Between Homelands in Michael Ondaatje's Fiction Julie Mehta, Harish Mehta, 2024-09-13 Between Homelands in Michael Ondaatje's Fiction is a comprehensive study of the novels of the Sri Lankan Canadian author and poet Michael Ondaatje. This survey of the Booker Prize winning novelist's works locates him as a powerful voice that urges globalization and multiculturalism in a world that is closing its borders. It reconnoitres Ondaatje's search for a homeland by cracking open the core of his evocative inventive and innovative concepts that undergird his art of storytelling. The contributors in this volume examine themes such as literary cosmopolitanism, Sri Lankan identity, diasporic identity, race and racism, home and belonging, trauma in the Sri Lankan civil war, war games and uncertainty theory. An important contribution to Ondaatje studies, the book is an indispensable resource for students and researchers of Sri Lankan literature, diasporic and world literatures, South Asian and Canadian studies, cultural studies, postcolonial fiction and history. Comparative Cultural Studies and Michael Ondaatje's Writing Steven Tötösy de Zepetnek, 2005 Annotation: It is an event in literary criticism and culture scholarship that we have new studies on the work of such an original writer as Michael Ondaatje. In this collection, some of the most perceptive scholars working in cultural and literary studies examine Ondaatje's texts: his poetry, his novels *In the Skin of a Lion*, *The English Patient*, novel and film, and *Anil's Ghost*. *Michael Ondaatje: Haptic Aesthetics and Micropolitical Writing* Milena Marinkova, 2011-07-14 This study of selected literary and cinematic works by Michael Ondaatje investigates the political potential of the Canadian author's aesthetics. Contributing to current debates about affect and representation, ideology, critique, and the artwork, trauma and testimony, this book uses the concept of the haptic to demonstrate how Ondaatje's multisensory, fluid and historically inflected writing can forge an enabling relationship between audience, author and text. This is where Ondaatje's micropolitics, often misconstrued as ideologically suspect aestheticism, emerges a praxis that intimates how one can write and read politically with a difference. *A Study Guide for Michael Ondaatje's "To a Sad Daughter"* Gale, Cengage Learning, 2016 A Study Guide for Michael Ondaatje's *To a Sad Daughter* excerpted from Gale's acclaimed *Poetry for Students*. This concise study guide includes plot summary, character analysis, author biography, study questions, historical context, suggestions for further reading, and much more. For any literature project, trust Poetry for Students for all of your research needs. **Michael Ondaatje** Leslie Mundwiler, 1984 In a survey that includes Ondaatje's fiction, poetry and films, Mundwiler proposes a pervasive tension in the writing between the filmic and the poetic and an implicit critique of conventional concepts of history. Image & Imagination Martha Langford, 2005 A richly illustrated exploration of the imagination in photography featuring the work of over sixty international artists. **A Sea for Encounters**, 2009-01-01 The present volume contains general essays on the relevance of Commonwealth literature, the treatment of Dalits in literature and culture, the teaching of African literature in the UK, sharing places and Drum magazine in South Africa, black British book covers as primers for cultural contact, Christianity, imperialism and conversion, Orang Pendek.

Do You Want to Be Happy and Write? Robert Lecker, 2023-09-01 Michael Ondaatje has achieved international prominence and recognition in a way that few other writers have let alone Canadian writers This popularity is most pronounced for works of historical fiction such as The English Patient winner of the Golden Man Booker Prize and In the Skin of a Lion set in 1930s Toronto shortlisted for the Governor General s Award and winner of the Canada Reads competition in 2002 But Ondaatje has been writing for over fifty years and his innovative works include some of the most accomplished poetry in the English speaking world Taking its title from a question in his poem Tin Roof Do You Want to Be Happy and Write reassesses Ondaatje s writing and the role of the poet from his troubled explorations of the self reflexive artist to his most recent novels Comprehensive in both approach and coverage this new collection offers groundbreaking analysis informed by an understanding of Ondaatje s entire oeuvre placing early poetry collections like The Collected Works of Billy the Kid and There s a Trick with a Knife I m Learning to Do alongside the full range of his novels and his extensive work as a literary editor The book highlights the transnational postcolonial and diasporic issues that have become increasingly apparent in Ondaatje s work Contributors explore key interests that have reappeared and been rethought across his fiction and poetry the construction of identity the nature of

memory and its relation to family origins and history the human body as a site of contestation and struggle the contrast between Eastern and Western values and the Southeast Asian diaspora the writer's responsibility in depictions of war psychic trauma and genocide and an ongoing fascination with the visual and the media of photography and film An eclectic celebration of an iconic author *Do You Want to Be Happy and Write* offers an authoritative reference point for scholars and students of literature and reveals new facets of a major author to his readers around the world Michael Ondaatje Douglas Barbour, 1993 Today as his richly metaphorical texts enjoy international renown Ondaatje's fame is especially fascinating for he has neither followed trends nor played to any crowd instead fulfilling his wish to start each new book with a new vocabulary Unlike fellow writers Robert Kroetsch and George Bowering Ondaatje dislikes discussing theory it takes an appreciation as sharp and probing as Douglas Barbour's to enlighten us to the thoughts intentions and influences that have shaped Ondaatje's work his consistent movement into new territory and his masterful traversal through the modes of late modernism postmodernism and postcolonialism Barbour offers luminous readings of each of Ondaatje's books up to *The English Patient* 1992 a novel of international scope that is as much about the power of narratives as the power of passion Barbour illuminates Ondaatje's early alignment with Wallace Stevens and Robert Lowell as well as his later development in the Pound tradition
