Rushton, 2008 An intensive historical study of the hereditary diseases hemophilia and porphyria in the personal and political lives of the European royal families Part I

Nineteenth century medical knowledge of hemophilia as a hereditary bleeding disorder will be considered Hemophilia appeared in a son born to Queen Victoria in 1853 Hemophilia was transmitted through Victoria s unaffected daughters to the ruling houses in Germany Russia and Spain The political consequences of a chronically ill male heir to the throne fostered the demise of the royal families in these countries The royal physicians were well aware of the hereditary nature of hemophilia and failed to advise the British royal family on this matter that had significant political consequences for the modern world

Part II The Madness of King George III resulted from variegate porphyria an inherited disorder of heme metabolism The disorder was evident in The immediate family of George III Ancestors from at least the 13th century Descendents into the 20th century The malady was inherited by other ruling houses in continental Europe and affected political life there for over six centuries Genetic analysis will consider how such an anomaly could have been inherited through so many successive generations Preliminary DNA evidence will be considered to document variegate porphyria in living relatives of the British royal family Alternate history if these disorders had not plagued the royal families will be considered in conclusion

Alix and Nicky Virginia Rounding,2012-01-17 The dramatic story of Emperor Nicholas II and his wife Alexandra Fyodorovna the last Tsar and Tsarina of Russia A penetrating and deeply personal study that gives profound psychological insight into their marriage and how it shaped the events that engulfed them There are few characters in history about whom opinion has been more divided than the last Tsar of Russia Nicholas II and his wife the Empress Alexandra Fyodorovna On one hand they are venerated as saints innocent victims of Bolshevik assassins and on the other they are impugned as the unwitting harbingers of revolution and imperial collapse blamed for all the ills that befell the Russian people in the 20th century Theirs was also a tragic love story for whatever else can be said of them there can be no doubt that Alix and Nicky adored one another Soon after their engagement Alix wrote in her fianc s diary Ever true and ever loving faithful pure and strong as death words which met their fulfillment twenty four years later in a blood spattered cellar in Ekaterinburg Through the letters and diaries written by the couple and by those around them Virginia Rounding presents an intimate penetrating and fresh portrayal of these two complex figures and of their passion their love and their suffering She explores the nature and possible causes of the Empress s ill health and examines in depth the enigmatic triangular relationship between Nicky Alix and their favourite Ania Vyrubova prot g e of the infamous Rasputin extracting the meaning from words left unsaid from hints and innuendoes The story of Alix and Nicky of their four daughters known collectively as OTMA and of their hemophiliac little boy Alexei is endlessly fascinating and Rounding makes these characters come alive presenting them in all their human dimensions and expertly leading the reader into their vanished world

Natasha Joukovsky, 2021-06-01 A stunning reinvention of the myth of Narcissus as a modern novel of manners about two young well heeled couples whose parallel lives converge and intertwine over the course of a summer by a sharp new voice in fiction Wes and Diana are the kind of privileged well educated self involved New Yorkers you may not want to like but can't help wanting to like you With his boyish good looks blue blood pedigree and the recent tidy valuation of his tech startup Wes would have made any woman weak in the knees any woman that is except perhaps his wife Brilliant to the point of cunning Diana possesses her own arsenal of charms handily deployed against Wes in their constant wars of will and rhetorical sparring Vivien and Dale live in Philadelphia but with ties to the same prep schools and management consulting firms as Wes and Diana they're of the same ilk With a wedding date on the horizon and carefully curated life of coupledness Vivien and Dale make a picture perfect pair on Instagram But when Vivien becomes a visiting curator at The Metropolitan Museum of Art just as Diana is starting a new consulting project in Philadelphia the two couples' lives cross and tangle It's the summer of 2015 and they're all enraptured by one another and too engulfed in desire to know what they want despite knowing just how to act In this wickedly fun debut A Natasha Joukovsky crafts an absorbing portrait of modern romance rousing real sympathy for these flawed characters even as she skewers them Shrewdly observed whip smart and shot through with wit and good humor The Portrait of a Mirror is a piercing exploration of narcissism desire self delusion and the great mythology of love
