

Mexico And Mexicans

Alan Riding

Mexico And Mexicans:

Mexico and Mexicans in the Making of the United States John Tutino, 2012-05-15 Mexico and Mexicans have been involved in every aspect of making the United States from colonial times until the present Yet our shared history is a largely untold story eclipsed by headlines about illegal immigration and the drug war Placing Mexicans and Mexico in the center of American history this volume elucidates how economic social and cultural legacies grounded in colonial New Spain shaped both Mexico and the United States as well as how Mexican Americans have constructively participated in North American ways of production politics social relations and cultural understandings Combining historical sociological and cultural perspectives the contributors to this volume explore the following topics the Hispanic foundations of North American capitalism indigenous peoples actions and adaptations to living between Mexico and the United States U S literary constructions of a Mexican other during the U S Mexican War and the Civil War the Mexican cotton trade which helped sustain the Confederacy during the Civil War the transformation of the Arizona borderlands from a multiethnic Mexican frontier into an industrializing place of whites and Mexicans the early twentieth century roles of indigenous Mexicans in organizing to demand rights for all workers the rise of Mexican Americans to claim middle class lives during and after World War II and the persistence of a Mexican tradition of racial ethnic mixing mestizaje as an alternative to the racial polarities so long at the center of American life

Mexico and Her People of To-day Nevin Otto Winter, 1907 *Mexicans in the Making of America* Neil Foley, 2014-10-06 A Choice Outstanding Academic Title of the Year According to census projections by 2050 nearly one in three U S residents will be Latino and the overwhelming majority of these will be of Mexican descent This dramatic demographic shift is reshaping politics culture and fundamental ideas about American identity Neil Foley a leading Mexican American historian offers a sweeping view of the evolution of Mexican America from a colonial outpost on Mexico's northern frontier to a twenty first century people integral to the nation they have helped build Compelling Readers of all political persuasions will find Foley's intensively researched well documented scholarly work an instructive thoroughly accessible guide to the ramifications of immigration policy Publishers Weekly For Americans long accustomed to understanding the country's development as an east to west phenomenon Foley's singular service is to urge us to tilt the map south to north and to comprehend conditions as they have been for some time and will likely be for the foreseeable future A timely look at and appreciation of a fast growing demographic destined to play an increasingly important role in our history Kirkus Reviews

Travels in Mexico and Life Among the Mexicans Frederick Albion Ober, 1887 *Mexico of the Mexicans* Lewis Spence, 1917

Mexicans in the Midwest, 1900-1932 Juan R. Garc'a, 1996 Early in this century a few Mexican migrants began streaming northward into the Midwest but by 1914 in response to the war in Europe and a booming U S economy the stream had become a flood Barely a generation later this so called Immigrant Generation of Mexicans was displaced and returned to the U S Southwest or to Mexico Drawing on both published works and archival materials this new

study considers the many factors that affected the process of immigration as well as the development of communities in the region. These include the internal forces of religion, ethnic identity and a sense of nationalism as well as external influences such as economic factors, discrimination and the vagaries of U.S.-Mexico relations. Here is a book that persuasively challenges many prevailing assumptions about Mexican people and the communities they established in the Midwest. The author notes the commonalities and differences between Mexicans in that region and their compadres who settled elsewhere. He further demonstrates that although Mexicans in the Midwest maintained a strong sense of cultural identity, they were quick to adopt the consumer culture and other elements of U.S. life that met their needs. Focusing on a people, place and time rarely covered before, now this wide-ranging work will be welcomed by scholars and students of history, sociology and Chicano studies. General readers interested in ethnic issues and the multicultural fabric of American society will find here a window to the past as well as new perspectives for understanding the present and the future.

Anahuac : or, Mexico and the Mexicans, Ancient and Modern Edward B. Tylor, 2022-05-29

In *Anahuac or Mexico and the Mexicans: Ancient and Modern* Edward B. Tylor presents a comprehensive exploration of the cultural, historical and social tapestry of Mexico from ancient times to his contemporary era. This seminal work, rich in its ethnographic detail and informed by Tylor's anthropological perspective, blends vivid descriptions with scholarly analysis, thereby situating Mexico at the crossroads of civilization. Tylor's literary style is marked by an intricate balance of objective observation and passionate narrative, offering readers a deeper understanding of the complexities embedded in Mexican identity through both its pre-Columbian heritage and modern transformations. Edward B. Tylor, a pivotal figure in the emergence of anthropology as a discipline, was profoundly influenced by his travels and academic pursuits. His rigorous studies of cultural evolution and social customs undoubtedly shaped his interest in Mexico, a nation he perceived as a rich case study of human development and adaptation. Tylor's commitment to elevating the understanding of non-Western cultures reflects in his thorough analysis of Mexican life, making his observations resonate with broader theories of culture that would impact anthropological thought. For those interested in the interplay between tradition and modernity, *Anahuac* is an essential read that sheds light on the rich cultural heritage of Mexico. Tylor's pioneering insights invite readers to engage with Mexico's past and present, making it a valuable resource for scholars and enthusiasts alike who wish to delve deeper into the dynamic identity of a fascinating country.

Distant Neighbors Alan Riding, 1989-10-23

A study of Mexico: political, social, cultural, economic, by a journalist who was for the past 6 years the NYT bureau chief in Mexico City. With portraits of Mexico's top leaders about a nation whose stability is vital to our national well-being.

Mexico, Mexicans, and Mexican-Americans in U.S.-Mexican Relations Rodolfo O. De la Garza, 1989

Mexico of the Mexicans Lewis Spence, 2015-06-24

Excerpt from *Mexico of the Mexicans*: The thunders of the titanic struggle which at present convulses Europe have drowned the echoes of strife which come from far away Mexico, and in the eyes of many the warring of the factions in the American Republic will seem very like the battle of the mice and the frogs. Yet

we who are sacrificing everything for an ideal should feel a lively sympathy with the Mexican people for when all is said they too are fighting for idealistic reasons for the possession and free exercise of that liberty towards which the spirit of man in all climes and ages has so painfully yet so persistently aspired In these islands the agonies through which Mexico is passing are too frequently regarded as a mere collision of brigands the scufflings of disputatious robber factions who are equally desirous of rule because of the possibilities it holds for exaction and looting By holding such a view we do the people of Mexico a great wrong and its expression is unquestionably due to ignorance of the true condition of things in the Republic The Author sincerely hopes that this volume will clear away some of the mists which surround Mexico at the present time But he has experienced the utmost difficulty in obtaining news of recent events from the Republic because of the prohibition placed upon correspondence He feels however that he has in a measure overcome this by the piecing together of matter from sundry reliable sources and hopes that he has been enabled to present his readers with a truthful account of things as they are at the present day in a land the mighty destinies of which he devoutly and hopefully believes in About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
