Mice, Morals, & Monkey Business Christopher Wormell, 2007-04-24 Award winning illustrator Christopher Wormell brings his vivid artwork to the classic Aesop's Fables a cornerstone of children's literature in a visual feast to delight both children and adults. Gorgeous linoleum block prints illustrate a key moment in the story with the morals also printed in a hand cut style on the facing page. This simple approach encourages parent-child interaction as the parent fills in the details of the story drawn from the appendix.

Dramathemes, 4th Edition Swartz, Larry, 2014-09-19 In this totally revised 4th edition Larry Swartz digs deeply into the riches of the past three books and considers the experiences of language arts teachers who have used all three versions for almost three decades. Full of engaging new ideas, the book includes many new sources and carefully chosen strategies for exploring challenging issues with students including identity, poverty, diversity, bullying, and immigration. Literary sources are at the root of this amazing book and encompass picture books, novels, poetry, scripts, and photographs. Compelling strategies throughout the book are designed to enrich interactive possibilities amongst learners in the language arts classroom. By reading, writing, and talking both in and out of role, students can develop and share their responses, stories, and ideas. A bestselling classroom resource for almost thirty years, *Dramathemes* is an ideal book for teachers who want to put drama into literacy programs and literacy into drama programs.

Good Books Matter Larry Swartz, Debbie Nyman, 2008 Based on extensive research on the features that make children's books appealing and appropriate, this valuable teacher resource offers guidance on selecting books, strategies for specific grade levels, suggestions for extension, and tips for assessment. This teacher-friendly book is organized around the major genres: traditional literature, picture books, nonfiction, poetry, and multicultural texts that will inspire young readers. Throughout the book, teachers will find suggestions for using literature to implement shared reading, reading aloud, and response strategies with emergent, developing, and independent readers. This comprehensive book is rooted in the belief that educators must consider and offer a wide range of choice to ensure that students read good books. It argues that the choices children make about what they read should be governed by their interests and desire to learn, not by a grade or reading level.

Across Cultures Kathy A. East, Rebecca L. Thomas, 2007-05-30 Compiled by two experienced librarians, *Across Cultures* introduces you to more than 400 recent fiction and nonfiction multicultural resources for preschool through grade 6 and encourages you to make literature about diversity an integral part of your program of instruction. Arranged in thematic groupings: Identity and Self Image, Family and Friends, Traditions, Exploring the Past in Diverse Communities, for example, this lively volume links diverse people, themes, and issues. It presents both annotations and practical advice on programming strategies. Connections are made to projects, graphic organizers, and activities.
