Mexico Is Missing And Other Stories:

Mexico is Missing and Other Stories J. David Stevens, 2006 What's America to do when one day Mexico suddenly disappears That question asked by the title story in *Mexico Is Missing* sets the tone for a collection whose individual stories have been described as provocative intensely relevant and wickedly macabre Thematically and formally diverse these pieces are unified by their devotion to the offbeat even insane moments of contemporary life A widow hears a voice from her computer that claims to be God An unnamed narrator develops an unhealthy fascination with his mailman Several characters from a joke come to life and wonder what to do with themselves A poet married to a porn star considers the real meaning of love The subjects of this volume range widely From Snoopy to Southern Baptists from witch trials to infomercials from the President's golf game to well the President's penis anything is fair game in a collection that blends satire with a sincere desire to find meaning in the jumbled world that we daily inhabit A literary critic and author Stevens also demonstrates his formal range by juxtaposing traditional linear stories against micro fictions and longer fractured narratives The result is a book that traverses the literary map with impressive dexterity Individually the stories in *Mexico Is Missing* will provide various pleasures for every reader But taken together they represent a more profound effort to blend those diametric impulses formal cultural and sociopolitical which so often define contemporary experience This collection of 23 short stories by J David Stevens is clever sardonic and humorous While you're laughing Stevens also gives you plenty of things to think about spirituality the negligence of the mass media American politics and relationships Book jacket

Killing Time and

Other Stories Joel Townsley Rogers, 2007-11 From THE JURY BOX Jon Breen's critical column in ELLERY QUEEN Mystery Magazine Joel Townsley Rogers Killing Time and Other Stories with introduction and afterword by Alfred Jan Ramble House Six longish pulp stories dating from 1934 to 1947 represent an undervalued writer The title story about a disabled World War II veteran trying to break into mystery writing offers affectionate parody and fair play detection while the magazine version of the classic The Red Right Hand captures its offbeat flavor only slightly less effectively than at full length The outre plots often involve coincidence though not to the fantastical extent of Harry Stephen Keeler whose complete works are offered by Ramble House An indispensable companion is the earlier Rogers collection Night of Horror and Other Stories Ramble House including the much anthologized minor classic The Murderer and a Rogers bibliography compiled by son Tom Rogers expanded by Francis M Nevins And here's what four of America's favorite authors about town have to say about Ramble House's two Joel Townsley Rogers collections NIGHT OF HORROR and KILLING TIME Rogers was the real deal author of a true masterpiece The Red Right Hand and a pulp man who could and did do it all If you want the strong heady thrill of genuine pulp and not the pale imitation that came later latch on to both of these collections immediately Ed Gorman Killing Time collects six pulp novellas by Joel Townsley Rogers including the original version of the classic The Red Right Hand along with a story about a pulp writer and a story with a character named Captain Sparrow whom I like to think is a distant cousin to the famous Pirate of the Caribbean Highly recommended Bill Crider The six tales gathered here are among Joel Townsley Rogers most accomplished pulp magazine contributions of the 30s and 40s cleverly plotted highly atmospheric suspenseful and dripping with menace The original magazine version of his classic crime novel The Red Right Hand and Alfred Jan's insightful analyses of Rogers work are the highlights Killing Time is a must for every connoisseur of vintage crime fiction Bill Pronzini Ramble House has specialized in bringing neglected and sometimes alternative geniuses back into print First came the great Harry Stephen Keeler then the so clever Norman Berrow More recently Ramble House has been sparking the rehabilitation of Joel Townsley Rogers a versatile and prolific author who seemed to be totally forgotten save for one novel The Red Right Hand Killing Time is the second Ramble House collection of Rogers's shorter fiction and every story in it from the 1934 Murder of the Dead Man to the 1947 title story hits with a wallop and a sting Bravo Bravissimo Richard A Lupoff
