This is parenting on your own terms. Chances are you'd rather not forfeit your happy, rested life the moment you become a parent. As a mom, you may want to keep your career but aren't sure how to balance it with housework and childcare. As a dad, you probably want to witness your child's milestones but a demanding job may get in the way. And what about time for yourself, never mind your sex life? Marc and Amy Vachon were determined to beat this scenario when their first child was born. They vowed to sidestep the world's expectations of new parents and create a parenthood model that worked for them. Their strategy was to share everything: the good and the bad. They became peers in each area of parenthood: childcare, housework, and breadwinning. They also made time for themselves and for each other. They shared the burdens so nobody was overwhelmed, and the joys so neither missed out on the fun. Drawing on Marc and Amy's experiences as well as those of dozens of ESP couples, *Equally Shared Parenting* shows you how to create a balanced life that is rarely experienced by today's parents. It's not just about who vacuums and who does the dishes or who brings in the paycheck and who tends to the kids. You'll learn how to look at every aspect of parenthood: money, careers, and your individual needs, so you can build a life that works for you both. *New Age Journal*, 1984 **Be More Human** Tony Riddle, 2022-05-26.
