enrique Peña Nieto government focusing on differences and continuities in counternarcotics policies as well as other trends such as violence and drug trafficking **Indigenous Language Politics in the Schoolroom** Mneesha Gellman, 2022-11-01 Public school classrooms around the world have the power to shape and transform youth culture and identity In this book Mneesha Gellman examines how Indigenous high school students resist assimilation and assert their identities through access to Indigenous language classes in public schools Drawing on ethnographic accounts qualitative interviews focus groups and surveys Gellman's fieldwork examines and compares the experiences of students in Yurok language courses in Northern California and Zapotec courses in Oaxaca Mexico She contends that this access to Indigenous language instruction in secondary schooling serves as an arena for Indigenous students to develop their sense of identity and agency and provides them tools and strategies for civic social and political participation sometimes in unexpected ways Showcasing young people's voices and those of their teachers and community members in the fight for culturally relevant curricula and educational success Gellman demonstrates how the Indigenous language classroom enables students to understand articulate and resist the systemic erasure and destruction of their culture embedded in state agendas and educational curricula Access to Indigenous language education she shows has positive effects not only for Indigenous students but for their non Indigenous peers as well enabling them to become allies in the struggle for Indigenous cultural survival Through collaborative methodology that engages in research with not on Indigenous communities Indigenous Language Politics in the Schoolroom explores what it means to be young Indigenous and working for social change in the twenty first century

Adopting the Tune of Appearance: An Emotional Symphony within **Mexico In Focus**

In a world used by monitors and the ceaseless chatter of instant conversation, the melodic beauty and emotional symphony created by the published word frequently diminish into the back ground, eclipsed by the constant sound and distractions that permeate our lives. But, nestled within the pages of **Mexico In Focus** a marvelous fictional prize full of organic emotions, lies an immersive symphony waiting to be embraced. Crafted by a masterful musician of language, that captivating masterpiece conducts readers on an emotional journey, well unraveling the concealed tunes and profound influence resonating within each cautiously constructed phrase. Within the depths of the moving analysis, we shall examine the book is main harmonies, analyze its enthralling writing model, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
