One Time in Paris Wade Stevenson, 2008 In the 1960s Wade Stevenson sought both escape and an elsewhere he could call his own After a brief stint at the University of California at Berkeley he returned to New York only to have his own father commit him to a mental institution That committal turned out to be prophetic One day he heard the plaintive notes of a flute somewhere nearby A troubled teen named Cynthia was creating those wistful melodies Leaving both Cynthia and the asylum behind Wade worked on an oil tanker which took him to Le Havre France There Wade began a journey of romance love and passion as his path fatefully crossed once again with Cynthia's Wade knew he and Cynthia shared a vision and a vital desire to guide their destinies Their kindred spirits led them on extraordinary adventures Together they explored their boundaries with sex love and drugs in their quest for spiritual freedom In this touching and intimate memoir Wade recounts the Paris he knew with its sensuality and light love and art but also an ultimate loss Like many before him Wade immersed himself in love only to realize that the woman of his heart could never belong to him

The Brothers Le Nain Esther Susan Bell, Claude Douglas Dickerson, Nicolas Milavanovic, Alain Tallon, 2016-01-01 A beautiful volume that brings to light the forgotten Le Nain brothers a trio of 17th century French master painters who specialized in portraiture religious subjects and scenes of everyday peasant life In France in the 17th century the brothers Antoine c 1598 1648 Louis c 1600 1605 1648 and Mathieu 1607 1677 Le Nain painted images of everyday life for which they became posthumously famous They are celebrated for their depictions of middle class leisure activities and particularly for their representations of peasant families who gaze out at the viewer The uncompromising naturalism of these compositions along with their oddly suspended action imparts a sense of dignity to their subjects Featuring more than sixty paintings highlighting the artists full range of production including altarpieces private devotional paintings portraits and the poignant images of peasants for which the brothers are best known this generously illustrated volume presents new research concerning the authorship dating and meaning of the works by well known scholars in the field Also groundbreaking are the results of a technical study of the paintings which constitutes a major contribution to the scholarship on the Le Nain brothers
