State of the Art in Partial Least Squares Structural Equation Modeling (PLS-SEM) Lăcrămioara Radomir, Raluca Ciornea, Huiwen Wang, Yide Liu, Christian M. Ringle, Marko Sarstedt, 2023-09-15 This edited volume brings together some of the best papers from the 2022 Conference on Partial Least Squares Structural Equation Modeling PLS SEM held at the Babe Bolyai University Cluj Romania The volume seeks to expand the current research on PLS SEM and promote the method's application in the scientific community It gathers research from scholars in many different fields who work on the advancement of PLS SEM and who apply the method to explain and predict behavioral phenomena Researchers today can draw on a wide array of different PLS SEM based algorithms complementary methods and model evaluation metrics Tying in with these developments the first part of this book documents methodological advances of PLS SEM which extend the researchers current toolbox of methods The following parts demonstrate state of the art applications of PLS SEM in various fields such as consumer behavior hospitality human resource management entrepreneurship and organizational behavior Special emphasis is placed on studies that apply complementary methods to offer a more nuanced analysis of the research questions Applied Language Learning, 2000

Community Rights, Conservation and Contested Land Fred Nelson, 2010-08-12 Natural resource governance is central to the outcomes of biodiversity conservation efforts and to patterns of economic development particularly in resource dependent rural communities The institutional arrangements that define natural resource governance are outcomes of political processes whereby numerous groups with often divergent interests negotiate for access to and control over resources These political processes determine the outcomes of resource governance reform efforts such as widespread attempts to decentralize or devolve greater tenure over land and resources to local communities This volume examines the political dynamics of natural resource governance processes through a range of comparative case studies across east and southern Africa These cases include both local and national settings and examine issues such as land rights tourism development wildlife conservation participatory forest management and the impacts of climate change and are drawn from both academics and field practitioners working across the region Published with IUCN The Bradley Fund for the Environment SASUSG and Norwegian Ministry of Foreign Affairs Selling the Welfare State Ray Forrest, Alan Murie, 2014-06-03 Originally published in 1988 this book offers the first comprehensive and critical analysis of the privatisation of public housing in Britain It outlines the historical background to the growth of public housing and the developing political debate surrounding its disposal The main emphasis in the book however is on the ways in which privatisation in housing links to other key changes in British society The long trend for British social housing to become a welfare housing sector is related to evidence of growing social polarisation and segregation Within this overall context the book explores the uneven spatial and social consequences of the policy *Spin and Win: A Workplace Rivals-to-Lovers Story* KELAKKIYAR SIDDHAR, 2025-10-13 In a world where ambition defines worth and success is measured in deadlines Spin and

Win captures the sharp tension between competition and connection Clara West is precise calculated and unshakably focused on the next goal until Ryan Blake spins into her structured life with a charm that challenges every rule she s built What begins as a professional rivalry quickly unravels into something neither can categorize Their office becomes a battleground of ideas humor and quiet moments that blur the lines between partnership and something deeper Every presentation every late night strategy session pushes them closer to realizing that victory isn t always about being first it s about finding balance in the chaos Set against the electric pulse of a modern corporate world this story explores ambition vulnerability and the unexpected warmth found in those who dare to understand each other It s a journey of two driven minds learning that success can be shared and that sometimes the real win is letting someone else in Tense tender and unforgettable Spin and Win is an emotionally intelligent workplace love story that reminds readers how competition can spark connection and how the heart often rewrites the rules of success *RECENT ADVANCES IN COMMERCE & MANAGEMENT, VOLUME-4* Sruthi

S,Crispin J Fernandez,Dr. G. Vani,Dr. K. Sanjeeva Rao,Dr. M. Abirami,Kasireddy Sandeep Reddy, **Tiger by the Tail** B. Rockrunner,2008-11-01 My recovery from OCD began in 1989 and was entirely accidental at first When I wrote this book a decade later I looked back to the beginning and the end of my compulsive and self destructive days For me the heart of Compulsive Behavior is a form of Magical Thinking Through our rituals we are trying to avoid something from happening to our loved ones or to our selves However we are blind to the fact that something even worse has already happened I realized that I had a choice to make between Freedom and Slavery These realizations provided much of the strength I needed to face the fear OCD is founded in Fear But not just in fear This disease contains a great deal of Hope The extremes to which we are willing to go in our attempts to control the universe through our Magical Rituals show how much Hope we carry It is however completely misplaced Once you realize this you discover the strength to win and the proper purpose for all that Hope
